Dear Parents

As a group of Year 12s is undertaking a Kairos Retreat this weekend (Thursday afternoon to Sunday night) at New Norcia, please keep the boys in your prayers. As I will be with the boys, along with other staff members, I leave you the Archbishop’s message for your reflection.

MESSAGE FOR REFUGEE WEEK 2015
From the Most Rev Timothy Costelloe SDB, Archbishop of Perth

As the 2015 Refugee Week draws to an end, we are reminded that refugees and others forcibly driven away from their homelands challenge us as Christians not only to recognise Christ in the stranger and the needy, but also to welcome him. Indeed to fail to do so would be, as Pope Francis said recently in relation to refugees stranded on the open seas in the Bay of Bengal and the Andaman Sea, “an attack on life”.

In the Parable of the Good Samaritan, Jesus identifies the helpless and abandoned stranger as a neighbour we are called to care for. The stranger reminds us of our Christian obligation to offer compassion and practical assistance to all people without distinction as to religion or background, respecting in each of them their dignity as a human being made in the image of God.

In our Catholic understanding, the service of charity to our neighbour and our commitment to the Word of God and the Sacraments are two sides of the one coin. Together, they constitute our response to the “greatest commandment” which is to love God wholeheartedly and to love our neighbour as we love ourselves.

Even though migration in today’s world is changing and becoming more complex, refugees, along with everyone else, have a right to live free, dignified and self-reliant lives. They must not be demonised or robbed of their human dignity. Nor must they be abandoned or rejected. They share a common humanity with us. They are equally children of God.

Pope Francis is calling on the Church to be a “healer of wounds” and a “warmer of hearts”. Let us ask ourselves what this might be requiring of us as we think of those who come to us seeking shelter and hope.

Archbishop Timothy Costelloe SDB
Archbishop of Perth

YEAR 10/11 ONLINE LITERACY and NUMERACY (ONLA)

During the later stages of Term One, Year 10 students and some Year 11 students sat the Online Literacy and Numeracy Assessment (OLNA). This is a state wide test conducted by the School Curriculum and Standards Authority (SCSA).

Secondary Graduation at the completion of Year 12 is recognised by the achievement of the Western Australian Certificate of Education (WACE). One requirement of the WACE is to meet minimum standards in Literacy and Numeracy. This minimum standard is measured by students achieving the required benchmark in the OLNA.

If you have not received a personalised letter regarding his results, this means that your son has met the benchmarks in Reading, Writing and Numeracy. Letters were posted during the week.

SPECIAL VISITOR TO A YEAR 9 ENGLISH CLASS

This term Year 9 students have been reading a novel called Bamboo People. The novel is set in Burma. The author, Mitali Perkins wrote the book after visiting the Karenni refugee camps on the border of Burma and Thailand and seeing how tough life was for the refugees.

The book outlines the political situation in Burma and explains how the Karenni people end up in these camps. Mrs Jo McNally's Year 9 English class was delighted to welcome Sr Noeline to their class to talk about life in the camps. Sr Noeline, a JSA Sister, had worked in the camps and was able to give first-hand information about life in the camps. It was a great experience for the students.

SOCIETY & ENVIRONMENT DEPARTMENT NEWS

The Year 7 students attended the Art Gallery of Western Australia and the Perth Museum as part of the fieldwork/excursion on Wednesday June 10th. The students examined the works of the Art Gallery of WA and the historical artefacts of the museum. Many of the students had never visited the Art Gallery of WA and they greeted the works inclusive of paintings, sculptures, pottery and multimedia art with a mixture of excitement, intrigue and curiosity. The students then visited the Perth Museum and studied artefacts that were both cultural and natural. Students visited exhibitions such as the WA history, Dinosaurs and Diamonds, Indigenous, Butterfly, Bird and SW Fauna works. The boys took a great deal of interest in the artefacts and demonstrated enthusiasm of their tour.

The excursion provided students an opportunity to use the venues to demonstrate their learning across a number of areas such as S&E, English, Science and Religion. The boys were extremely well behaved and great ambassadors for the College. The Teaching staff are grateful of the help of the parents who attended – Ms Daff, Ms Arena, Ms Rosevear, Mr Lanzon, Mr Dyer, Ms Melville, Ms Van Niekerk, Ms Faulkner, Ms Della Franca, Mr Perella and Ms De Nardi – thank you all for helping to supervise and encouraging the students along for the day. Also a thanks to the staff who attended and helped to organise the excursion – Ms Betts, Ms Gault, Mr Pavlinovich, Ms Bulich, Mr Tuohy, Ms Settelmaier, Ms Worthington, Ms Scott and Mr Mason.

The final Round Robin game of the senior football competition saw Mazenod hosting LaSalle College. It was a big opportunity for the team to maintain their good form before the finals.

It was a cold and blustery afternoon, and football skill execution was going to be tough. Both teams were hard at the contest, and La Salle got the jump kicking with the strong breeze. Quickly the Mazenod midfield of Thomas Amos, Baylee James (1 goal), Zac Stacey and Daniel McKay (1 goal) took back control and gave the forwards plenty of supply. Lochlan Huntley (3 goals), Jack Trevenen, Lane Sedgwick (2 goals) and Jake Vaughan were silky smooth, and Lachlan Warlow and Kane Swithenbank were working hard across half forward.

After some missed opportunities and a couple of late goals to LaSalle, Mazenod were down by a small margin at half time.

Braden Jupp and Tristan Wasmann controlled the wings, both boys having outstanding games and setting up repeated forward entries. Again there were a few missed opportunities early in the second half before Nick Riethmuller slotted one on the left (from 60m out...??). Giles Dent was the general in defence, and had great support from Sam Hobbs, Wade Southcott, Jayden Watson, Rily Tanner and Nick Edmonds. Kale Eldridge and Jack Amos again showed their versatility, playing in different roles throughout the game.

A dominant second half saw Mazenod finish with a comfortable win. It was great to see the boys playing a great brand of team football.

Final Score: Mazenod 9.13.67 defeated La Salle 5.5.35

Thank you to all the Mazenod staff and parents who came along to support the team and assist with the game.

Mazenod finished 1st in the North Division with 4 wins and 1 loss and is well placed for the finals, an outstanding effort competing against quality football schools.

The quarter final will be Wednesday 24 June next week, here at Mazenod against Clontarf Aboriginal College, starting at 4pm. It would be great to see the Mazenod community come to the game to support the team.

A fantastic achievement and good luck to all students!

SENIOR BASKETBALL ALL BOYS COMPETITION QUARTER FINAL

The Senior Basketball team travelled for their second consecutive away fixture, this time facing CBC Fremantle who topped their group in the qualifying stages. Having a full strength starting five Mazenod made a positive start to the game with Jamon Child, Cooper Lowe and Reuben Healy edging us in front of the home team by the end of the first quarter. The second quarter saw Matthew Alexander and Steele Flight increasing the lead and giving us a 10 point lead at half time, however, a severe ankle injury to Reuben saw Logan Johnson introduced into the point guard role.

The second half saw much of the same with Mazenod dominating large portions of possession and intelligent play and steadily increasing their lead. Mitch Fernando and Ben Heyward played important roles from the bench as a result of the earlier injury. Cooper lead by example and topped the scoring with 21 points, Matthew and Steele collecting numerous rebounds, both in offence and defence but the MVP on Wednesday went to Jamon who looked dynamic as he scored 16 points.

This win sees us progress to the semi-final against Melville Senior High on Tuesday.

Yr 10 Careers Carousel – 25 June

Calling all Mazenod parents – Are you willing to share your career journey with our Year 10.

The annual Careers Carousel is on again. This event is a key part of the Year 10 Subject Selection program for 2015.

The Carousel is essentially like careers speed dating, whereby presenters sit at a table in the gym and students rotate around in small groups to listen to each career story. Because you are only presenting to small groups at a time it is not scary, with each presentation lasting about 7 minutes.

The morning starts at 8:30am and concludes at 10:25am, with a small morning tea for presenters afterwards.

If you would like to be involved, I would love to hear from you.

In particular I would love to hear from anyone with experience in: being a business owner. The medical or allied medical field (physio, pharmacist, radiographer, OT, speech pathology etc). The financial industry (accountant, stock broker etc). The environmental field. Also graphic design, blogging and internet based businesses etc., architecture etc.

If you are a tradesperson I would also love to hear from you.

Year 11 and 12 Work Experience

On Friday last week the 86 Year 11 and 12 non-ATAR students finished their two weeks of work experience. Overall the feedback from employers was outstanding and I felt very proud of the behaviour and respect that all Mazenod students showed during the placement.

It was an absolute pleasure for me to hear such positive feedback from employers. Some of the many positive comments included: “He was the best work experience student we have ever had.” “I would recommend him to any employer.” “If I was looking for an apprentice I would employ him straight away.” These comments just highlight how well these young men adapted to the workplace.

I always feel confident that Mazenod students will do the College proud out in the workplace and this placement was no exception. I would also like to thank the teachers who helped visit some of the students on work experience. The efforts of: Mrs Nelson, Miss Nickolai, Mr Buselich, Mr Johnson, Mr Grabski and Mrs Scanlan in visiting students made my job a lot easier.

With the exception of Friday night’s game the favourites prevailed, although in Saint Kilda’s case only just, and games went pretty much as predicted which is reflected in the scoring.

We had seven people tip all six winners and get the bonus of a free Hungry Jacks Whopper, with 49 people picking 5 winners.

For the second time this season we have joint winners. Kevin Vitali and Jared Nenke both picked 6 winners and were only 3 points off the margin in Friday night’s game between Port Adelaide and Geelong. Kevin and Jared will get $25 each.

As was the case last week Tyrone Tuohy (Class of 1991) and Bernie O’Reilly (Class of 1983) remain out in front on 69. We have four people one back on 68 and a further 11 people just two back on 67.

For some reason this round starts on a Thursday night with Adelaide taking on Hawthorn – I doubt home ground advantage will be enough to get Adelaide over the line.

Friday night football features an in form and rested Richmond taking on the Eagles in the game of the round. The result should tell us something about both sides.

Carlton vs Port Adelaide – Surely Port aren’t so out of form that they’ll lose to Carlton.

GWS v North Melbourne – GWS are a much better side at home but North will be desperate.

Western Bulldogs v Brisbane – Both sides have had the week off, who will come back in better form?

The round finishes with only the one game on Sunday with Geelong taking on Melbourne down at Simonds Stadium, enough said.

As mentioned last week, from Round 14 through to Round 23 the weekly prize will increase to $100. This increase in prize money is in recognition of the number of participants and also to try to encourage everyone to keep going even if they feel they can’t win the end of season prizes.
