Dear Parents

On Wednesday night we celebrated the Performing Arts Solo Eisteddfod in the Hughes Performing Arts Centre as a part of our Inaugural Art Week at Mazenod. It was a wonderful evening in which the talents of our boys were showcased for one and all.

I would like to thank Mr Allen, Mrs Wellman, Mr Graham and Mrs Greenley for providing the opportunity for the boys and their supporters. On such a night there were eventual winners and in congratulating them, I also thank all the participants. Your talents are much appreciated. The winners of the Drama section were Ben Gregory with runner-up, Harrison Ockleford. The winners of the Music section were Paolo Colombo with runner-up, Luke Keogh.

Much has been written and has been seen in the media of the Holy Father’s pilgrimage to Israel, Jordan and the State of Palestine. It brought back memories of the 6 weeks I spent there a couple of years ago. In places of such complexity in terms of politics and religion, the sight of Pope Francis praying, the Separation Wall, The Western Wall and the Grand Mosque, made me think of the many things that separate us when in fact they should help to unite us. Many times a week I travelled through the armed checkpoint of the Separation Wall to enter and leave Bethlehem. Rather than sit on judgement upon what happens in other countries, we could perhaps think of those walls we erect in Australia, within our communities and in our own hearts. Our cry should echo that of the Pope at the memorial to the Shoah, “Never again, Lord, never again!” “Here we are, Lord, shamed by what man, created in your own image and likeness, was capable of doing.”

We held a very productive meeting with the new P & F Executive. Over the next few weeks some ideas will be floated as to some activities for the parent group in the College. The P & F plays the role in the College of helping with the fundraising, friend raising, and general support and communication within the College. I therefore urge you to support the annual P & F Raffle. This is a major fundraiser for the College and the monies raised will go directly into supporting the College community and in particular the boys.

Later in the Newsletter you will find the “Contract for Life”. I encourage you to talk to your boys about this. While it is particularly pertinent to the older boys, it has implications for all year levels. Life is a gift that should be treasured and celebrated appropriately.

Congratulations to all of our sporting teams who represented the College in various contests throughout the week. As I write this, news has just come through that we came second in the ACC Cross Country Carnival. A great effort and congratulations to all for their efforts.

Thank you for your prayers for Fr Cranley, OMI. Although still seriously ill, he may be discharged next week to come home to Mazenod.

I will be away next week in Melbourne for the Oblate Provincial Council.

A final thought: “To laugh often and much; to win the respect of intelligent people and the affection of children; to earn the appreciation of honest critics and endure the betrayal of false friends; to appreciate beauty, to find the best in others; to leave the world a little better; whether by a healthy child, a garden patch or a redeemed social condition; to know even one life has breathed easier because you have lived. This is the meaning of success.”

YEAR 11 STUDENT IMMERSION PROGRAMME TO INDIA

Year 11 students were given a presentation this week about a proposed immersion trip to an Oblate Mission in India. Our Brother Colleges, Mazenod College Victoria and Iona College Queensland have been sending Year 11 students to missions in India and China for the past few years as it forms part of their Christian service programme.

Mazenod College Perth intends to start an involvement in these immersion trips and for 2014, we intend to send three students and two staff to India joining 12 students and staff from Mazenod College, Victoria. The area of service in India will be in Chennai, where the Oblates (including Australian Oblates) serve the people of India through schools, youth ministries and orphanages.

Year 11 students interested in applying for the immersion trip to India must firstly write a letter of application to Fr Daly outlining their reasons why they want to be part of the immersion experience and also providing relevant details regarding their suitability for this type of Christian service. Applications close on Monday 16th June.

All relevant details can be found on the Year 11 Sharepoint portal. Please contact me should you wish to discuss the immersion programme.

INDUSTRY AND ENTERPRISE NEWS

A large part of the Industry and Enterprise programme focuses on the development of hand skills and the exposure to different trades. The aim being, to help the students discover what career direction they may want to pursue in the near future.

During this week, the Industry and Enterprise students were involved in a three day introductory bricklaying course. The course was funded by the Australian Brick and Blocklaying Training Foundation (ABBTF) and run in conjunction with Polytechnic West.

The course took place at Mazenod College and was delivered by a qualified bricklayer, who gave the students a very real insight into what the bricklaying industry is all about. The students all learned how to mix mortar, lay bricks that are level, straight and plumb as well as set up bricklaying profiles.

All of the students were very grateful for the opportunity and some are now seriously considering a career in the field.

MATHS PROBLEM OF THE WEEK!

PROBLEM: A shepherd is planning to build a rectangular enclosure for his sheep, using an existing wall for one side of it. He uses pieces of pre-made fencing, each 2 metres in length, and will not allow any overlap of the sections. The width of the enclosure must be greater than 20 m and the length greater than 40 m. He only has 45 sections of fence. What size should he build the structure to enclose the greatest possible area?

LAST WEEK’S ANSWER: 3 mins 45 sec
LAST WEEK’S WINNER: No winner this week, but there was a late correct entry last week from Paolo Colombo. Gavin receives the points.
On Wednesday of last week 30 students from Year 11 went on the P.A.R.T.Y excursion at Royal Perth Hospital. The ultimate goal of the P.A.R.T.Y. programme is to reduce the number of youth who suffer traumatic injury because of poor choices with regards to taking risks. The P.A.R.T.Y. programme seeks to increase knowledge and change attitudes and behaviours. It aims to promote injury prevention through reality education, enabling youth to recognise risk and make informed choices about certain activities and behaviours.

The excursion was very moving and powerful and on the day the boys had the opportunity to tour the ICU Ward, the Emergency Department, and the Rehabilitative Physiotherapy Ward. As well as this they heard from a number of guest speakers and patients who were either telling their personal stories or who worked very closely with those who had been in accidents as a result of risk taking.

All the boys who went on this excursion received a “Contract for Life”. See copy of this contract below. I encourage all parents to read and discuss it with their children.

I would like to thank Royal Perth Hospital for the excursion as well as Ms Petta and the parents who came along on the day to help out with supervision.

**Contract for Life**

This contract is between people, who care about each other, A teenager and a parent, guardian or trusted adult.

Because I am a teenager beginning to understand the perils of taking risks, I __________________ agree to call you for advice and / or transportation at any hour, from any place, in any situation, where I feel uncomfortable or unsafe, or have been drinking or am otherwise impaired or with a friend or date who is in a similar condition.

Because I care about you and others, I __________________ agree to come and help you at any hour, any place, no questions asked, or pay for a taxi to bring you home safely. We will talk about this situation at a later time.

Also, in agreement as a parent, guardian or trusted adult ...

If I am in a situation where I feel uncomfortable or unsafe, or have had too much to drink or am otherwise impaired, or the person driving me is in a similar condition, I agree to seek safe transportation home.

Look out for your Raffle Book in the mail in the next few days.

When you receive your book please open the front cover to see a handy checklist on the inside as well as a tear out reminder to put on your fridge/noticeboard.

Dear Families and Friends of Mazenod College

Thank you for your wonderful support of our raffle. Here is a handy checklist to assist you with selling and returning the raffle books.

Raffle Checklist – return date Friday 27th June 2014

Return all stubs, sold and unsold, to the College office by Friday 27th June, 2014 as it is a legal requirement that the College account for all tickets before the draw.

Ensure that stubs and money are sealed in the enclosed envelope.

Please pay for the raffle tickets separately from other school bills.

Avoid sending cash through the mail – you can pay by credit card at the front office.

Please take pity on the volunteers collating the raffle and money and if at all possible avoid sending through 5, 10 and 20 cent pieces.

Make cheques payable to Mazenod College Parents and Friends Association.

Please also note that by law, no child under 12 years of age can sell raffle tickets.

If you would like another book please contact the College. Good luck selling your tickets. Thank you from the P & F.

Mazza Footy Tipping Round Ten Results

Hi All
A more predictable round saw five tippers correctly select all six winners in round ten earning themselves 7 points including the bonus point for a clean sweep. It was Mrs Balla who also selected the closest margin for the Friday night Cats win earning herself the $60.00 weekly prize money. Congratulations!!

With a very even round of tipping we still have Lib sitting in first position on our competition ladder with 75 points. Hosie J remains in second position on 68 points with The Footy Champ still in third position on 67 points. We have a three way tie for fourth position with Alno, Lye and Springers all on 63 points.

Quite a few tippers in the top ten still have a WildCard up their sleeves, so stay tuned for some jostling for positions in the coming weeks.

With the last of the BYE rounds done and dusted, it’s back to full rounds of nine games from here on.

In our separate KnockOut competition we have seven remaining tippers surviving to select KnockOut tips again next round.

With the first game of round ten played last night (Thursday 29th May) you have hopefully already lodged your round ten tips.

Have a great weekend and Happy Tipping. Go Pies!!

Janine Fisher - Mazza Footy Tipping Coordinator

The Entertainment Book is available and can be purchased from the College and the best part is that for only $65, you will be helping our fundraising with $13 from every book sold contributing to our school.

YEAR 8/9 EAGLES SCHOOLBOYS CUP

Game 2: Mazenod vs Darling Range

The second game of the 8/9 Schoolboys Eagles Cup was held on the Mazenod oval on Tuesday night. The team we were facing a familiar foe in Darling Range and they were looking to keep the momentum rolling forward following a good win last week. The Mazenod boys were up for the challenge and started very cleanly in the slippery conditions. The midfield led by Joel Curtis, Adam Disisto, Josh Blair and Kyle Sermon were outstanding with their effort. They were able to get first hands on the ball and use it to their advantage. This made the work of Matt Russo, Jaxon Butler and Jaxon Lombardini a little easier, and put the Darling Range defence under intense pressure. Mazenod was able to kick 4 goals to 1 in the first half but certainly knew the game was not over. The second half started very similar to the first with Mazenod consistently winning the key contests around the ground and able to run forward with numbers. Luke English and Maverick Hamilton won key battles along with defenders Ryan Steers, Rory Morris, Damon Whitcombe and Brayden Fairhead. With the type of intensity that was on display from the whole team the game was always going to be very difficult for Darling Range to get back into. The final scores reading a 35 point Mazenod victory. Best players for the game were Adam Disisto, Matthew Russo, Kyle Sermon, Joel Curtis, Jaxon Lombardini, Josh Blair and Maverick Hamilton.

Well done to the whole team and let’s maintain our focus for next week’s game against Guildford Grammar on Wednesday the 4th of June at 4pm on the Mazenod oval. Thank you to Mr Delaney for umpiring.

SENIOR FOOTBALL FIRST XVIII

Mazenod vs CBC Fremantle Wednesday 28th June

The third round of the Cable Division Football Competition saw Mazenod take on CBC Fremantle. This game is played for the Fr John Sherman Perpetual Trophy each time the two teams meet in the First 18 Football Competition.

CBC has had the wood over Mazenod in recent years and this year the team was hoping that good recent form would help turn that around. Playing at the Home of the Sharks, East Fremantle Oval presented a different game style to the confines of Mazenod oval.

A great start saw Mazenod dominate the midfield clearances and a number of early forward entries created the first goal to Blair Southcott. Unfortunately, this would also be the last goal for Mazenod as CBC took control of the match with hard running and clean skills. The Mazenod boys just could not get their game going and CBC made them pay on the scoreboard.

Final Score Mazenod 1.5.11 defeated by CBC 8.6.54

Better players: Thomas Amos, Andrew Doyle, Blair Southcott, Blake Norrie

Our final game of the Round Robin is at Comet Bay College on Wednesday 18th June. A win there will secure a place in the finals. Thanks to Mr Akmens, Jaxon Butler and Kyle Sermon for their assistance.

SENIOR FOOTBALL SECOND XVIII

Round 3 Match Report
Round 3 saw the 2nd XVIII play their final round robin fixture at home against Lumen Christi who were yet to notch a win in the competition. For Mazenod to advance into the knockout stage of the competition, a significant win was part of the puzzle with results from other matches also having to be favourable.

The game commenced in blistering fashion with Mitchell Delle Coste utilising the outside of his right boot whilst facing away from goals to register the first goal. Shortly after Lachlan Huntley burst away from the centre bounce down to kick a memorable goal from inside the centre square courtesy of some excellent work from Jono Neves in the goalsquare. Mazenod kicked the first 3 goals of the game prior to Lumen Christi finding their feet and kicking the next 3 goals unanswered to level the scores prior to halftime.

The halftime message was simple, Mazenod had to get first hands on the ball and prevent silly turnovers across the midfield. The midfield group of Jack Amos, Lachlan Warlow, Kieran Cork, Mario Leeder, Lachlan Huntley, Jack Trevenen, Luke Henderson all took account of this message and lead the way throughout the second half as Mazenod pulled away to be eventual winners by 43 points.

Better players on the day; Lachlan Huntley, Jack Amos, Mitchell Delle Coste, Jono Neves, Mario Leeder, Jason Peebles and Mason McGrail

The team has now progressed into the knockout round where they will be taking on Sevenoaks College at Queens Park Oval next Wednesday at 4pm. The team would love to see many supporters there!

Knockout Round 1 Match Report
Mazenod 9.7 (61) Def Sevenoaks College 8.5 (53)

The Mazenod 2nd XVIII has won their first round of the knockout stage (finals) against Sevenoaks College in Queens Park and now look to see a second round match against either Darling Range or Clontarf College.

The game was played in excellent spirit with both sides showing steely determination to mount early scoreboard pressure. It was Mazenod that scored first through an excellent rebound from Sam Hobbs who passed to a loose Jack Trevenen who then sent the ball long into the forward 50 to allow a crumbing goal to Luke Henderson. Sevenoaks went on to kick the next three goals through fluent running play exhibiting excellent skills and evasiveness. Mazenod steadied with goals to Mitchell Delle Coste, Jack Trevenen and Jono Neves. The midfield group of Lachlan Warlow, Mario Leeder, Luke Henderson and Brayden Jupp continued to provide excellent disposal and contested possessions as well as linking play between the backline and forwards.
In the second half, **Kieran Cork** moved to a half forward flank and provided potency in this role continually winning important contests as well as numerous inside 50 propulsions. In a best on ground performance, **Lachlan Warlow** and **Jack Trevenen** had the ball on a string through intercept marks, accurate disposal and excellent tackling pressure. Mazenod held on throughout the second half with multiple goal kickers and a goal of the season contender to **Jono Neves** who kicked truly from the boundary line deep in the forward pocket.

Thanks again to the supporters who came down, I know that the boys appreciate your attendance. Our next fixture is against Darling Range Sports College, Berkshire Road, Forrestfield on **Wednesday 18th June** beginning at 4pm.

**MAZENOD FINISHES 2ND IN THE 2014 ACC CROSS COUNTRY CARNIVAL**

Congratulations to all the members of the ACC Cross Country Team for the outstanding result at yesterday’s interschool Cross Country Carnival. After struggling to finish in the top 10 in recent years, this 2nd place finish is one of the best results for decades! Competing against over 50 schools, it is a credit to the dedication and hard work of the team for their own personal training, and those who have been regular Running Club attendees. To put this result in perspective, Mazenod last won the carnival in 1987, and the last time we achieved a second place finish is believed to be in the 1990s.

The highlight was the U14 team who were the Boys U/14 Champions. Other individual highlights are listed below (Top 50 finishers). There are approximately 350 runners in each age group.

- **U13**
  - Hannes Johansen 9th Place
  - Daniel Cave 33rd Place
  - Edward Overton 38th Place

- **U14**
  - Luke English 4th Place
  - Joel Peters 5th Place
  - Jacob Wright 41st Place

- **U15**
  - Kyle Sermon 21st Place
  - Duncan Jones 26th Place

- **U16**
  - Lan Johansen 19th Place
  - Braydon Eppen 33rd Place

- **OPEN**
  - Thomas Amos 13th Place
  - Harrison Whitley 33rd Place
  - Jack Amos 43rd Place

Well done to all of the team, an amazing effort, and thank you to Mr Logan for his assistance at training and at the carnival.

MAZENOD MISSION DAY
[Friday 15th August]

Dear Parents/Guardians

On the 15th August the College will be running a whole school, whole day, fundraising event that embodies the values of St Eugene de Mazenod. The event will celebrate the uniqueness of the Mazenod Oblate Community, encourage student leadership and develop ‘House Spirit’ at the College. Furthermore, promoting student awareness about the plight of others both in their local areas and worldwide.

The aim of the campaign this year is to raise sufficient funds to assist the Oblate Missions in China and India to help improve access to Education, Health Services and improving the equality of women in their local communities.

The College also wants students to develop greater awareness of the Oblates who are represented in our College House groups, Joseph Cebula, Charles Albin, Felix Gavin, Joseph Gerard, Henri Tempier and Vital Grandin. It is hoped that the Mazenod College Mission day will promote House Spirit and will engage the students to recognise the sacrifices that their House founders made to help those less fortunate.

On the day [Friday 15th August] there will be a number of stalls [games, activities, food outlets etc] set up around the College that have been organised by the students. The students will be encouraged to bring money to spend at the various stalls on the day; the College recommends $10 - $15 per student. The College encourages that this money should be the student’s personal contribution to the fundraising effort. As well as the fun activity stalls, there will be several stalls selling food and drink available for purchase on the day.

The day will culminate in the students and staff participating in “Mission Games” that are designed to emulate the day to day life of a person living in a Chinese or Indian Oblate Mission. Donation envelopes will be distributed to all families in the coming weeks. The College is grateful for family support of the Mazenod Mission Day through donations of equipment and goods or a general donation of $25 would be greatly appreciated. Both of these donation preferences are indicated on the donation envelope. Please note that the envelope needs to be returned to the College by Monday 25th August.

Mazenod Mission Day is a compulsory College event. If any student is unable to attend on the day the College will need to be notified prior to the event.

We are confident that the College community will again unite and generously support this worthwhile cause.

If you have any further questions regarding the Mazenod College Mission Day please contact your son’s Head of Year.

Yours sincerely,
Fr Peter Daly OMI
Rector

For all mid-year TAFE students applications close on the 5th of June. Visit relevant TAFE websites for information.

WORK EXPERIENCE REQUEST!!
This is just a quick request to see if any parents or members of the Mazenod community might be able to offer work experience to a Year 11 or 12 student in June.
We have both our Year 11 and 12 Workplace Learning students heading out for two weeks (9 working days) of work experience starting Tuesday 3rd of June and a few boys have found it very hard to locate work experience.
At this stage some of these boys will take anything but in particular placements in the electrical trades, landscaping, automotive mechanical and metalwork.
Also I would LOVE to hear from you if you could provide work experience in the business administration, graphic design, IT, digital design or website design fields.

YEAR 10 CAREERS CAROUSEL
Do you have an interesting career journey that you would like to share with our Year 10 students? The annual Careers Carousel is on again on June 26th. The carousel takes place in the College gym and involves presenters telling their story to small groups of Year 10 students (about 10 students every 8 minutes) who rotate around listening to wide range of presenters.
If you would like to find out more please contact me at the College.
