Dear Parents

Most of the news this week has centred upon the executions in Indonesia. You may have read or seen the Catholic priest who was interviewed and was giving comfort to the intellectually disabled Brazilian man who was among the executed. The priest, Fr Charlie Burrows OMI, is an Oblate missionary who has visited the College on a number of occasions. We used to stay with him when we did mission immersion experiences in Java.

This visitation of prisoners and those to be executed is a ministry that is at the heart of all things Oblate. St Eugene visited the prison practically every day, and “applied himself to instructing them, comforting them and encouraging them.” (REY, Histoire de Monseigneur Charles Joseph-Eugene de Mazenod). St Eugene considered the prisoners as the most abandoned. It is also of note that the Oblates have been prison chaplains in Western Australia from the time we arrived here in 1894. Fr David Shelton OMI is the official Catholic Prison Chaplain. I help out once a month by celebrating Mass in Casuarina Prison.

On another note, I hope that you have purchased your tickets to the College Musical, The Addams Family. From the rehearsals I have seen, it promises to be an entertaining time for all the family. I again thank the staff, parents and students who have put in an enormous amount of time and energy preparing for the production.

Next Monday and Tuesday the ACC Lightning Carnivals take place for Years 7, 8 and 9. These carnivals offer a great opportunity for the boys to represent the College with pride and to enter into competition with boys from other schools. I wish them all an enjoyable time.

I should have mentioned the completed works in the quadrangle. It is a wonderful design and construction. After the Cross Country last week, the whole College assembled there for the presentations at the end of the day. There was a real sense of ownership of the space and I dare say some pride that we have this wonderful facility. The new steps near the Chapel will be finished next week. I would like to thank Saleeba Adams Architects and Switch Homes for the construction.

After the Parent Teacher Consultations on Tuesday, I am sure that you have come away with the knowledge that to achieve academic success, hard work and commitment are required. Boys have to realize that they need to put in the hours to help their learning. Nothing comes without effort. I think that at times some of our boys give up too easily when challenges come their way in study. There are teachers there to help them, and they must do their part as well.

I would like to thank those mothers who attended our Mother’s Day Mass on Friday. I also thank Mrs Lima for the preparation and Mr Condron who provided the music.

A final thought: “Prefer nothing to the love of Christ” - St. Benedict

Fr Peter Daly OMI (Rector)

MATHS PROBLEM OF THE WEEK

45 can be written as the sum of consecutive digits 5 different ways. E.g. 45 = 22 + 23 and 45 = 5 + 6 + 7 + 8 + 9 + 10. Find the 3 other ways that 45 can be written as the sum of consecutive digits.

*Last week’s answer:* It is a palindrome.

*Last week’s winner:* Thomas van Eck, Tempier

Put your entries in the gold box in the student foyer with your name, Form and House. All correct entries earn House points. Prize drawn from correct entries.
The annual Inter-house Cross Country took place last Friday. Blessed with a cool and sunny day, the students and some staff took part in the grueling 5km run around the streets of Lesmurdie. I would like to congratulate the students for their participation and effort on the day. Thank you to all the Mazenod staff who assisted with the organisation and running of the carnival.

It was a close carnival with Albini taking out the overall trophy just ahead of Gerard. Cebula was the winner of the Senior Boys’ category, and Gerard the Junior Boys. Albini was second in both categories, resulting in their win on the day.

The Top 10 from Years 7-10, and the Top 12 from Year 11 and 12 (OPEN), have been selected in the preliminary squad for the ACC Interschool Cross Country team that will compete in Week 6. Training is Monday, Wednesday and Friday mornings here at the College starting at 7.15am. These boys will need to download a permission slip from the Mazenod Sports Sharepoint page in order to join the training sessions as a part of the ‘200’ Club Running Group, as training involves running off the College grounds.

Below is a summary of the results and the top 3 from each year group. Full results including placings and times can be found on the following link: http://bluechipresults.com.au/results.aspx?CId=11&RId=697

MAZENOD 1st 18 FOOTBALL vs GOVERNOR STIRLING

The first official game of the Cable Division Schoolboys Cup saw the Mazenod boys taking on Governor Stirling Senior High School here at Mazenod. The team had been working extremely hard all preseason and it was great to see them perform so well and get their first win against tough opposition.

In slippery conditions, Governor Stirling caught the Mazenod boys off guard with their pace and kicked the first goal. After wresting back control of the midfield, Baylee James, Zac Stacey, Daniel McKay and Thomas Amos steadied the ship, with great support from wingman Tristan Wasmann and Braden Jupp. All the forwards hit the scoreboard with a great spread of contributions from Wade Southcott (2 goals), Kieran Cork (1 goal), Kane Swithenbank (1 goal), Chris Hegarty (1 goal), Jack Trevenen (1 goal) and Lachlan Warlow (1 goal). The defensive dominance and rebound from Nick Reithmuller, Luke Eldridge, Riley Tanner, David Olsen and Jack Amos repelled any attack from the opposition. Riley Mars made outstanding contributions all over the ground and set up numerous goal scoring opportunities. Great impact footy from Nick Edmonds, Daniel Sala-Tenna and Jayden Watson also contributed to the comfortable win to Mazenod. Final Score: Mazenod 7.7.49 defeated Governor Stirling SHS 2.9.27

Thank you to all the staff, parents and students who came along and supported the team, and special thanks to Mr. Tom Floyd for his assistance.

Our next game is away against Sacred Heart College on Wednesday 6 May.

Mr Tim Grabski – Head of Health & Physical Education

SOCCER REPORT

Mazenod vs Lumen Christi

The Mazenod College Senior “B” team opened the Champion Schools Football Cup season hosting a home game to local rivals Lumen Christi College. The game was a very tight affair at the beginning with both teams having several opportunities but were denied by fantastic goal keeping and the woodwork. Lumen Christi opened the scoring and headed into half time with a one goal lead.

The second half was similar to the first with Lumen Christi quickly extending its lead but only to have Mazenod pull a goal back through Cai Morris. Unfortunately Lumen proved too strong putting the game beyond doubt when they scored their third goal and held on to win the game 3-1. While a loss is not the best way to start the tournament there were a lot of positives to take away.

Connor Baines-Baker and Grant Kozma were very influential in the midfield and set up a lot of the attacking plays during the game. John Ensell and Eion Burke were very solid in defence and Jaxon Graham made some fantastic saves in goal.

The next game of the tournament is against the Mazenod “A” team at the college.

Peter Bewick - President
A group of 21 Year 11 and 12 hockey enthusiasts and three staff boarded an early morning flight on the first day of the April holidays to Singapore to begin their ‘international’ hockey careers. On arrival the team was greeted by a typical Singapore afternoon down pour of monsoonal rain.

After a feed of some local roti the boys checked into our hotel in the Bugis region and followed with a walk around our local area and a stretch in the hotel pool. Most mornings on tour the boys enjoyed some sightseeing and shopping including the iconic China Town and Orchard Road areas. The afternoons involved training and games. Unfortunately our first game against the Singapore Cricket Club was cancelled due to the threat of lightning, but the team still enjoyed a nice dinner at the club with a view that looked out towards the skyline of Singapore at night.

On Monday the team experienced life in a Singapore School at Teck Whye Secondary, with the Mazenod students following their buddies to class. The boys enjoyed lessons in everything from the usual Math, English and Science, to Mother Languages of Malay, Tamil and Chinese. Following on from lunch and some sharing of life in Australia, our school and the taste of Vegemite the students prepared for the hockey game. This was our first game and the team played well winning 3-1. On Monday evening the team enjoyed some traditional satay at the street markets of Lau Pa Sat.

Tuesday’s game was against the students from Guilford Grammar coached by former Mazenod colleague Mr Len Fernandes. Unfortunately the boys didn’t play their best and lost 2-5. After the game the two touring groups shared a meal at a local suburban hawker food hall. Our final game on Wednesday was against Northlands Secondary which was one of our best games on tour which we played with good structure and won 3-0.

There were plenty of highlights on tour including a day’s fun at Universal Studios, views of Singapore and a light show from on top of Marina Sands Hotel (60 stories high), spending time with mates, learning about Singaporean culture and improving the boys’ hockey skills.

Thank you the College Leadership team on allowing the hockey tour to go ahead and to the parents for your support, kind words of thanks and for having such wonderful sons who were great to have on tour.

As predicted Round 4 was a much tougher one for tipsters with two people managing to pick 7 Winners – Ross Murphy and Nathan McCraken with another 12 people picking 6 winners.

Some interesting games in Round 5 to look forward to.

Will Mick Malthouse equalling Jock McHale’s coaching record of 715 games be enough to inspire Carlton over Collingwood?

Richmond v Geelong – there will be serious questions asked of the loser of this game.

Sydney v Bulldogs – can the Bulldogs pull another surprise?

Gold Coast v Brisbane – at least one team in Queensland will have won a game after this weekend (assuming it isn’t a draw).

North Melbourne v Hawthorn – Are North the real deal?

Eagles v GWS – Will home ground advantage be enough for the Eagles to get over the line?

Melbourne v Freo – The Demon are much improved, but surely not enough to test the Dockers for four quarters?

St Kilda v Essendon – A chance for both sides to bounce back after a disappointing Round 4.

Adelaide v Port – The Showdown should be a cracker

The Round 4 winner of the $50 is Ross Murphy who won by picking 7 winners and being closest (25 points off) to the margin in Friday’s game between the Melbourne and Richmond.

Nathan McCraken was unlucky but was 28 points off the margin. Both (and I’m sure a couple of others) did well to tip Melbourne in the first place although I was told by two staunch Richmond supporters Damian Allan (Class of 1983) and Frank Memeo (Class of 1977) that Richmond would lose!!

After round 4 things have tightened up and we have 7 people on 25 with a further 23 people just one behind on 24.

The leaders are Iggy Moro (Class of 1987), Mark Addison (Class of 1983), Steve Byrne (Class of 1985), William Sherringham, Mark Pulskinelli (Class of 2001), Tyrone Tuohy (Class of 1991) and Ross Murphy.

Good Luck all with Round 5! Sean Cameron (Class of 1982) and Basil Conti (Class of 1983)
