Dear Parents

After nine months of consultation with staff, parents, students and the College Board, Mazenod College is proud to officially launch our strategic plan for 2016-2020. The strategic plan outlines our collective ambition as we take the initial steps of moving into the next 50 years of the life of the College. The plan articulates our mission, core values, vision and College promises. The plan also presents our strategic priorities which are focused on giving life to our mission and strengthening our foundations.

In formulating this strategic plan, we have undertaken a collaborative and inclusive process to assess how well we are going as a school, identified emerging challenges and examined new trends likely to be faced in the future.

Our strategic priorities are organised around five core elements;

**Faith and Stewardship** – meeting the challenge of stewardship of our faith, people and future. We challenge all members of the community to continue the Mazenod story. We are charged with the responsibility to nurture the charism and Oblate traditions and integrate them into the formation of young Christian men.

**Excellence** – meeting the challenge of developing people and striving for personal best. St Eugene demanded excellence of himself and those with whom he worked. Our mission requires a commitment to learning and perseverance if we are to achieve our personal best.

**Passion and Courage** – meeting the challenge of leaving nothing undared. In espousing daring, St Eugene de Mazenod challenged his followers to burn with the same courage and zeal that was the driving force in his own life. We aim to inspire our boys to be courageous and enthusiastic in all their endeavours and to develop resiliency in their quest for excellence.

**Compassion and Charity** – meeting the challenge of service to others. Performing good deeds motivated by love was extremely important to St Eugene. We aim to provide opportunities for the boys to adopt an attitude of service and self-giving, and to foster an environment where they go forward to make a difference in the world as authentic Christian leaders.

**Community** – meeting the challenge of remaining strong and connected. We aim to develop a sense of belonging and connection with all members of the community, and to promote an environment that allows boys to belong, to form friendships with their peers and establish professional relationships with staff.

At the heart of our strategic plan is a commitment to build upon our strong foundations. As we look forward to the next five years, we aspire to ensure that all members of the community are challenged to leave nothing undared for the kingdom of God as we dare to strive for personal best in all that we do. The strategic plan can be accessed on the College website and I encourage all members of the community to peruse the document.

Tomorrow night represents the second major function of the year to celebrate our 50th anniversary with an Old Boys reunion dinner. Planning for the evening has been in place for 12 months and on behalf of the Mazenod community, I thank the president of the Old Boys association, Mr Leo Conti, school liaison officer, Mr Jeremy Logan and all members of the committee who have worked tirelessly to ensure that the evening is a tremendous celebration of the history of the College. I will provide more detail of the evening in the next Newsletter.

This Sunday, 8 May represents the 50th anniversary of the official opening of Mazenod College by Bishop McKeon in 1966. Sadly we recently learnt that Bishop McKeon passed away at the age of 97 on May 2. His name appears on our foundation stone.

Finally, a reflection;

“Charity for our neighbours is an essential part of our spirit – we practice it firstly amongst us by loving each other as brothers”. St Eugene de Mazenod.

Mr John Payne (Principal)

BILLETING FAMILIES REQUIRED

Celebrating our 50th year of the College, together with the 200th Anniversary for the foundation of the Oblates of Mary Immaculate at a Mass on the 25 May, we are seeking interested families that could assist in accommodating 18 senior music students from our ‘brother’ schools in Iona College, Queensland and Mazenod College, Victoria. The 18 students are visiting Western Australia to primarily share these celebrations and to confirm the solidarity of the Oblate community in recognition of the College’s achievements and that of the Oblates themselves. Being such a special and important occasion this gesture of hosting fellow students will be reciprocated in the following years - 2017 in Victoria and 2018 in Queensland by the respective Colleges.

Spending 5 nights in the West the schedule begins after they arrive on Friday 20 May and includes group rehearsals at the College over the weekend leading up to a free concert on Monday evening and finally departing after the 200th Celebration Mass on Wednesday 25 May. Families of music students would be most appropriate but not necessary. Please, if you are able to assist in hosting and accommodating these wonderful music students from our brother schools and would like to find out more details then e-mail me at allen.nick@mazenod.wa.edu.au or call on 9291 6524. **Mr Nick Allen - Head of Visual and Performing Arts**

At 15 Jade had the world at her feet. She was a medal-winning, aspiring young athlete with Olympic dreams. She had ambition, a loving family and countless friends. At 16 Jade decided to go to a rave party not knowing this would change her life and take her down the destructive path of the drug scene. At 18, Jade was hopelessly addicted to heroin and on a downward spiral. By the Grace of God, Jade found freedom from drug addiction at 22.

Jade Lewis, along with her husband Tristan, has since dedicated her life helping people of all ages, walks of life and professions to make changes to their own lives. Through her seminars and presentations she has motivated multiple thousands of school students around Australia, educated parents, inspired business groups and successful leaders with her incredible story and positive attitude to live a life of freedom and success.

Jade Lewis has been invited to present to any interested parents on **Wednesday 18 May 7pm** in the Mazenod Performing Arts Centre. Jade will be delivering a student presentation to the Year 11 students during the day and will follow up with an evening presentation for parents entitled ‘Under Your Influence.’

The aim of the presentation is to provide advice and guidance to assist parenting teenagers into a drug and alcohol problem free life.

**The seminar conducted by Jade, talks through 5 key strategies:**
- Connect: Creating a good parent-teenager relationship.
- Prevent: Talking with teenagers about drugs and alcohol.
- Intervene: What if my teenager is using drugs and alcohol?
- Treat: What if my teenager keeps using drugs?

**The seminar addresses topics such as:**
- Understanding teenagers
- Being a positive role model
- Opening lines of communication
- How to communicate your concerns
- Teaching teenagers they have the right to say NO
- Why do teenagers use drugs
- High school parties
- Teaching teenagers responsibility
- When and where to get help
- Types of treatment available

First 18 Football Team Start Schoolboys Competition with Hard Fought Victory

On Wednesday the Senior Football First 18 travelled to the Swan Valley to compete against Governor Stirling in Round 1 of the Cable Division of the Schoolboys Football competition. After a long preseason, the team were excited about starting the inter school competition.

Always a formidable opponent, the Governor Stirling side got the jump on Mazenod in the early stages of the first half. The Mazenod team responded with a fierce approach to the contest, and some great tackling and pressure. Baylee James, Anthony Paini and Braden Jupp were providing great run and skill through the midfield, and goals to Lane Sedgwick, Jack Trevenen and Jaxon Lombardini kept Mazenod close, but they trailed by 3 points at half time.

After the break, Mazenod started stronger and kicked the first 2 goals of the second half, with Luke Henderson and Kieran Cork hitting the scoreboard. The back six were outstanding in repelling the Governor Stirling attack, with Harry Carpenter, Nik Edmonds, Kyle Sermon and Ryan Steers combining well. The only Year 10 student in the team Luke English, had an immediate impact on the wing, and his work rate was exceptional.

Governor Stirling threw everything at Mazenod in the final minutes of the game, but the boys in blue were able to hang on for a 9 point victory.

Final Score: Mazenod 5.3.33 defeated Governor Stirling 3.6.24

Our next game is here at Mazenod next Wednesday 11 May starting at 4:00pm against Sacred Heart College. I encourage all members of the Mazenod community to come along and support the team.

Last Friday the annual Mazenod Cross Country Carnival took place. The gruelling 5km course challenged even the strongest runners. There were some outstanding performances from students across all age groups, and it was great to see the excellent participation rate. Congratulations to GAVIN who were this year winners! Well done also to TEMPIER (92.4%) who won the participation competition, closely followed by CEBULA (92.1%), for having the highest percentage of their House members take part in the race.

Thank you to all the wonderful Mazenod staff for their assistance to ensure the smooth running of the carnival, and to the large number of parents who came along to watch the race.

MAZENOD COLLEGE INTERMEDIATE SOCCER REPORT

The Mazenod College Intermediate soccer team opened the Champion Schools Football Cup season travelling to play an away game against local rivals Thornlie Christian College. The game was a very tight affair at the beginning with both teams having several opportunities but were denied by fantastic goalkeeping and the woodwork. Mazenod eventually got the break through scoring 2 very well set up goals. But Thornlie quickly replied with 2 quick goals of its own, but Mazenod added I more before the half time break heading into half time leading 4-2. The second half was totally dominated by Mazenod who controlled and moved the ball and had several opportunities eventually scoring the only goal of the half after peppering the Thornlie goal for the entire 30 minutes, with Mazenod closing out the game convincing winners 5-2. The win was a fantastic start to a tournament group that is going to be very tight and there were a lot of positives to take away. Jame Draper and Oisin Allen were very influential in the midfield and set up a lot of the attacking plays during the game. Luke Della Posta was clinical in front of goal scoring 2 goals. Takunda Matikiti and Hirithik Narayan were very solid in defence and Sam Jebb made some fantastic saves in goal. The next game of the tournament is against the Carmel Christian College at Mazenod.

MAZENOD OLD BOYS FOOTY TIPPING NEWS

There were two or three games that really had people unsure which way to go in Round 6.

As it turns out we had one tipster who lived up to his alias (The Champ) and picked 9 winners. Congratulations Joe Gangemi (Class of 1989). We had 7 people pick 8 winners and a further 24 people pick 7.

With regard to overall standings Steve Greenwood (Class of 1982) continues to lead the way but had his lead cut to one after scoring 6 this week taking his total score to 44. Peter Unicomb sits outright second on 43 with Nathan McCracken and Judy Evans sitting joint third on 42 winners.

Round 7 starts as usual on Friday night with Richmond taking on Hawthorn – To say Richmond have been disappointing is an understatement and they’ll be running into a Hawthorn team smarting from their loss to GWS. it could get ugly;

Collingwood v Carlton – A traditional blockbuster if you were following footy in the 70’s and 80’s, these days it’s two sides struggling for relevance;

Geelong v Eagles – Can the Eagles be competitive away from home against a decent side, recent form says no;

Sydney v Essendon – While Sydney struggled to beat Brisbane they should win this game easily and might even give a few of their stars a rest;

Gold Coast v Melbourne – Both sides looking to rebound after disappointing losses in Round 5, home ground advantage might be decisive but a real 50:50 game;

Western Bulldogs v Adelaide – Another cracking game in store that is too close to call;

Fremantle v GWS – GWS are a bit like the Eagles, they struggle to win away from home, but it’s unlikely they’ll ever play a Fremantle team in as much strife as this one;

St Kilda v North Melbourne – It’s hard to see anything other than a North Melbourne win but they’ll be made to earn it by a very hard working St Kilda side;

Port Adelaide v Brisbane – Brisbane really took it up to Sydney last week and Port have a few injuries but should win at home.

CCI SchoolCare
24 Hour policy

Important information about accident protection for students

Dear Parent,

Unfortunately, accidents involving students happen. To assist parents with costs associated with accidents, we have SchoolCare insurance provided by Catholic Church Insurance Limited (CCI). SchoolCare is a student accident insurance policy, providing protection to all students attending our school.

Our school is covered by a 24 Hour policy. This includes worldwide accidental injury cover 24 hours a day, 365 days a year and provides lump sum benefits under Section 1 of the policy. Non-Medicare medical expenses are only payable in relation to activities such as:

- Attending school
- Engaging in a sporting activity
- A secondary student undertaking a work experience program
- Voluntary services to a religious, charitable, educational or benevolent organisation
- Youth activities organised by a voluntary association such as guides or scouts or
- Travelling to, or from, the above activities.

Our policy covers three important areas of care and any one accident may be claimable under one or more of these areas.

Cover includes:

1. Up to $7,500 inclusive per accident for medical costs (excluding any Medicare expenses or the Medicare Gap) from the following registered medical practitioners:

   - Dentist
   - Chiropractor
- Osteopath
- Physiotherapist
- Remedial massage
- Podiatry
- Acupuncture
- Costs from a chemist, and
- Hospital accommodation and facility fees.

Please note: Federal health legislation in Australia prohibits CCI from covering the cost associated with:

- any medical service for which a Medicare benefit is payable,
- the Medicare Gap, or
- any hospital treatment or other benefit unless the cost arises from an injury while taking part in certain activities, such as:
  - attending school
  - engaging in a sporting activity
  - a secondary student undertaking a work experience program
  - voluntary services to a religious, charitable, educational or benevolent organisation
  - youth activities organised by a voluntary association such as guides or scouts or
  - travelling to or from the above activities.

2. Fixed amounts for defined events. For example, when a student accidentally receives a fracture of the hand, the policy will pay a fixed amount of $250.

For information regarding all defined events covered under the policy and the fixed amount payable, please call the SchoolCare Helpline: 1300 138 498

3. Other benefits related to the injury sustained, including:

- Emergency transport resulting from an accidental injury
- Home tuition
- Hospital inconvenience allowance
- Nursing allowance
- Professional counselling fees and
• Assistance with payment of school fees in the event of the accidental death of a parent or guardian.

These are all limited to specific amounts per accident. These amounts are detailed in the table of benefits contained in the policy, and are subject to the policy wording, terms, conditions and exclusions.

If you have any queries regarding this cover, please contact the CCI SchoolCare Helpline: 1300 138 498 or visit the dedicated website, www.ccinsurance.org.au/schoolcare
