Dear Parents

From time to time we hear of the amount of illegal drug activity there is in the Hills area. We would be naïve to think that our boys are not exposed to such activity. There is a party culture for many young people, and where they congregate, there the low-life’s who peddle drugs can be found. I urge you to be vigilant with your sons who attend such parties and congregate in places where drugs are dealt. If any of our boys are involved and we are informed, then we will provide any help and support they need. Our stance on anyone who brings illegal drugs into the College is one of zero tolerance. If you have concerns, please feel free to contact me or anyone in the College.

There have been reports that some of our younger boys are misbehaving on public transport coming to and from the College. I expect that the older boys will monitor such behaviour and that all who travel on public transport will do so respectfully and responsibly.

I recently read some sections of Caroline Jones’ The Search for Meaning where she said, “that a person’s experience, their story, is sacred ground, that it’s essential to them, that they’re lost without it, that it needs to be told, and, importantly, to be heard.” Every story demands a listener, and to listen to a person’s story and to understand what is being spoken and unspoken, requires that we believe in the uniqueness and importance of each story, and of each individual person. It is important for us to take the time to listen to the stories of our young people as they often feel as if they have little of real importance to tell us. Storytelling is an excellent way of caring for each other. As Elie Wiesel, the great Jewish author, has written that “God made us because he loves stories.”

Part of the outreach of our Young Vinnies group is to support the Perth Archdiocese outreach through The Shopfront. The role and function of The Shopfront is to relieve poverty and suffering in an environment that offers practical assistance, fellowship and hospitality, and is run predominately by a team of volunteers. The Shopfront aims to provide help and assistance to visitors who may be experiencing difficulties dealing with problems in their life by providing warm, caring, fellowship and hospitality to the visitors; and to provide an opportunity for the visitors to socialise and make friends.

The Shopfront welcomes donations of toiletries and other items such as underwear and socks to assist those visiting The Shopfront. If you would like to get involved in The Shopfront or would like to know more about the services provided, please visit the website at http://shopfrontwa.org.au. I would like to thank our Young Vinnies and encourage more of our boys to become involved in their activities.

I will be away next week on an Oblate Provincial Council meeting.

YEAR 11 OUTDOOR EDUCATION MOUNTAIN BIKING EXPEDITION

On Monday 18 and Tuesday 19 May, the Year 11 Outdoor Education class was involved in their first expedition of the year. The goal was to ride the 56km from Jarrahdale to the Lesly Picnic Area on Brookton Highway. The students started off at a ferocious pace as they were enjoying the relatively flat and compact trail. Upon reaching the first checkpoint of Balmoral POW camp, lunch was taken. This was the first opportunity for the students to set up their cooking equipment, with Lachlan Ebsary taking out the first batch of his 2kg of bacon that was going to form the basis for his diet for the next 2 days. After Lunch, the group pushed onto the Wungong camp site which was approximately 15 km away.

Upon arrival it was quickly time to set up tents and start cooking dinner. The menus on offer were worthy of a restaurant, with fried rice, steak, sausages, soup and pork belly all being cooked and devoured. The students spent a cold night before waking up to tackle the 27km to our destination point. After a solid breakfast of a variety of meats, packing up all the gear, the group rode off. We reached Lesley Picnic Area with a minimum of fuss and a couple of worthy nominations for ‘best stack of the trip’. Overall, the group worked really well together and managed to effectively involve themselves in all tasks presented to them.

Our next expedition is in Term 4 and I look forward to the students displaying their skills once again. A big thank you to Mr Thompson for his help during the 2 days and to Angelo and Dave Vallis for their assistance.

MAZENOD FINISHES 2ND PLACE IN ACC CROSS COUNTRY CARNIVAL!

After weeks of training and hard work, the members of the Interschool Cross Country Team took part in the annual ACC Cross Country. Competing against over 50 schools, and with over 300 participants in each race, the members of the team rose to the challenge and performed extremely well. Second place in the boys aggregate matches the outstanding result from 2014, equalling Mazenod’s best result in decades. Congratulations to Sacred Heart College who won the boys aggregate on the day. We have to look all the way back to 1987 for the last time the College managed to win this event.

The gruelling 4km course around Alderbury Reserve in Floreat is what the runners faced. All competitors from Y7-12 pushed themselves to exhaustion for the team and should be extremely proud of their achievements. There were some outstanding individual performances that contributed to the success, but the result was mainly due to the consistency across all the age groups from all our runners. Well done boys!

A huge thank you to the many parents that came along to support the teams, and to Mr Logan for his assistance on the day.
Below are some of the standout performances (top 3 for each age group), and a full summary of each competitor and age group results can be found at:

Some interesting results in Round 8.

We had three people Frank Bosa (Class of 1983), Brian Carr and Harrison Allan (a current Year 8 student) pick 8 winners with a further 15 people getting 7.

This week’s winner of the $50 is Frank Bosa who was 22 points off the margin in Friday night’s game between Geelong and Carlton.

Looking ahead to what looks like a very challenging Round 9:

Sydney v Carlton – Will a new coach make any difference to Carlton’s performance?

Hawthorn v Gold Coast – A chance for the Hawks to get back on the winners list

Melbourne vs Port Adelaide – Port are in a real slump and Melbourne had a great win against the Bulldogs

Western Bulldogs v GWS – Can GWS win away from home against a Bulldogs side that has fallen away lately?

Richmond v Essendon – Another big game for Richmond who have been impressive in the last two weeks

Adelaide v Fremantle – Can anyone stop Fremantle?

Brisbane v St Kilda – Will home ground advantage be enough in this battle of teams likely to finish in the bottom four?

Collingwood v North Melbourne – Both these sides struggle against the best teams in the competition but should be evenly matched

Eagles v Geelong – The start of a run of four games which will help define the Eagles season, pretenders or contenders?

After Round 8 we have a couple of new faces joining a couple of familiar faces on the leader board with 4 people Steve Byrne (Class of 1985), Greg Roberts (Class of 1985), Angelo Vallis (Class of 2007), and Paul Ambrose (Class of 2002) leading on 50 with a further 14 people just one behind on 49 and a further 9 people on 48 so that’s still 27 people within 2 of the lead – nice and close.

Sean Cameron (Class of 1982) and Basil Conti (Class of 1983)

A Night with Scotty Cummings

Coleman Medalist and Mazenod Old Boy Scott Cummings and Walkey Award winner, Mark Readings cover stories and good times from the AFL career of one of football’s lovable larrikins.

After speaking to a packed gymnasium of junior footballers and parents in 2014, Scotty promised he would return with a full show for the Old Boys and he will not disappoint.
