Dear Parents

I write this as the staff is involved in the Parent/Teacher meetings. It has been a good opportunity for me to meet some parents with their sons. I thank you all for being a part of this very important day.

Parent/Teacher meetings provide the opportunity for you to gain a fuller understanding of how your son is progressing. I hope that in conversation with teachers you discussed ways that you and the teachers can help your son develop as a learner. I assure you that the staff is available for such discussions throughout the year and not just on days such as today. These meetings help build the relationships which are so important in our community as we realize that we are in partnership in helping our boys achieve to the best of their ability.

Today we will be celebrating a Mass and morning tea for mothers and their boys. I would like to thank Mrs Lima for organizing the Mass and for the Mazza mums for organizing the morning tea.

As we approach Mother’s Day it is also good to think of Mary, the Mother of Jesus. In Catholic tradition, May is traditionally “The Month of Mary”.

Mary is a model for every Christian and not just for women. When we follow the course of her life – from the acceptance of the Word of God at the moment of the Annunciation through the birth, childhood, and public ministry of Christ to her faithful witness at the foot of the cross and her presence in the upper room on the eve of Pentecost – we see Mary as one who lived with the Word of God in faithfulness. As we enter Our Lady’s Chapel in the College it is good for us to turn our minds to this woman who said “Yes” to God; and as she gave birth to Christ in the world, we should ask ourselves how we too can bring Him into our lives and our world.

Next Friday we celebrate the College Mass for St Eugene de Mazenod. I invite you to join us for this College celebration. We are honoured to welcome as a guest of the College the Executive Director of Catholic Education in Western Australia, Dr Tim McDonald. So please join us and stay for the morning tea.

Next Tuesday evening there will be a P&F General Meeting at 7.30pm in the Board Room in the Administration Building. You are welcome to attend this meeting.

A final thought:

“At times our own light goes out and is rekindled by a spark from another person. Each of us has cause to think with deep gratitude of those who have lighted the flame within us.” Albert Schweitzer

Father Peter Daly OMI (Rector)
PICK UP and DROP OFF

The Administration car park gets very congested, particularly in the afternoon. If you are picking up or dropping off from the main car park you are asked to pull as far forward toward the Uniform Shop as possible — especially if you arrive early. Parents are asked not to leave their car in the drop off area while they are going into the Administration building during peak times. If you can use an alternative location, such as behind the gym in Kershaw Avenue, or arrive a little later it would help alleviate some of the congestion. Your assistance in keeping our boys safe would be greatly appreciated.

ARTS WEEK - Monday 26th May to Friday 30th May

The Visual and Performing Arts Department is looking forward to celebrating all that is the arts at Mazenod College during Arts Week. Offering career talks, workshops, presentations, open rehearsals, exhibitions and reflections from professionals in the industry, we are hoping to provide inspiration to all our creative students to look at continuing to pursue their artistic passions, at any level, outside of the College. With events being held in the evening and during the school day, this is a wonderful opportunity for students and parents alike to discover aspects of the creative arts area that they may not have known.

Please keep an eye on future Newsletters and College notices with regards to the Arts Week programme so that you do not miss out on this fantastic opportunity.

Arts Week Fact #1: Did you know that Shakespeare invented over 1500 words, including the prefix ‘un’? Isn’t that UNbelievable?!?
Arts Week Fact #2: Vincent van Gogh, the famous painter, only ever sold one painting in his lifetime, and died poor. He only became famous AFTER his death. He also cut off his own ear lobe. YUCK!
Arts Week Fact #3: NONE of The Beatles could read sheet music!
Arts Week Fact #4: Ancient Greek audiences would stamp their feet, rather than clap their hands, to applaud.
Arts Week Fact #5: Mozart was composing music by the age of 6, and by 14 he had composed his first full length opera.

YEAR 10 NEWS

WHEELCHAIRS FOR KIDS

Please continue to support the Year 10 cohort in their fundraising efforts for Wheelchairs for Kids which is a voluntary group that manufactures wheelchairs for disabled children throughout the world. We ask that all students collect aluminum cans from home or community groups such as sports clubs and bring the cans to school throughout the course of the year. The cans are taken for recycling and the money we receive from the recycling company is donated to Wheelchairs for Kids. If you bring your collection of cans to Mr. Frank, he will reward you with House points that will go towards the Wheelchairs for Kids Mazenod Trophy competition. There is a short video about Wheelchairs for Kids on the Year 10 Sharepoint page if you would like to learn more.

Mazenod V Mandurah Catholic College – Wednesday 7th May

The Mazenod 1st XVIII Football team started the SportsReady Cup Cable Division Competition with a hard fought win against a strong Mandurah Catholic College team. In torrential conditions, with relentless rain and a strong wind, the team started well and got the jump on the opposition. Thomas Amos gave the midfield of Thomas O’Brien, Daniel McKay and Mitchell Smoothy first use of the ball, and Giles Dent, Jake Vaughan and Blair Southcott looked dangerous inside 50. James Kirwan and Campbell McNeil were crafty on the wing, and Sachin Barr, Ethan Fagnani and Brandon Chatwin hit the contest hard. The back 6 of Andrew Doyle, Jakob Kerr, Jayden Watson, Blake Norrie, Riley Tanner and Nick Reithmuller were outstanding and provided strong rebound from defence. At half time the scores were level with Mazenod kicking 1 goal 6 to Mandurah’s accurate 2 goals straight.

Sheldon Ward, Rupert McDonald, Kale Eldridge and Baylee James all provided run and aggression at the football in the second half, and goals to Thomas O’Brien and Blair Southcott had Mazenod up by 6 points with about 2 minutes remaining. Continued rebound from Giles Dent, Sheldon Ward and Sachin Barr from the backline and an open forward line created an opportunity with 30 seconds left, and Riley Mars kicked the sealer after a dashing run from the centre.

Final Score Mazenod 4.9.33 def Mandurah 3.3.21

It was a balanced effort by all the team. Everyone played for each other and the College with discipline, courage and skill. A big challenge awaits the team in Round 2 next week, with Mazenod hosting Clontarf here at the College on Wednesday. Bounce down is at 4pm. Thanks to all the staff and family that came along to support the team. Hope to see you all and more next week.

Darling Range V Mazenod – Wednesday 7th May

In what some are calling apocalyptic conditions, the mighty 2nd XVIII played their first fixture of the 2014 SportsReady Cup for 2014 on Wednesday 7th May at Darling Range Sports College. The team comprised of boys in Years 10-12, some of whom represented the College for the first time whilst others were pushing for selection in the 1st XVIII side.

Following some late withdrawals from the side due to injury and illness, the challenge was set to the team who would commence the game with 19 players against a Darling Range outfit boasting an extended bench in comparison. Putting community football rivalries to test in an inter school fixture was clearly evident from the first bounce. In what some are comparing to an upcoming fixture between Mazenod JFC and High Wycombe JFC as Chris Hegarty fed Kane Switchenbank his first clearance of the day against a midfield group straight out of High Wycombe.

In extremely tough marking conditions, the game style changed to a kick at all costs affair making it unpredictable and difficult for forwards to read the play. Thanks to some mastery from Cooper Carrington, Mazenod’s crumbing brigade was amongst the action early applying some solid scoreboard pressure. The elite skills of Darling Range shone through, however, putting on 3 majors prior to the half time break.

The instruction at half time for the Mazenod outfit was to create numerous stoppages and prevent Darling Range and their clearance ability. Dylan Huntley was sublime in this role, and on occasion applying 2-3 tackles in a phase of play. This epitomised the effort of the Mazenod backline also who fought hard through the teeming rain. Jack Amos, in a new role at centre half back, looked at home in diffusing forward entries and no doubt will be happy with his performance. A very gallant performance by the Mazenod boys seeing them kick an early major as well as dominating the forward half play wasn’t enough to counter the Darling Range team’s application falling 7 points short. Better players on the day were; Chris Hegarty, Dylan Huntley, Kane Switchenbank, Jack Amos, Cooper Carrington, Lachlan Warlow and Sam Hobbs.

Next week, the Mazenod boys will be taking on Kelmscott SHS on Wednesday 14th May at John Dunne Oval beginning at 4pm. Spectators are most welcome!

**MAZENOD FOOTY TIPPING ROUND SEVEN RESULTS**

Round seven did appear to many to be an easy round to tip with nineteen of you deciding to use a wildcard this week. As has been the case of late several unlikely winners came out on top to defeat their highly fancied opposition.

Congratulations to Bucksquad who tipped eight winners this round with the closest margin for the Friday night win by my Pies. Bucksquad has won the $60.00 weekly prize money – his second weekly win this season.

Choosing to use her last wildcard this week we see Lib race to 63 points in first position on our competition leader board. The Footy Champ sits in second position on 54 points, Mo-Mo is in third position on 53 points, Hosie J is in fourth position on 52 points with Alno and Springers in equal fifth position on 51 points.

With the BYE rounds starting next weekend there will only be six games played each week during rounds eight, nine and ten. It may be wise to hold onto any remaining wildcards until after these shortened rounds in order to maximise your double points earning capacity.

As promised last week I have started a new KnockOut competition, with $150.00 separate prize money at stake and everyone now able to re-join. Remember you need to select two definite WINNERS each week. One round must pass before you can pick the same team and one round must pass before you can pick against the same team.

**Please remember to lodge your tips this week by the round eight cut-off time of 5.40pm WST this Friday 9th May.**

Have a great weekend and Happy Tipping. Go Pies!!
