Dear Parents

During the week, there have been the deaths of two people who have had some influence on the College over the years.

Fr Don Hughes OMI, presently on an assignment taking pastoral care of one of our Sydney parishes, returned home to officiate at the funeral Mass for Alan Bond, his former brother-in-law. Alan and his wife Eileen have been great supporters of the College, particularly in the early days of the College. As well as hosting meals for the Oblates, they also donated the bricks used for the construction of the McCarthy Library and the Priests’ Residence. They, along with members of the Hughes family, contributed generously when we were raising money to build the Fr Don Hughes OMI Performing Arts Centre. May he rest in peace.

Mrs Yvonne Burgu, one of the two people killed in a recent car accident on the Gibb River Road in the Kimberley, was the mother of three boys who attended the College, along with another three boys she fostered. She was a gracious lady, a leader in her community. I, along with some other members of Staff, visited the Gibb River Station community a few times and met her there. She impressed upon me, using her words that the indigenous kids needed to, “love their blackfella life, and had to have whitefella education.” That was her wish for her family and her extended family. She saw that it was a partnership between her people and the College to help provide a way for the future for her kids. A great person. May she rest in peace.

I would like to thank those who were able to attend the P&F meeting on Tuesday night. I also thank Mr Bruce Derby who led a productive discussion on reporting and the National Curriculum. More information will be provided in the months to come and should you seek any information or clarification about reporting, please feel free to contact the College.

Whilst in Melbourne last week for the Provincial Council, we were addressed by Dr Maureen Cleary on Governance matters pertaining to the College Boards of the Oblates. While from a civil perspective, there is no fundamental difference in governing a Catholic organization to governing other corporate entities. The legal and fiduciary duties are the same. The Governance difference is found in the fact that ours is a religious organization within the Catholic Church and therefore we have a religious meaning system that inspires and shapes the way things are “done”.

The College Board is going through a renewal at the moment. Professor Chris Brook stepped down from the Chair due to increased work commitments. He generously agreed to stay on for the first half of this year, having completed his term of appointment last year. I thank Professor Brook for his commitment to the College and his advice which he so generously offered. Mr Chris Loughnan will be acting Chair of the Board until the end of the year, when he too completes an extra year of appointment. The names of four people have been submitted to the Oblate Provincial, who appoints members of the Board.

Congratulations are in order for Gus May (11) who has been selected in the Australian Polo Crosse Representative Squad for 2015.

A final thought:  If we were meant to talk more than listen, we would have two mouths and one ear. Mark Twain

YEAR 10 PARENT-STUDENT INFORMATION EVENING – WEDNESDAY 24 JUNE

An important aspect of the Year 11 subject selection process for 2016 is the Parent-Student Information Evening to be held on Wednesday 24 June. The purpose of this evening is to provide you with information relevant to assisting your son choose a Senior School programme of study suitable to his ability, interests and aspirations. University and TAFE entry, workplace learning, VET and general subject selection issues will also be explained.

The evening will provide you with an opportunity to speak to Heads of Departments and teachers about specific Year 11 subjects and your son’s suitability for them. The main presentation will be limited to approximately one hour in order to provide you with more time for contact with teachers. There will also be University, TAFE and career displays with representatives available to answer questions.

The main presentation will commence at 7.00pm in the Gymnasium. Your son will be given a Subject Selection Information Handbook and work booklet at the beginning of Week 10. This should be brought on the information evening as it will be referred to during the presentation.

Parking will be available on the main oval. Students are expected to attend the evening and are required to wear full winter school uniform. A letter providing further details is on the Sharedrive.

Ms Jenny Knox – Acting Deputy Principal

SOCIETY & ENVIRONMENT DEPARTMENT NEWS

Last week Mazenod College held its annual Ancient World Week where students immersed themselves in the world of Ancient Rome and Ancient China. Throughout the term students have been studying both ancient cultures and this week’s activities gave them an opportunity to learn and experience what life would have been like for a soldier in ancient times. Students researched and created their very own ‘authentic’ armour, constructed chariots and even designed team shields and war cries to use as they marched into battle. The week culminated in a games day that included best dressed awards, chariot races and other games where the students battled valiantly for points towards the school’s house competition. Even the teachers joined in on the fun, with Head of Year, Chris Mason, dressing up as the Year 7’s fearless Emperor. The end of the games were celebrated by an elaborate feast made up of food provided by the students. Overall, the week allowed students to experience some hands on learning and provided them with many fond memories of their time in Year 7.

ART EXHIBITION CATERING COORDINATOR

We are in need of someone to take on the position of catering coordinator for the art exhibition in August. Please do not be daunted by the sound of this role as there are many people to support whoever takes it on. Kate Mizerski, who has filled the role for the past 3 years, has some wonderful recipes (with quantities needed) that she is happy to share.

It is a great way to meet some new people and have some laughs along the way. If you have a few friends you think you could share the job with please talk to them about your idea. If you are a little bit interested but scared at the prospect please call Anne Greenley on 9291 1535 (work) or 9454 5142 (home) to have a chat about what is involved. This call will by no means hold you to doing the job!

HEALTH & PHYSICAL EDUCATION NEWS and EVENTS

SENIOR BASKETBALL

The Senior Mazenod basketball team travelled to Thornlie Senior High School in their first knock out match of the All School’s Basketball Classic competition. Thornlie won the Southern Suburbs league to qualify for the knock out stage of the competition and with home court advantage looked like they would prove to be a tough test.

The opening quarter of the game proved to be just that with Mazenod missing several scoring opportunities and conceding an early lead to their hosts. The starting line-up of Reuben Healy, Ben Heyward, Jamon Childs, Cooper Lowe and Matthew Alexander dug deep to keep the scores close, but it was the introduction of Steele Flight that saw Mazenod take the lead into the half time break, 24-18.

The second half saw Mazenod playing as a far more cohesive unit and they really tightened up in defence limiting Thornlie to just 9 points. The second half belonged to Reuben who scored 13 points including three 3 pointers and Matt who scored 9. Matt also dominated the boards in defence and claimed 10 rebounds. Mitch Fernando and Logan Johnson also made telling contributions in the second half.

Leading scorers for the game were: Jamon 17, Reuben 13, Matt 11 and Steele 8. The umpire’s votes for MVP were: Cooper 3 and Reuben 2.

Our next game will be away at CBC Fremantle on Tuesday 16 June.

Good luck to all teams for this weekend.

**Eric Paini - MJFC President (0417 170 896)**

**Footy Tipping**

With the exception of Friday night’s boil over most games went pretty much as predicted and that is reflected in the scoring.

We had one person tip all nine winners, 19 people pick 8 winners and a further 61 pick 7 winners.

The winner of the $50 this week is **Tim Miller (Class of 2012)** who was the only person to pick 9 winners this week.

The leader board has tightened up with Tyrone Tuohy (Class of 1991) now joined by Bernie O'Reilly (Class of 1983 and not bad for a bloke living in London!!) on 64. We have six people one back on 63 and a further 15 people just two back on 62.

For the next three weeks we move into the bye rounds so only 6 games a week for the next three weeks.

While only 6 games there are still a number of intriguing games in Round 11.

Port Adelaide v Geelong kick things off on Friday night and you would imagine that this game would go right down to the wire;

Gold Coast Suns v Fremantle – You’ve got to feel sorry for the Suns as they face a Fremantle side looking to bounce back after their first loss of the season;

Eagles v Essendon – Essendon were incredibly disappointing against Geelong last week and the Eagles will be looking for a win after losing to North Melbourne in the windiest conditions I’ve ever seen;

North Melbourne v Sydney – This will be a much tougher game for Sydney than their last two (Carlton and Gold Coast);

Collingwood v GWS – These teams are in 4th and 5th positions respectively, not something you would have predicted at the beginning of the season, expect another close game;

Saint Kilda v Melbourne – Both these sides are due for a win; I’m just not sure which one will.

**The Mazenod Old Boys Association is pleased to announce that from Round 14 through to Round 23 the weekly prize will increase to $100. This increase in prize money is in recognition of the number of participants and also to try to encourage everyone to keep going even if they feel they can’t win the end of season prizes.**

**Sean Cameron (Class of 1982) and Basil Conti (Class of 1983)**
A Night with Scotty Cummings and Michael Barlow

Coleman Medalist and Mazenod Old Boy Scott Cummings and Walkey Award winner, Mark Readings cover stories and good times from the AFL career of one of football’s lovable larrikins. Michael Barlow, Freo champion and Ross Glendinning medallist will also present his story on his path into and through the AFL system.

After speaking to a packed gymnasium of junior footballers and parents in 2014, Scotty promised he would return with a full show for the Old Boys and he will not disappoint.

Year 10 Careers Carousel June 25
Calling all Mazenod parents – Are you willing to share your career journey with our Year 10 students?

The annual Careers Carousel is on again. This event is a key part of the Year 10 Subject Selection program for 2015.

The Carousel is essentially like careers speed dating, whereby presenters sit at a table in the gym and students rotate around in small groups to listen to each career story. Because you are only presenting to small groups at a time it is not scary, with each presentation lasting about 7 minutes. The morning starts at 8:30am and concludes at 10:25am, with a small morning tea for presenters afterwards.

If you would like to be involved, I would love to hear from you. I am seeking anyone and everyone with a story to tell. I would be especially keen to hear from any tradespeople who would be willing to talk about their career and the industry they work in.

My contact details are at the bottom of the last page.
