Dear Parents

During the week we held the third event to celebrate the 50th anniversary of Mazenod College WA with a music exchange programme in conjunction with our brother colleges, Mazenod College, Victoria and Iona College, Queensland. It was a wonderful five days culminating in a Mass to celebrate the Feast Day of St Eugene de Mazenod. I wish to thank the Head of Department, Mr Nick Allen and music teachers, Mr Sam Graham and Ms Louise Bell for developing the programme and showcasing the incredible talent of so many students. I also wish to thank the Mazenod WA families who hosted students from the eastern states providing them with a warm bed, meals, transport and lovely hospitality for the five days. The Oblate music exchange programme will be reciprocated in the next two years as the Colleges join together to celebrate Mazenod Victoria’s 50th anniversary in 2017 and then in Queensland 2018 to celebrate Iona’s 60th anniversary.

The programme saw 18 students and 3 staff join Mazenod WA students and staff in a series of ensemble and choir rehearsals leading to a lunchtime concert for our students. On Monday evening the students put on a magnificent concert for the College community. Thank you to all members of the community who attended the evening and joined us in the celebration of not only our 50th anniversary, but witnessed the talent of the students from the three Colleges. I wish to thank Rectors Fr Twigg and Fr Fini for their support of the exchange programme and the students and staff who travelled to Perth.

The final official event to celebrate the 50th anniversary of Mazenod College WA will be a community Mass and brunch on Sunday 19th September. I hope that you are able to put this event in your calendar and join us in what should be a fitting celebration of our 50th anniversary and the 200th anniversary of the formation of the Oblates of Mary Immaculate.

As outlined in a previous email the strategic plan for 2016-2020 has been launched and a component of this vision is a capital development plan where there will be the development of a Northern Precinct. The first stage of the capital development plan will be the construction of a grounds and maintenance facility. The footprint and costing have been established and we hope to build this facility in Semester Two of 2016. Once built, we will convert the current gardener’s shed and bus bay area into a dry, secure and flexible storage area for the Sport, Physical Education and Performing Arts departments.

The first major build to be undertaken will be a new Design and Technology Centre. The footprint has been established and internal drawings of the centre are progressing. Thank you to the Head of Department, Mr Mike Scarfone who is working with the College architects to ensure that this centre meets the needs of our students long into the future. Our hope is to have all planning finished by the end of the year so that the project can be put to tender. It is then planned to begin construction at the beginning of 2017 with the view of opening the centre for the start of the 2018 school year. The master plan outlining the northern precinct can be viewed in the foyer of the administration area or can be accessed via the College website.

Mr John Payne (Principal)

“Learn what you are in the eyes of God.”
Dear Parents and Students,

As you are aware my appointment to the Provincial leadership role has meant the Order has had to consider the long term leadership of the College. As such for the first time in the 50 years of the College, 2017 will herald a new era with the commencement of our first substantive lay Principal. The Oblate Fathers will continue to have a strong presence in the College into the future.

Befitting such an important appointment in our history, a process will shortly commence with a national advertisement, at this stage scheduled for Saturday 4 and 11 June 2016. I have appointed current Board member and former Leader in Catholic education, Ms Mary Retel, to chair the selection panel and to oversee the process for the Order. Mary will be assisted by Jeff Thorne whom you met through our recent strategic planning process.

This is an exciting and reflective time for me as Leader of the Province and as a former Rector of the College. I am mindful of the experience we have in our existing leadership team and the pleasing way that John and the team are currently leading the community. I am also mindful of the wonderful colleagues in our Eastern states Oblate colleges and those more broadly leading and serving Catholic education communities at present. The Order enters the process with an open mind and hopes, with the guidance of our Mother Mary, that a strong field of applicants committed to continuing the Oblate tradition in Lesmurdie, will come forward.

To start the process, on Monday 30 May 2016, Mary Retel will be holding separate meetings with staff, and a representative group of students and parents of the College. Mary will be seeking feedback on the Essential and Desirable selection criteria for the 2017 Mazenod College Principal. As a future leader of the Mazenod community, I believe it is right and just that the community guide the selection panel in the first instance through their considered feedback.

I look forward to being able to announce our future leader later in Term 3 and continue to hold you in my thoughts and prayers for the wonderful job that you do at the College.

God Bless,

Fr Peter Daly OMI

DROPPING OFF AND COLLECTING STUDENTS FROM SCHOOL

NO PARKING ON THE VERGE

The Drop Off area in the Administration car park becomes very congested with some cars having to queue on the road waiting for access. In order to alleviate this problem, parents are asked to drive as far forward as possible in the Drop Off area, even if it means an extra 10m walk for their son (it will do them good!). Please make the drop off as quickly and safely as possible. Parents are also asked not to park in the Drop Off area if they need to visit the College office.

Please use either Pindari or Kershaw Road when picking up in the afternoon – using the marked parking bays where possible.

ABSENCES

When a student is absent from school, sport or school event, notification should be given, where possible, in advance in writing. If this is not possible, there must be notification by phone or via the absentee email address absentees@mazenod.wa.edu.au. Please refer to your son’s School Diary for further information. Also attached (email with Newsletter) is an interesting write-up with regards to absences.

SENIOR SCHOOL EXAMS

The Senior School Examination Schedule is available to download from SharePoint.

The College requests that students organise transport to and from exams. Students are also asked to wear their full school uniform to exams, tutorials and study sessions.

Students who intend to be on campus at times other than at scheduled exam times must report to the relevant Head of Year and remain in full school uniform. The library will be available for study although there will only be minimal supervision. These students must remain on the campus for the duration of the day.

LABELLING OF COLLEGE BLAZERS and OTHER CLOTHING ITEMS

Could parents please ensure their son/s have their name clearly written on their clothing, especially their blazer. Quite a number of boys have misplaced their blazers (left on a chair in classroom, etc) and do not appear to have their names on them. Thank you.

Mr Chris Mason – Head of Year 7
The Visual and Performing Arts Department is celebrating all that is the “Arts” at the College during ‘Arts Week’ next week. Offering career talks, workshops, presentations, open rehearsals, exhibitions and reflections from professionals in the industry, we are hoping to provide inspiration to all our creative students looking to pursue their artistic passions outside of the College. With events being held both in the evening and during the day, this is a wonderful opportunity for students and parents to discover aspects of the creative arts area that you may not have known.

On Monday 30th at 6:30pm the ‘Arts Careers’ evening is featuring presentations by Bourby Webster the Founder and Director of North Street Music and Perth Symphony, Sarah McKellar and Jordan Fresher, fashion designer and founder of “Don’t Sweat” street wear clothing company. These presenters from vastly different backgrounds and experiences, will share their stories and are available for an ‘open questions’ forum. Representatives from Western Australian Performing Arts Academy will also have information about specific courses.

The free concert held on Monday 23rd featuring solo performances and items performed by the combined music and choir ensemble was a musical triumph. MAZENOD TROPHY CHESS COMPETITION

In Term 1 the library invited all budding Kasparovs and chess rookies to sign up for the Mazenod Trophy Chess Competition. The response was overwhelming with 189 students signing up to compete. The competition was held across 8 weeks with students fiercely competing to become winner of their Year group with the ultimate goal of being overall winner of the Mazenod Chess Trophy. Congratulations go to the following students as winners of their Year group:

- Year 7: James Tapscott
- Year 8: Cameron Dyer
- Year 9: Nicholas Limnios
- Year 10: Harry Edwards
- Year 11: Ethan Losik
- Year 12: Alexander Limnios

This week it was down to the wire when brothers Alexander Limnios (Year 12) and Nicholas Limnios (Year 9) employed all their strategies in an attempt to outwit each other for final victory. Over 3 tense lunchtimes the brothers played many excellent moves and are to be congratulated for their prowess, sportsmanship and participation. On Tuesday, Nicholas Limnios made his final move and with a checkmate won the 2016 Mazenod Trophy Chess Competition. Congratulations Nicholas for your hard earned win.

This competition could not go forward without the assistance of Mr Glenn Pabst. Mr Pabst gave up his lunchtime every day for 8 weeks in order to oversee every game and help competitors with their questions. Mr Pabst ensured that every game was won fairly and squarely and he was able to use his expert knowledge to resolve several disputes. Thank you Mr. Pabst.

Certificates will be awarded at the next whole school assembly recognising each Year winner and Alexander Limnios as overall winner.

Mr Pabst and I thank all the students who competed and congratulate them for their good sportsmanship and their participation in this annual event. We look forward to doing it all again in 2017.

YEAR 11 OUTDOOR EDUCATION EXPEDITION - JARRAHDALE

On Monday, 23rd May the Year 11 Outdoor Education class set off on their first expedition of the year. Unfortunately, due to severe weather the scheduled overnight component had to be cancelled and the students were to complete a day trip riding along the Munda Biddi Trail.

The class rode from Jarrahdale to the Gleneagles Picnic Area on Albany Highway which was approximately 30km. The group were able to put some of their skills to the test, with some challenging sections of the track. The natural environment was truly memorable and we really got a wonderful experience over the course of the day. Overall, it was a fine effort from all students involved and I look forward to our next expedition during term 4.

I would like to thank Mr Thompson and Ms Howard for their assistance over the course of the day and to Dave Vallis for assisting with transport.

MAZENOD COLLEGE INTERMEDIATE SOCCER REPORT

The Mazenod College Intermediate soccer team played their third game of the Champion Schools Football Cup season against Rehoboth College. Both schools had recorded strong wins which made for an exciting match up. But it wasn’t to be, Mazenod totally dominated the game from the first to the last whistle. James Draper opened the scoring within the first 2 minutes with a tap in from a nice cross on the right from Lewis Fresher. But Rehoboth quickly struck back less than a minute later with a well worked goal that beat a stretching Sam Jebb. But Luke Della Posta was lethal in front of goal scoring a first half hat-trick helping Mazenod go into half time break with a commanding 6-2 advantage.

The second half was much the same as the first with Oisin Allen, Ben Passmore and Luke Della Posta adding 3 more goals. The final result was a 9-2 win to Mazenod, fantastic team result. It was yet another outstanding dominant performance by the team. Standout players were Takudzwa Matikiti who was rock solid in defence, Luke Della Posta scoring 4 goals, while James Draper, Oisin Allen, Ben Passmore and Lewis Fresher were also dominant performers in the midfield. The team would like to thank Mr Vallis and his team for getting the ground up for the game and all the parents who came down to help and support the team.

Our next game is an away fixture to Lumen Christi.

Mr Chris Mason – Health & Physical Education

SENIOR SOCCER REPORT

The senior soccer A team played the second game of their season last Thursday. Again playing on the bottom oval, we were looking to make the most of both our good form and the home ground advantage against Kalamunda. From the first whistle we showed our intent, pressing high and locking the ball deep in their half for extended periods. After a somewhat frustrating first five minutes, we managed to break down a resolute Kalamunda defence and take an early lead. Kieran Cork and Sam West worked tirelessly on the flanks, providing both outlets for attack and applying immense pressure on their fullbacks when we weren’t in possession. Goals continued to flow and as the common sports cliché goes, “the floodgates had opened.” Tom Jebb ran riot through midfield, both scoring and providing assists at will. Grant Kozma made his presence felt on his debut, pulling his markers out of position and making no mistake in front of goal when he had the opportunity.

After a dominant first half, wholesale changes were made at the break and in the second half to experiment with the team. The game continued as it had in the first half and was more of a formality than a hard fought match by the end.

The final whistle was a welcome sound for both teams, Mazenod running out 20-0 winners. Tom Jebb had a day out with eight goals, Grant Kozma was right at home in the team with a hat-trick on debut, Joe Romeo and Kieran Cork were both at the double and Jack Guy, Mason Langham, Noah Roderick-Smith, Sam West and Tom Pope all pitched in with a goal each. Our next fixture is looking like it’ll be against the B team and will definitely be a much greater challenge.

THANK YOU TO WEMBLEY DOWNS SOCCER CLUB

Mazenod College would like to take this opportunity of thanking the Wembley Downs Soccer Club for donating two sets of soccer goals.

MAZENOD OLD BOYS FOOTY TIPPING NEWS

Only one real upset this week with Geelong losing to Collingwood although there were a number of games which clearly divided opinion. No one picked 9 winners but we had 16 people pick 8 winners and another 38 people pick 7 winners. Of the 16 people who picked 8 winners The Footy Champ (Adam Disisto) was closest to the margin in Friday night’s game between Hawthorn and Sydney (one point off) and wins the weekly prize. Congratulations Adam!!

With regard to overall standings Steve Greenwood (Class of 1982) had another good week scoring 8, increasing his lead to three points and taking his total score to 64. Peter Unicomb has been joined in second place by Leo Conti (President of the Mazenod Old Boys Association and Class of 1982) and Jake Bayley (Class of 2012) all of whom are on 61 with 6 people sitting joint third on 60 winners.

This week’s fixtures start with a Friday night blockbuster between Sydney and North Melbourne. It’s hard to believe that a team that has won the first 9 games of the season wouldn’t start favourites but that’s the case here. Sydney’s win over Hawthorn last week was a huge confidence booster and GWS looking to consolidate their spot in the top 4.

Sydney v North Melbourne – Hard to see North’s soft early season draw clearly has people questioning North’s credentials; Sydney have won the first 9 games of the season wouldn’t start favourites but that’s the case here. Sydney’s win over Hawthorn last week was a huge confidence booster and GWS looking to consolidate their spot in the top 4.

Both sides had disappointing losses last week but you would expect Geelong to get back into the top 4; Geelong are paying $1.01 for the win, enough said.

Eagles v Western Bulldogs – Can Collingwood spring another upset? The Bulldogs should get back a couple of players to strengthen their backline in Boyd and Adams but likely to be a good game;

Brisbane v Hawthorn – This is a game being played in the Northern Territory so no real home ground advantage to Eastern States, Should be one of the closer games of the round;

ST Kilda v Fremantle – Hard to see Fremantle breaking their duck away from home against a side that always has a crack;

Essendon v Richmond – Dreamtime at the G is likely to turn into a nightmare for Essendon as Richmond continue their resurgence;

Adelaide v GWS – This game should be a cracker. Adelaide with a bit of confidence back and GWS looking to consolidate their spot in the top 4;

Carlton v Geelong – Both sides had disappointing losses last week but you would expect Geelong to get back into the winners circle;

Collingwood v Western Bulldogs – Can Collingwood spring another upset? The Bulldogs should get back a couple of players to strengthen their backline in Boyd and Adams but likely to be a good game;

Eagles v Gold Coast – The Eagles are paying $1.01 for the win, enough said.

ACC CROSS COUNTRY CARNIVAL PERMISSION SLIP 2016

I give my son __________________________ permission to attend the ACC Cross Country on Thursday 2nd June, 2016.

Parent Signature: __________________________ Contact number: __________________________
Hosting French Students in July (17 July-16 August)

For the last 8 years a programme has been in place offering the opportunity to young French students aged 14-17 years to discover Australia and its education system. We are looking for families willing to host students for the four weeks of their visit. They will travel to and from School with your children.

The purpose of the programme is for these French students to experience living with an Australian family, to see how an Australian school operates, to improve their English language skills through this full immersion and to create a strong friendship with their Anglophone peers. The programme is highly successful and both Australians and French students greatly enjoy the exchange. Many families still keep in touch with each other.

The students are fully briefed about the school rules, are not to leave the school premises and will attend classes daily. They will be fully covered by appropriate insurance.

Host families will be visited prior to the arrival by the organiser to explain the programme. We believe such an exchange is also highly beneficial for our Modern Languages students, opening their eyes (and ears!) to similarly minded students for an extended period.

Please contact Martine Floyd, email: martine.floyd@iinet.net.au / mob: 0403 019 609 if you are interested in hosting.
