Dear Parents

Welcome to another school year and for some, like myself, a new beginning at Mazenod College. May our journey together be one of discovery as we learn together.

A new Rector realizes that he follows the hard work, the dreams and the passion of those who preceded him. We are privileged to have back in our community the founding Rector, Fr Hughes, OMI, the third Rector, Fr McMahon, OMI and the fourth Rector, Fr Cranley, OMI. I am also indebted to Fr Davine, OMI, Fr Maher, OMI and Mr Payne for leading this College Community and sparing nothing to give of themselves.

I wrote last year about my thanks for Father Maher, OMI. I again publicly, and also on your behalf, thank him for the leader he was for our community. Although he may have suffered illness on occasions, he spared nothing in giving to the boys, the families and staff. In thanking him, we also keep him in our thoughts and prayers as he begins the next phase of his journey in his beloved home, Ireland.

Mr John Payne took the helm at a trying time in the life of our College. He did so with great enthusiasm and vision for the College. I sincerely thank him for nurturing the community through the second semester. I find his vision, and love of the boys, to be life-giving for all. With the other members of the College Leadership Team, he ensured that this year has been a seamless start for us all. We are blessed to have such people in leadership of this community.

I come to you, having been here before in the role of Head of Boarding and Religious Education and then as Rector. While I know and love this place, it has changed in the now 13 years since I left to go to Brisbane as Rector of Iona College, then after a sabbatical year, as Parish Administrator of St Eugene Parish, Burpengary, also in Brisbane. I believe that through these experiences, I too have grown. I believe that the term “New Beginning” is meant for all of us, as change in leadership at a College is a new opportunity for growth for all of us.

I believe that what is at the heart of Mazenod College community is what I call the “Four Cs” – community, commitment, communication and Catholic.

We are a community of people who have come together to ensure that our boys, your sons, are given the best opportunity to learn, to develop and “Learn what they are in the eyes of God”. We do this together – parents, boys and staff. If any one of us doesn’t accept our responsible role in our community, then we are all deficient. It just doesn’t work. Together we can make it happen, with laughter and hiccups along the way.

We have a commitment to make sure that we keep each member of the community honest in contributing to the learning that we want to take place. It is a promise, a pledge, a willingness to walk together, knowing that on this journey we can’t do it alone and that we need each other.

Communication is the joy and irritation of us all. We all say, “We communicate”. What we say is not necessarily what is heard. What we hear is not necessarily what is said. I love how technology can be used. Let us not forget that we are human and as a baby reacts to the human face that smiles at her/him, so we too need to speak to each other. Obviously technology is a great tool for this and as such we should use it. Let us not forget to talk to each other face to face.

We are here to work together for your sons. We do great things together; let us talk to each other. We don’t always get it right, so let us talk to each other.

…2/.

"Learn what you are in the eyes of God."
Catholic, by this I mean we are a community which is catholic – small “c”, and Catholic – large “C”. Catholic (small c) means inclusive and welcoming. Mazenod welcome people of all beliefs and all walks of life. I believe that this is only right. Essentially, we are a Catholic community, belonging to the Catholic Church. What we do is through this way of life and practice. Those who are welcome to this community are invited to be a part of our community in all of its facets. Our Catholic faith and practice is not an option, neither is it an add-on. I believe that on the journey of life, and the journey within the Mazenod community, we are also on a faith journey. As a fellow traveller, I am not here to judge or criticize – that is for the small minded and scared people – I simply believe that we should support each other on what I believe can be an exciting journey of discovery. Let’s do it together.

Enough – in reading over this, there are already too many words. There can be too many!

I just say, I am happy to be here to serve you and I look forward to getting to meet you.

A final thought: The holy person is one who discovers who they are and has the courage just to be themselves. Not an easy thing for any of us. Laurence Freeman.

Fr Peter Daly OMI
Rector

DROPPING OFF AND COLLECTING STUDENTS FROM SCHOOL

NO PARKING ON THE VERGE

The Drop Off area in the Administration car park becomes very congested with some cars having to queue on the road waiting for access. In order to alleviate this problem, parents are asked to drive as far forward as possible in the Drop Off area, even if it means an extra 10m walk for their son (it will do them good!). Please make the drop off as quickly and safely as possible. Parents are also asked not to park in the Drop Off area if they need to visit the College Office.

Please use either Pindari or Kershaw Road when picking up in the afternoon – using the marked parking bays where possible.

MESSAGE FOR YEAR 7 PARENTS

The oval will be available for drop-off and pick-ups until TUESDAY NEXT WEEK – 11TH FEBRUARY as there is a cricket match on the oval on Wednesday. Hopefully the week and a few days have allowed time to arrange buses and alternative drop/pick-up locations. Please EXIT the oval at the Gymnasium end of the oval.

Your assistance with both of these concerns will help make for a safer environment for our boys.

Jeff Ronan - Deputy Principal

SUPERVISION

Parents please note that supervision at the College is between 8:10am and 3:50pm.

We would prefer students were NOT on the grounds outside of these hours as there is no supervision.

For safety reasons, students arriving before 8:10am and still on the grounds after 3:50pm, are not to play any unorganised sporting activities and are to stay in the quadrangle area.

MEDICATION

If any student needs to take medication during school hours he is required to have the medication stored in the College office. The medication should be given to the College receptionist and should be accompanied by a letter containing the following information:

1. Student’s name and Form room.
2. Name of the doctor prescribing the medication.
3. The purpose of the medication.
4. The name and dosage of the medication and time to be taken.
5. Parents’ daytime contact phone numbers.

All medication will be self-administered.

NOTICE ON WITHDRAWAL OF STUDENTS FROM THE COLLEGE

Verbal notification is not considered due notice.

VISUAL & PERFORMING ARTS

INSTRUMENTAL STUDENTS: Lessons commence next week. If your son is an instrumental student and will be away from school on the day of their lesson, please leave a message on the Music Office voicemail (9291-1535) before 7:30am. This is essential as music tutors need to be notified. Thank you.

Audition forms for Concert and Jazz bands need to be completed and returned to the PAC office by Wednesday morning as auditions will be held on Friday, 14th February. Any queries please contact the Music Department on 9291 1535.

Mrs Anne Greenley – Performing Arts Administrator
Microsoft SharePoint

This year we have introduced Microsoft SharePoint, which will enable teachers to share files and information with students online. In time, SharePoint will allow students to work collaboratively to share their work and learn from each other as well as their teachers. This is a massive project, so our IT Team will be rolling out new features slowly to avoid overwhelming our students with possibilities.

SharePoint, from the student’s point of view is quite straightforward and they will learn how to use it with their teachers from the start of this year.

To access the site from home, students will need to use the following address:

http://sharepoint.mazenod.wa.edu.au/mazenod

The site is secure, so if you would like to have a look, simply ask your son to show you. He will need to log in with the same username and password he uses to access his computer.

In many classes, SharePoint will be used to share information using the program, OneNote. This means that the files shared will be transferred straight to your son’s computer both in school and if he is away. Unfortunately for the boys, this means the excuse of “I couldn’t do my homework because the internet wasn’t working at home” is just that little bit harder to use.

Mr Bruce Derby – Deputy Principal
