Dear Parents

I trust that all students had an enjoyable and restful holiday period and are now ready to give the required application to their school work for Term Two. In the last Newsletter of Term One, I encouraged parents to sit with their sons to review the work habit indicators as outlined in the Interim Report in the areas of effort, homework and behaviour. As we start Term Two, I hope all students pursue personal excellence and the beginning point for this quest is to ensure that they have commendable/excellent ratings in these three areas. It is a particularly important term for senior school students as they have Semester One exams immediately after the WA Day long weekend. These exams represent a significant weighting towards their Semester One and end of year grade.

It is also a very important term for Year 10 students. Not only do they have exams towards the end of term, they will also experience a nine day subject selection program during weeks 9 and 10 to assist them to choose an appropriate programme of study for Year 11.

During the holidays, nine Year 11 students and two staff travelled to the Oblate mission in Beijing, China. It was a wonderful experience where the boys witnessed the work of the Oblates in areas of health, education, welfare of women and dignity of the poor and marginalised in the outer suburbs of Beijing. They witnessed and immersed in the work at a care centre named China Little Flower which takes in orphaned babies with severe health issues and often physical disabilities. This volunteer centre supported by the Oblates provides medical attention required by the babies with the aim to nurse them to health and then transition them to foster families, many of whom are supported by the Oblates.

The Oblates are also involved with three kindergartens and two primary schools assisting with the teaching of English. They have also established an after school care programme where students can receive assistance with their homework and develop their English skills. Most of the students who benefit from the support of the Oblates are from migrant families. Migrant families are Chinese nationals who have travelled to Beijing from other parts of China in search of work. Once they arrive and generally establish themselves in shanty towns, they are not formally recognised by the Chinese government and therefore are not entitled to any health or educational services provided by the state.

Through these immersion experiences, the Oblates have provided young men with the opportunity to take up the call from Christ and spread the word of mercy, particularly to the poor. Treating people grounded in a spirit of mercy is something Pope Francis urges us to consider. There are many parallels here with the work done by St Eugene de Mazenod.

Immersion experiences provide an opportunity to see poverty on a scale totally foreign to our student’s day to day life. Pope Francis states; “the unjust distribution of goods persists, creating a situation of social sin that cries out to heaven and limits the possibilities of a fuller life for so many of our brothers. The experience brings great humility to our own lives”. In fact Pope Francis chose “Humilitas” (humility) as his papal motto and like St Eugene de Mazenod, he urges us to proclaim the Good News of Jesus Christ and leave nothing undared to establish the Kingdom of God working in collaboration with people we serve, giving preference to the poor.

Immersion experiences offered to students and staff are practical and real examples of Oblate missionary activity inspired by the Founder, St Eugene de Mazenod and his challenge to:

"Leave Nothing Undared for the Kingdom of God"

DROPPING OFF AND COLLECTING STUDENTS FROM SCHOOL

NO PARKING ON THE VERGE PLEASE

The Drop Off area in the Administration car park becomes very congested with some cars having to queue on the road waiting for access. In order to alleviate this problem, parents are asked to drive as far forward as possible in the Drop Off area, even if it means an extra 10m walk for their son (it will do them good!). Please make the drop off as quickly and safely as possible. Parents are also asked not to park in the Drop Off area if they need to visit the College Office.

Please use either Pindari or Kershaw Road when picking up in the afternoon — using the marked parking bays where possible.

Your assistance will help make for a safer environment for our boys.

Mr Jeff Ronan - Deputy Principal

SUPERVISION

Parents please note that supervision at the College is between 8:10am and 3:50pm.

We would prefer students were NOT on the grounds outside of these hours as there is no supervision.

For safety reasons, students arriving before 8:10am and still on the grounds after 3:50pm are not to play any unorganised sporting activities and are to stay in the quadrangle area.

MEDICATION

If any student needs to take medication during school hours he is required to have the medication stored in the College office. The medication should be given to the College receptionist and should be accompanied by a letter containing the following information:

1. Student’s name and Form room.
2. Name of the doctor prescribing the medication.
3. The purpose of the medication.
4. The name and dosage of the medication and time to be taken.
5. Parents’ daytime contact phone numbers.

All medication will be self-administered.

PARENT/STUDENT – TEACHER CONSULTATIONS

As indicated in the Yearly Planner, there is a Parent/Student - Teacher consultation day on Wednesday 4 May. Interview times will be available from 8.30am to 5.30pm and the length of interviews is 10 minutes.

Consultation times are booked by parents through the internet-based booking system called Parent Teacher On-Line (PTO). Using this system, you will be able to book interview times that suit you best from any internet-connected computer. You will have received a letter with the Term One report providing full details of how to book interviews and you will also receive your PIN to access the system. Bookings close on the 1 May at 10pm.

The consultation day is an excellent opportunity for you to meet your son’s teachers, to discuss his Interim Report and to examine strategies for maximising his achievement. Your son is expected to attend the interviews. Parking will be available on the main oval and all interviews are held in the gymnasium. Please contact me if you require further information.

Parking will be available on the main oval and all interviews are held in the gymnasium.

VISUAL & PERFORMING ARTS

BILLETING FAMILIES REQUIRED

Celebrating our 50th year of the College, together with the 200th Anniversary for the foundation of the Oblates of Mary Immaculate at a Mass on the 25 May, we are seeking interested families that could assist in accommodating 18 senior music students from our ‘brother’ schools in Iona College, Queensland and Mazenod College, Victoria. The 18 students are visiting Western Australia to primarily share these celebrations and to confirm the solidarity of the Oblate community in recognition of the College’s achievements and that of the Oblates themselves. Being such a special and important occasion this gesture of hosting fellow students will be reciprocated in the following years - 2017 in Victoria and 2018 in Queensland by the respective Colleges.

Spending 5 nights in the West the schedule begins after they arrive on Friday 20 May and includes group rehearsals at the College over the weekend leading up to a free concert Monday evening and finally departing after the 200th Celebration Mass on Wednesday 25 May. Families of music students would be most appropriate but not necessary. Please, if you are able to assist in hosting and accommodating these wonderful music students from our brother schools and would like to find out more details then e-mail me at alen.nick@mazenod.wa.edu.au or call on 9291 6524.

Mr Nick Allen - Head of Visual and Performing Arts

OBLATE FOOTBALL TOUR REPORT

On 15 April, 34 wide eyed students and 4 staff embarked on the Oblate Football Tour for 2016. The group left bright and early from Perth airport to the football mecca that is Melbourne. The tour took in eight days, with each day offering a new activity that was promoting the Oblate community. This also provided an opportunity to be engrossed in Melbourne football culture.

**Day 1:**
Students boarded the flight and upon arrival checked into Quest apartments in St Kilda. After a training session the group headed into Southbank for dinner and bowling at the Crown Complex.

**Day 2:**
An early morning for training greeted the students before they were offered an opportunity to complete some shopping in the city. There were two big games of football to observe with the first one being at the home of football, the MCG, with Geelong v Essendon putting on the show. The second game for the day was Carlton v Western Bulldogs at Etihad Stadium on Saturday night.

**Day 3:**
Following breakfast the group travelled into Melbourne City to attend Mass at St Patrick’s Cathedral, a wonderful experience for the students. Following Mass it was onto Bulldog’s Bike Tours, led by ‘Joe’ an effervescent character with a wealth of knowledge of the city and its landmarks. The students got a great tour of the city before heading to Etihad Stadium to watch North Melbourne v Fremantle.
Day 4:
Early morning training was followed by the MCG tour and some shopping time in the city. In the evening the students were given an opportunity to eat out at a restaurant of their choice (excluding fast food), another great way to dive into Melbourne culture.

Day 5:
The final training run was held at the Peanut Farm in St Kilda. Following training, the students were taken through the Collingwood Training Facility by ex-Mazenod student and current Collingwood player, Corey Gault. The boys got a great thrill out of seeing the equipment and professional set up of the area as well as catching glimpses of a few AFL players. Following the team meeting, it was early to bed before the battle for the Oblate Cup the following day.

Day 6:
‘Game Day’. The students piled onto the bus, ready to take on CBC Fremantle and Mazenod College Victoria for the Oblate Cup. On the way to the school, there was a brief stop at Waverley Park for a quick look through Hawthorn’s Training Facility. Both games were played in great spirit with excellent displays of sportsmanship and appetite for the contest. The team was able to take home the Oblate Cup with a comprehensive victory over Mazenod Victoria. The students were provided with dinner and a tour of the Mazenod Victoria School, which left them feeling very envious.

Day 7:
After a dip in the ocean for recovery the students attended the Melbourne Sports and Aquatic Centre for some activities including basketball, table tennis and badminton. This was followed by a trip to the St Kilda beach and baths. Another opportunity for the students to recover utilising the cold ocean and the warm spa baths.

Day 8:
After pack up and check out the students donated their remaining food to the Sacred Heart Mission for the Homeless. A nice community service experience, before beginning ‘Tom’s Mystery Tour’. The bus took the group to Werribee Zoo and on safari, giraffe, hippopotamus, lion and zebra were all observed from close range. The group soon boarded the bus and were headed back to the Melbourne Airport to depart and return to Perth.

The tour was a wonderful success with many life long memories shared by all who attended. A big thank you to Mr Beau Hemley for his efforts and organisation of the tour. It certainly would not have been as successful without his hard work. Also to Mr Tim Grabski and Mr Tom Floyd for their efforts. I look forward to sharing some new memories on the next tour in 2018.

Mr Jake Akmens – Sports Coordinator
CONGRATULATIONS to **Paul Stervaggi (Y8)** who was recently selected for Western Australia and took part in the Australian Little Athletics Championships in Adelaide. Paul was one of only 13 boys taken from the state and competed in the 800m and 1500m events. A finishing place of 4\(^{th}\) in the 800m and 6\(^{th}\) in the 1500m was a terrific achievement, well done Paul.

**Reilly Kennedy (Y11)** has been a very busy swimmer over the last few months. He has competed in events here in Perth as well as in Mooloolaba in Queensland and Adelaide. Reilly has collected medals along the way in both state titles and national championships. Some highlights are a silver medal at the Australian National Open Water Championships in Queensland, 3 silver and 5 bronze medals at the state long course championships and 3 personal best times at the Australian Age National Championships in Adelaide. Great work Reilly!

**MAZENOD OLD BOYS FOOTY TIPPING NEWS**

I hope everyone enjoyed the school holidays.

Winners for Rounds 3 and 4 of the competition were **Matt Don (Class of 2004)** and **Fred O’Brien (Class of 1983)** respectively.

While Round 5 had the potential for a number of upsets as it turns out there was only really one and that was reflected in the scoring for the week.

In total we had 23 people pick 8 winners with a further 34 people picking 7. Of the 23 people who picked 8, **Peter Gurry (Class of 1987)** was only 1 point off the margin in Friday night’s thriller between Hawthorn and Adelaide and is this week’s winner of the $50. Congratulations Peter.

With regard to overall standings **Steve Greenwood (Class of 1982)** continues to lead the way after scoring 8 this week taking his total score to 38. **Peter Unicomb** sits outright second on 36 with **Nathan McCracken, Scotty Cummings (Class of 1991), Judy Evans and Debra Whitely** sitting joint third on 35 winners.

- Round 6 starts with a clash of the top two sides **North Melbourne** and the **Western Bulldogs**, should be a great game but the Bulldogs continue to be hard hit with injuries.
- **Melbourne v St Kilda** – Melbourne are showing some real form but they have a history of not performing just when people start believing in them;
- **Adelaide v Fremantle** – The prospects for these sides could not be any further apart;
- **GWS v Hawthorn** – Hawthorn will eventually lose a game as their form isn’t great but they keep on winning and you’d be brave to not pick them;
- **Richmond v Port Adelaide** – Two clubs under enormous pressure which will only increase on the club that loses this contest;
- **Geelong v Gold Coast** – Geelong withstood an opening onslaught from Port Adelaide to win comfortably last week and they don’t lose too many down at Simmonds Stadium;
- **Brisbane v Sydney** – Hard to see anything other than a Sydney win;
- **Carlton v Essendon** – A chance for the Blues to win two in a row and for Essendon to rebuild some credibility after a horrible first half against Collingwood;
- **Eagles v Collingwood** – Collingwood will be looking to build momentum and if this game was to be played in Melbourne you might pick them, but it isn’t.
