Dear Parents

On May 21st we celebrate the feast of our Founder, St Eugene de Mazenod. A College Mass will be held in the gymnasium on Wednesday 25th to celebrate the event. St Eugene died at the age of 79 on May 21 in 1861 having lead the formation of the Missionary Oblates of Mary Immaculate for 45 years since their inception in 1816. There are now over 4000 Oblates working in 68 countries in every continent. In Australia, the Oblates of Mary Immaculate minister in 10 parishes, 3 Colleges and a number of other Pastoral Ministries such as ‘Rosies’ in Melbourne and Brisbane. In December 2015, I was fortunate to visit the Sri Lankan Province to witness the work of the Oblates in this area. I wish to share with you reflections from Fr Clement Waidyasekara OMI, a former Provincial of the Colombo Province, on the Feast Day of St Eugene de Mazenod;

“Saint Eugene de Mazenod was born to a noble and aristocratic family. His spiritual experience on Good Friday in 1807 made him decide to enter the seminary to become the priest of the poor. The situation of the Church, just after the French Revolution, was pitiful. Many had abandoned the Church especially the poor. The lives of the clergy had made the situation worse. Eugene de Mazenod strongly felt that “the people caught up in crass ignorance of all that pertains to their salvation” had to be cared for, and to accomplish that end, he knew that two tasks were essential, namely to preach the Word of God to the poor and devote oneself to reforming the clergy. He told the Oblates; “if you wish to win souls for God, without taking much trouble to be men of interior life, truly apostolic men, I think it would not be difficult to replace you.” He wanted fervent men, filled with zeal prepared to give up everything without reserve, men who were zealous for the glory of God, men with an ardent love for the Church and the salvation of people.

The Oblate missionary vision means that each Oblate as an apostolic man should preach to the poor in such a way that the poor will be brought to full consciousness of their dignity as human beings and sons and daughters of God. Eugene wanted men, who like himself, were men of dreams and great desires, men who would leave nothing undared to extend the Kingdom of Jesus Christ.

In this process of missionary endeavour, the Oblates consider themselves not as social workers but as animators who promote integral growth and holistic well-being of the people.”

As outlined in our strategic plan, “compassion and charity” is one of the five strategic priorities for the College. On his deathbed, Eugene de Mazenod urged his Oblate fathers; “amongst yourselves practise charity, charity, charity and abroad, zeal for the salvation of souls.” Performing good deeds motivated by love was extremely important to Eugene de Mazenod. As part of our strategic priority, we aim to provide opportunities for the boys to adopt an attitude of service learning and self-giving. We also want to develop our students to make a difference in the world as authentic Christian leaders.

We have three strategies to achieve these goals;

- Develop a service learning programme that operates across year groups
- Increase the number of opportunities for all members of the school community to demonstrate compassion and service for those in need in the community
- To provide staff and students with immersion experiences in other Oblate schools and parishes.

Finally, a reflection;

Eugene de Mazenod allowed the grace of God to bear rich fruit in his life. That required a certain amount of flexibility as well as courage to face the problems every growing group encounters. We look to saints like Eugene de Mazenod not to borrow their courage and zeal but, with God’s grace to discover our own. (Saint of the Day; by Leonard Foley O.F.M)

DROPPING OFF AND COLLECTING STUDENTS FROM SCHOOL

NO PARKING ON THE VERGE

The Drop Off area in the Administration car park becomes very congested with some cars having to queue on the road waiting for access. In order to alleviate this problem, parents are asked to drive as far forward as possible in the Drop Off area, even if it means an extra 10m walk for their son (it will do them good!). Please make the drop off as quickly and safely as possible. Parents are also asked not to park in the Drop Off area if they need to visit the College office.

Please use either Pindari or Kershaw Road when picking up in the afternoon – using the marked parking bays where possible.

NEWS FROM THE CAREERS DEPARTMENT

The Year 10 students, with subject selection just around the corner, have commenced their career development lessons. The boys have started looking at their personal qualities and assessing their skills. The aim is to have the boys evaluate their own skills and interests in order to make informed decisions about their futures. They will have a booklet to complete over the next four weeks. The booklet can be found on the Careers sharepoint page. (Click on the Year 10 page.)

Our Year 11 and 12 students are currently completing their career plans and writing resumes. This involves compiling references and referees and looking at interview techniques. The purpose of a resume is to provide a summary of skills, abilities and accomplishments. It is a quick “snapshot” of the individual with the intent of capturing and emphasizing interests and to secure an interview. Since a resume is a primary tool in job searching, it needs to be carefully written and critiqued. I would ask parents to look over their son’s resume and offer assistance if needed.

SENIOR FOOTBALL FIRST 18 COMPETITION

Mazenod v Warwick SHS

In Round 3 of the Cable Division Schoolboys competition, Mazenod faced another undefeated side in Warwick SHS. The game was played at a frantic pace, with both teams displaying some outstanding skills. The Warwick side got the jump on Mazenod and with some unbelievable accuracy, kicked 9 goals straight in the first half! The Mazenod team lead by Baylee James (1 goal), Lane Sedgwick (5 goals), Chris Hegarty, Nik Edmonds, Luke English and Braden Jupp fought back hard and also played some outstanding football, kicking 5 goals, 2 behinds in the first half.

Mazenod came out firing in the second half, with some inspirational football from Jarrod Brockbernd, Jaxon Butler (1 goal), David Olsen and Tanner Swithenbank getting them back in the game. Harry Carpenter, Joshua Dowsett (1 goal), Sam Hobbs, Fynn Andrews, Wade Southcott (1 goal) and Kyle Sermon also battled hard all day for the team, but unfortunately Warwick kicked away at the end of the game and ran out winners, thanks mainly to the impressive accuracy in front of goal.

Final Scores: Mazenod 9.4.58 defeated by Warwick SHS 15.1.91
Best Players: Chris Hegarty, Baylee James, Jarrod Brockbernd, Luke English, Nik Edmonds

Thanks to Mr Akmens and Mr Vallis for their assistance during the game.

Our next game is against Newman College here at Mazenod on Wednesday @ 4pm next week. Students, parents, staff and friends of the Mazenod community I invite you all to come along to support the team in what promises to be another great game of football. Mr Tim Grabski – Head of Health & Physical Education
During week 4, the Year 7/8/9 Lightning carnivals were held at McGillivray oval for Football, Rugby and Hockey and Alderbury Reserve for Soccer. Both days offered the students an opportunity to participate in a sport of their choice and build on a variety of skills. The days ran really well with great support from all the staff and Year 12 coaches that attended. A big thank you to Paul’s bus for their assistance with transport, and to all the parents for coming and showing their support.

Mr Jake Akmens – Sports Coordinator
Mazenod v Clontarf

The 8/9 Football team played their third match of the campaign on Tuesday 17th May. The fixture was against Clontarf, and the whole team was ready to perform following a big win against Darling Range. The game was a clean, skilful affair with both teams wanting to put on early scoreboard pressure. The Mazenod team led by Jai Teale, Ashley Brockbernd and Jayden Wood in the midfield were giving the forwards unlimited opportunities. The score was ticking over nicely thanks to Liam Bradford, Blake Daff and Ethan Shardlow who were able to do some damage in the forward half. As the game went on, the Mazenod boys’ hunger for the contest increased and some terrific work by defenders Vlas Kailis, Nathan O’Connor and Will Collins kept Clontarf to only 1 goal for the match. A fantastic game by the whole team allowed Mazenod to take the win 13.6-84 to 1.0-6. Congratulations.

The team has a bye next week, with our next game against La Salle on Thursday 2nd June. Best Players: Jai Teale, Jayden Wood, Ethan Shardlow, Liam Bradford and Ashley Brockbernd. A big thank you to all the parents for their support, Mr Grabski for assisting with coaching and Mr Delaney for umpiring.

A couple of upsets and a couple of 50:50 games certainly impacted scoring this week. We only had two people pick 8 winners Joe Gangemi (Class of 1989) and Peter Neeson (Year 11 Student). There were a further 30 people who picked 7 winners. Unfortunately for Peter, Joe who goes by the pseudonym The Champ was closest to the margin in Friday night’s game between Adelaide and Geelong (one point off) and wins the weekly prize for the second time in three weeks. Congratulations Joe!!

With regard to overall standings Steve Greenwood (Class of 1982) despite his worst score of the year (5) has maintained his two point lead taking his total score to 56. Nathan McCracken has joined Peter Unicomb in outright second on 54 with 8 people sitting joint third on 53 winners. Things are tightening up.

This week’s games start off with Hawthorn v Sydney on Friday night. Sydney will be very keen to bounce back after their disappointing loss to Richmond and Buddy Franklin will hope to continue his great form against his former club but Hawthorn despite not being at their best still sit at 6-2.

- **Collingwood v Geelong** – Collingwood beat up on Brisbane but will find Geelong a much tougher proposition;
- **Gold Coast v Adelaide** – Gold Coast are in horrible form and it is hard to see where their next win is coming from, it’s unlikely to be against Adelaide;
- **Port Adelaide v West Coast** – With Port not having a recognised ruckman Nic Naitanui should dominate but will that be enough for the Eagles to win their first away game since July 18 2015?
- **North Melbourne v Carlton** – Carlton were outstanding in winning their fourth game in a row but North Melbourne are likely to stretch their winning start to the season to 9;
- **Fremantle v Richmond** – The last thing the Dockers needed was to come up against a resurgent Richmond buoyed by their great win over Sydney and with a decent record in Perth (although they got smashed by the Eagles earlier this year);
- **Melbourne v Brisbane** – While Brisbane will be keen to bounce back from an insipid performance against Collingwood it’s hard to see anything other than a Melbourne win;
- **GWS v Western Bulldogs** – Should be a great game between two sides in very good form;
- **St Kilda v Essendon** – St Kilda were surprisingly poor against the Eagles while Essendon kicked the last six goals of the game against a North Melbourne side who took their foot off the gas.

Hosting French Students in July (17 July-16 August)

For the last 8 years a programme has been in place offering the opportunity to young French students aged 14-17 years to discover Australia and its education system.

We are looking for families willing to host students for the four weeks of their visit. They will travel to and from School with your children.

The purpose of the programme is for these French students to experience living with an Australian family, to see how an Australian school operates, to improve their English language skills through this full immersion and to create a strong friendship with their Anglophone peers. The programme is highly successful and both Australians and French students greatly enjoy the exchange. Many families still keep in touch with each other.

The students are fully briefed about the school rules, are not to leave the school premises and will attend classes daily. They will be fully covered by appropriate insurance.

Host families will be visited prior to the arrival by the organiser to explain the programme.

We believe such an exchange is also highly beneficial for our Modern Languages students, opening their eyes (and ears!) to similarly minded students for an extended period.

Please contact Martine Floyd, email: martine.floyd@iinet.net.au / mob: 0403 019 609 if you are interested in hosting.
Our 50th Anniversary Cookbook will be available for purchase soon. The cookbook contains, not only recipes, but photos and history of the College.

Only $35
