Dear Parents

It was remiss of me not to mention in last week’s Newsletter the P & F meeting and the extra-ordinary meeting. It was a lovely evening, with much discussion mixed with laughter. I thank Mrs Joel Nevin for chairing both meetings and for facilitating the election of office bearers for the P & F Committee. I thank the following for accepting their being nominated and duly elected –

- President: Mrs Helen Keogh (Year 11 mum)
- Vice-President: Mr Tony Checker (Year 9 dad)
- Treasurer: Mrs Joel Nevin (Years 7, 8 and 10 mum)
- Secretary: Ms Michelle Wynn (Year 11 mum).

I know that you will give these generous parents your support.

I would also like to thank Mr Mal Johnson and the Science staff for hosting the Annual Science Teachers Association of Western Australia conference at the College over last weekend. It was a great event for Mazenod as over 200 people attended over the two days. The performance of the Science staff gives an insight in the professionalism of all staff in the College. In the end, our gauge for being able to acknowledge the staff is that they are motivated to do what is best for the boys and their education. I thank them.

As the interviews for the 2016 cohort conclude next week, I remind you that the 2017 applications are well and truly due. Each year we receive more applications than we have places available. To give each person the opportunity we have attempted to interview all who have applied, after which a selection panel makes recommendations as to which boys will be invited to attend Mazenod. Unfortunately many will miss out so it is important when applying to provide the College with all the required information to help us make an informed decision when inviting people into this community. If you have any questions please contact me at the College.

Since the start of the year the College Leadership Team, in conjunction with staff and other authorities, has been reviewing, and in many cases, rewriting the almost 60 policies and procedures of the College. Recent legislative changes have made this a high priority particularly when it comes to Governance and Compliance for the good running of the College. It is not exciting but necessary work for the College.

Plans are progressing for some of the landscaping and redevelopment work in the College. Works should start early next month.

Next week we celebrate Arts Week in the College. There will be workshops and performances throughout the week to highlight the importance of the Arts for all of us. I thank Mr Nick Allen and his Department for this initiative.

A final thought: Five great enemies of peace inhabit us: Avarice, ambition, envy, anger and pride.

MAZENOD HOSTS THE CONFERENCE OF THE SCIENCE TEACHERS ASSOCIATION OF WA

For the second year we have been most fortunate to host this wonderful event. As part of the conference we had some 210 people attend for various events on the Friday and Saturday. The keynote addresses by Professor Mark Hackling (ECU) on STEM education and by Professor Garry Lee (UWA) on the chemistry of chocolate were very informative and enjoyable.

On the Saturday we had some 30 workshops by a range of presenters from various sectors. There were jackets made from wine, a Special Relativity workshop by Professor Igor Bray (Curtin), a room full of stuffed animals, rockets launching and a wide range of activities focused on engaging learning.

Many of the science staff are active and contributing members of STAWA. The benefits of a professional association in helping teachers to improve the learning in the laboratory cannot be underestimated. I thank Geoff Lewis for his leadership as STAWA President and the many College staff that made this conference a huge success. A personal thank you must go to the staff band for the entertainment they provided on the Saturday evening.

YEAR 10 NEWS

Youth Civics Leadership Day

On Monday the 12th of May, Year 10 students Jess Cunnold and Mitchell Fernando attended the Law Society of Western Australia’s “Youth Civics Leadership Day.” The day consisted of a human rights and leadership workshop, meeting with young lawyers including Mazenod Old Boy, Matthew Keogh (Class of 1998), as well as the Chief Justice of Western Australia, Wayne Stewart and Australian Paralympian, Priya Cooper. The students interacted with other students of metropolitan and regional schools coming from as far south as Mandurah and as far east as York.

We would like to thank the Law Society of Western Australia and Mazenod College for giving us the opportunity to attend this day.

**YEAR 8/9 EAGLES SCHOOLBOYS CUP**

**Game 1: Mazenod vs Lesmurdie**

The first game of the Year 8/9 Eagles Schoolboys Cup was played on Tuesday, 20th May in an ‘almost’ home fixture. It was billed as a grudge match between the two local Lesmurdie rivals - Mazenod and Lesmurdie Senior High School. The game started in fine style with good skills being used by the Mazenod boys and some excellent team work on display. The boys were first to the ball and made use of some extra height particularly in the ruck to take advantage on the scoreboard. Goals were hard to come by early with some good efforts from Luke English and Josh Blair up forward along with the midfield grunt of Jaxon Lombardini, Joel Curtis and Adam Disisto. The game was starting to turn strongly in Mazenod’s favour with the score starting to blow out; it read Mazenod 7 goals 3 point to Lesmurdie 1 point at halftime. With the game seemingly ‘in hand’ it was a battle for the coaches to ensure everyone had the chance to get some solid game time with the bench rotations happening frequently.

The second half saw a few positional changes and Mazenod applying more pressure around the ground to ensure the win. Maverick Hamilton and Josh Harris were performing admirably through the midfield and Michael Garfield was dominating the ruck, which gave the forwards of Matt Russo and Jaxon Lombardini the ability to hit the scoreboard with relative ease. A fantastic performance from our defense lead by Ryan Steers, Kyle Sermon and Brayden Fairhead kept Lesmurdie goalless for the game - an outstanding effort.

The final result was a handsome victory of 91 points, Mazenod 14 goals 9 points to Lesmurdie 2 points. Well done to all players and lets maintain our focus for the next game, a home fixture against Darling Range next Tuesday afternoon.

Mr Jake Akmens
Round 2 Match Report

In near perfect conditions for football, the 2nd XVIII took to John Dunne Reserve in Kelmscott in their Round 2 match against Kelmscott Senior High School. Following a far from ideal lead up with many players falling ill or becoming injured, a host of students made their senior debut; Kieran Cork, Lachlan Huntley, Jack Trevenen, Daniel Clare, Jason Peebles, Mario Leeder and Tristan Wasmann.

It was an excellent clearance structure led by Kayne Swithenbank, Lachlan Huntley, Mario Leeder and Jack Amos, which enabled Jack Trevenen to mark on the half forward. He then executed an accurate pass to the powerful lead up forward in Mitchell Delle Coste who went back and kicked truly from 55m. This was declared a true captain’s goal epitomising the coaches instruction for a fast start. Further goals in the first half went to Jono Neves, Kieran Cork and Lachlan Huntley. Kelmscott then quelled the run of goals with some great ruck work resulting in consecutive inside 50’s and clean shots on goal. The Mazenod backline consisting of Daniel Clare, Kayne Williams, Brenton Lucas, Leigh Dal Busco, Tristan Wasmann, Mason McGrail and Ben Kerrigan were as busy as a bricklayer with one arm due to the constant barrage of Kelmscott forward entries. In what can only be referred to as “bees to a honeypot” the Mazenod team was urged at half time to reduce the numbers of players at each contest and be more consistent with the full ground ball movement. In addition to this, the playing group were encouraged to maintain their excellent pressure on the opposing team throughout the second half as this would assist in their attempt to win the game.

The second half was a see-saw event with the two teams trading goals. At the 10 minute mark, Kayne Swithenbank and Jack Trevenen took control of the game and rebounced well piling pressure on the Kelmscott defence. A goal was scored by Will Harvey in the dying minutes and with less than a minute to go, the best on ground performance by Kieran Cork was cemented with a goal out of the stoppage to put Mazenod 5 points ahead. In a post-match interview, Mitchell Delle Coste identified the covalent bonding between the players as an integral reason behind the win.

The final score: Mazenod 9.5 (59) def Kelmscott 8.4 (52). Better players on the day were: Kieran Cork, Lachlan Huntley, Jack Trevenen, Mason McGrail, Lachlan Warlow and Kayne Swithenbank.

SOCCER MATCH REPORTS

Kalamunda 0 Mazenod 1

The Senior Soccer “B” team got off to a winning start with a hard fought 1-0 victory against a solid Kalamunda outfit. A defence consisting of Noah Roderick-Smith, Nic Parry, Nick Dunsire, Joe Romeo and Mason Langham were outstanding, repelling several attacks from a lively Kalamunda forward line. Greg Laycock worked tirelessly up front and created some good chances.

The even contest was settled with a single goal from Giles Dent, who beat the keeper with a composed finish, nestling the ball in the bottom left hand corner. Jack Van Hyum was brilliant in goal, saving the team on several occasions with some quality acrobatics between the sticks. Well done to all the boys.

SOCCER MATCH REPORTS (cont’d)

Guildford Grammar School 1 Mazenod College 3

Second-half goals from Daniel Twamley and Jordan Fresher saw the Mazenod College Senior Soccer A team continue their winning ways with a 3-1 win at Guildford Grammar School.

Chances came and went in the first half. Year 10s: Tom Jebb and Tom Pope involved heavily, despite dominating majority of the first half of the game and playing through a patch of heavy rainfall, no goals were scored causing a scoreless draw at the break.

The game swung into our favour after the break, with the introduction of William Johnson, Paolo Colombo and Jack Guy.

We gained the lead through a set piece corner from the right side struck by Paolo Colombo, which slipped through the wet gloves of the Guildford Grammar School number one to fall on the goal line allowing Daniel Twamley to take the lead from a short distance.

The equalizer came shortly after a shot fired home by Guildford Grammar School following a previous shot had been saved by Michael Swallop.

With ten minutes remaining, Jordan Fresher scored a brace resulting in a second successive win for the Mazenod College Senior A team; a ball played across the face of goal was placed low back across the keeper. Secondly, a fantastic volley struck on his right foot low into the bottom right corner brought the game to an end in superior and positive fashion.

Quality performances from all players are to be commended and thank you granted to Mr Whalley and Mr Devon.

Harrison Gerhardy 11B – Grandin

Mazza Footy Tipping Round Nine Results

Another round another upset or two!!

With only six games played again in round nine we still couldn’t find a tipper able to select a “clean sweep”. Thursday night’s win to the Crows against my Pies and the huge upset win to the Demons against the highly fancied Tigers saw many tippers come unstuck with the average score for the round a lowly three.

Congratulations to Maccs our round nine winner who takes home the $60.00 weekly prize money for selecting five winning tips and the closest margin for the Thursday night game.

Lib still sits on top of our competition leader board on 70 points with Hosie J moving into second position on 63 points, The Footy Champ in third position on 62 points, Mo-Mo in fourth on 60 points and Aino and Springers in equal fifth position on 59 points.

In only the second round of our current KnockOut competition we lost a total of 38 tippers in round nine leaving only 8 tippers surviving to make KnockOut selections again in round ten. That’s a total of seventy-two tippers knocked out in only two rounds!! It’s certainly getting exciting very early on for those left in the KnockOut.

With the last of the BYE rounds this coming weekend, please remember to lodge your tips by the round ten cut-off time of 5.40pm WST this Friday 23rd May.

Have a great weekend and Happy Tipping. Go Pies!!

MAZENOD MISSION DAY
[Friday 15th August]

Dear Parents/Guardians

On the 15th August the College will be running a whole school, whole day, fundraising event that embodies the values of St Eugene de Mazenod. The event will celebrate the uniqueness of the Mazenod Oblate Community, encourage student leadership and develop ‘House Spirit’ at the College. Furthermore, promoting student awareness about the plight of others both in their local areas and worldwide.

The aim of the campaign this year is to raise sufficient funds to assist the Oblate Missions in China and India to help improve access to Education, Health Services and improving the equality of women in their local communities.

The College also wants students to develop greater awareness of the Oblates who are represented in our College House groups. Joseph Cebula, Charles Albin, Felix Gavin, Joseph Gerard, Henri Tempier and Vital Grandin. It is hoped that the Mazenod College Mission day will promote House Spirit and will engage the students to recognise the sacrifices that their House founders made to help those less fortunate.

On the day [Friday 15th August] there will be a number of stalls [games, activities, food outlets etc] set up around the College that have been organised by the students. The students will be encouraged to bring money to spend at the various stalls on the day; the College recommends $10 - $15 per student. The College encourages that this money should be the student’s personal contribution to the fundraising effort. As well as the fun activity stalls, there will be several stalls selling food and drink available for purchase on the day.

The day will culminate in the students and staff participating in “Mission Games” that are designed to emulate the day to day life of a person living in a Chinese or Indian Oblate Mission. Donation envelopes will be distributed to all families in the coming weeks. The College is grateful for family support of the Mazenod Mission Day through donations of equipment and goods or a general donation of $25 would be greatly appreciated. Both of these donation preferences are indicated on the donation envelope. Please note that the envelope needs to be returned to the College by Monday 25th August.

Mazenod Mission Day is a compulsory College event. If any student is unable to attend on the day the College will need to be notified prior to the event.

We are confident that the College community will again unite and generously support this worthwhile cause.

If you have any further questions regarding the Mazenod College Mission Day please contact your son’s Head of Year.

Yours sincerely,

WORK EXPERIENCE REQUEST!!
This is just a quick request to see if any parents or members of the Mazenod community might be able to offer work experience to a Year 11 or 12 student in June.

We have both our Year 11 and 12 Workplace Learning students heading out for two weeks (9 working days) of work experience starting Tuesday 3rd of June and a few boys have found it very hard to locate work experience.

At this stage some of these boys will take anything but in particular placements in the electrical trades, landscaping, automotive mechanical and metalwork.

Also I would LOVE to hear from you if you could provide work experience in the business administration, graphic design, IT, digital design or website design fields.

YEAR 10 CAREERS CAROUSEL
Do you have an interesting career journey that you would like to share with our Year 10 students? The annual Careers Carousel is on again on June 26th. The carousel takes place in the College gym and involves presenters telling their story to small groups of Year 10 students (about 10 students every 8 minutes) who rotate around listening to wide range of presenters.

If you would like to find out more please contact me at the College.
