Dear Parents,

During the week, we welcomed Fr Giovanni Zevola OMI to Mazenod College. Fr Giovanni is based at the Oblate mission in Beijing and along with Fr Luc Young, coordinates the immersion experiences for visiting students from our school. At this stage, we have had 13 students visit the mission. Fr Giovanni met with staff, visited classes to speak to students and shared lunch with the students who have visited China previously.

Fr Giovanni took the opportunity to promote the "Partner in Mission" programme in Beijing whereby the Oblates seek volunteers to join them in their mission to support the poor and marginalised (generally migrant Chinese families) in education, health and welfare. The opportunity to travel to China to engage with the Oblates as a Partner in Mission is available to parents, staff, Old Boys or any friends of Mazenod College. The ministry in China includes teaching conversational English and working with sick and abandoned babies and young children. You do not need to be a trained teacher nor do you need to speak Chinese. For further information about volunteering as a PIM, go to the following website; http://www.oblates.com.au/MAMI/PartnersinMission.aspx

We have been truly blessed not only to have been visited by Fr Giovanni but also Fr Erik (Guangzhou mission) and Fr Rohan (Sri Lankan Province) during the year. These visits strengthen our strategic priority of Faith and Stewardship. As a College we are charged with the responsibility of continuing the Mazenod story. We are challenged to nurture the charism and Oblate traditions and integrate them into the formation of young Christian men. We must promote a strong understanding of the Mazenod story through our conversations, classroom lessons, assemblies, meetings and through publications such as the Newsletter. Importantly we must integrate the Mazenod story into our mission and core values and ensure that these values are put into action so as to strengthen our Oblate culture.

Not that we should need special visits to remember our heritage, but they represent times to reflect on the blessings that we all share by having the opportunity to be a member of the Mazenod community. The inspiration that our Founder, St Eugene de Mazenod had for helping the youth was always evident in his life. We stress to students that when they pass the two iconic quotes in the school grounds, that they reflect on what it means for them. Firstly we have the statement; “come, learn what you are in the eyes of God”. This statement is at the heart of the value of respecting the dignity of all. It is not just respecting others but respecting yourself. It means that we are all unique, special, to be loved and that we are created in the likeness and image of God.

Then in the quadrangle we have the statement; “Leave nothing undared for the Kingdom of God”. Leave nothing undared essentially challenges your son to do his best at everything he does and to take every opportunity to be involved in the life of the College. Leaving nothing undared inspires us to take risks, risks that take us out of our comfort zone, to take risks to break away from negative peer pressure and to make good decisions. It inspires students to be resilient by accepting that we all experience failures, but rather than giving up, they learn and grow from failures and disappointments.

“We look to saints like Eugene not to borrow their courage and zeal but, with God’s grace, to discover our own, and from there, come and learn who we are in the eyes of God”.

Lives, Lessons and Feast by Leonard Foley, O.F.M.

Mr John Payne (Principal)
An important aspect of the Year 11 subject selection process for 2017 is the Parent-Student Information Evening to be held on Wednesday 29 June. The purpose of this evening is to provide you with information relevant to assisting your son choose a Senior School programme of study suitable to his ability, interests and aspirations. University and TAFE entry, workplace learning, VET and general subject selection issues will also be explained.

The evening will provide you with an opportunity to speak to Heads of Departments and teachers about specific Year 11 subjects and your son’s suitability for them. The main presentation will be limited to approximately one hour in order to provide you with more time for contact with teachers. There will also be University, TAFE and career displays with representatives available to answer questions.

The main presentation will commence at 7.00pm in the Gymnasium. Your son will be given a Subject Selection Information Handbook and work booklet during Week 9. This should be brought on the information evening as it will be referred to during the presentation.

Parking will be available on the main oval. Students are expected to attend the evening and are required to wear full winter school uniform. A letter providing further details is on page 7 and SharePoint.

Ms Jenny Knox – Deputy Principal (Senior School)
Thank you to those families who have already returned their books. We appreciate your support. Best of luck for the draw!

We still have many books outstanding. Please get your books in as soon as possible. It does not matter how many tickets are sold in a book. You can still make it into the draw if you get your books back before next Wednesday.

This year you could win one of 13 great prizes in the major draw:

EAGLES CUP – 8/9 Football Match v Governor Stirling SHS

Last Thursday 9th June, the 8/9 football team travelled to Swan Athletic Sporting Club to play Governor Stirling in the next round of the competition. Governor Stirling had been undefeated thus far and Mazenod were looking to get their hands on the ball first to get early pressure on the scoreboard. This is exactly what occurred. Jayden Wood, Jai Teale and Ashley Brockbernd were all strong around the contest and finishing the play up forward was Giacomo Paduano and Dylan Brockbernd. Some outstanding intercept marks and run and carry from Braeden McKeown and with the defence led by Ryan Le Tessier, Will Collins, Tyler Clatworthy and Brendan Garfield made sure the pressure was relentless. Mazenod went into halftime with a slender 8 point lead.

The second half was an enthralling contest with both teams playing a great brand of football. It came down to the final moments when Liam Bradford was able to take a contested mark and coolly slot the goal with seconds remaining to give Mazenod a 4 point win!

Final scores were: Mazenod: 6.3 (39) to Governor Stirling: 5.5 (35). Best Players: Jai Teale, Jayden Wood, Ashley Brockbernd, Giacomo Paduano and Liam Bradford. Thanks to all the wonderful support from parents and friends!

Mr Jake Akmens – Sports Coordinator
The final pool match for the 8/9 football team was played on Tuesday 14th June against Darling Range. The game was very important as a win for Mazenod could see them finish top of the pool heading into the finals. The crowd that assembled was huge and from the opening bounce the team put their foot down. Winning the clearances was pivotal for success and great ruck work from Blake Boys allowed solid contributions from Jai Teale, Ashley Brockbernd, Jayden Wood, Ethan Shardlow and Jack Hamilton.

The backline was also doing a fantastic job of restricting each forward movement of the opposition led by Will Collins, Mitch Massam, Dylan Brockbernd, Ryan Le Tessier and Brendan Garfield. Mazenod were able to convert possession into quick ball movement which allowed the forwards to gain control on the scoreboard. Liam Bradford showed a lot of class with his marking and with excellent support from Giacomo Paduano, Ashton Zuin, Blake Daff and Jordan Raschella. The team played an excellent brand of football eventually running out winners: 11.10 (76) to Darling Range 0.2(2).

Best players were: Jai Teale, Dylan Brockbernd, Ashley Brockbernd, Mitchell Massam, Ethan Shardlow and Liam Bradford.

The result means that we qualify for the next phase of the competition, with a game against Governor Stirling next week. The timing of the match has not yet been scheduled but I will inform parents as soon as I hear. A big thank you to Mr Delaney for umpiring. Mr Grabski for his assistance, all the staff that came and watched and to the parents for their continued support.

The team will host Governor Stirling at the College oval next Tuesday 21st June at 4pm. This is the first final of the competition and a win would see Mazenod move into the final 8. It would be great to see as much support as possible for the team.

Mr Jake Akmens – Sports Coordinator

SENIOR BASKETBALL

Having topped the Hills Basketball League in Term 1, the knock out stages of the All Schools competition began this term. The senior squad have successfully navigated the last 16 game against Clontarf and the quarter final game against CBC Fremantle.

LAST 16 V CLONTARF

The senior basketball squad headed to Curtin University for their last 16 clash against Clontarf, with all members of the squad other than Connor Whitley available to play the team were in an upbeat mood. The teams were fairly evenly matched in terms of size and skill but Jamon Child proved to be the difference early on, hitting a three pointer with the first play of the match, and scoring a total of 16 points in the first half. Matthew Haigh, Reuben Healy and Lachlan Ebsary also adding to the Mazenod score to give us a 28 point to 17 lead at the break.

The second half saw Clontarf put us under early pressure and claw back at the lead Mazenod had built. Jordan Herbert and Josh Povey joined the scorers in the second half as eventually Mazenod extended their lead to 53 to 37 at the final siren. MVP votes for the game unsurprisingly went to Jamon (3) and Reuben (2), although Matthew also laid claims to the votes with a tremendous effort.

QUARTER FINAL

Again the Mazenod squad had to hit the road for another away game in the Quarter final of the All Schools Basketball competition this time facing CBC Fremantle. The squad was hit by injuries and withdrawals due to work experience, missing 4 of the original squad. The game again started brightly, this time Reuben hitting a three pointer with the first play of the game. Scoring was free flowing for both teams in the opening 10 minutes, as the starters for CBC tired Mazenod took advantage, tightened up defensively and accelerated away to a 46 to 19 lead at half time.

In the second half Mazenod continued to dominate, the full squad got the opportunity to get plenty of court time and we pulled away to a 76 to 45 score line at the final buzzer. Leading scorers for Mazenod were Jamon 25, Reuben 18, Nic Parry 14 (including 2 big three pointers late in the second half) and Matthew 13. The MVP votes went: 3 votes Jamon and 1 vote Reuben.

The semi-final will be played on Tuesday 21st at 4pm in the Mazenod Gym, come down and support the team against Corpus Christi.

1ST 18 FOOTBALL TEAM DEFEAT MATER DEI COLLEGE IN FINAL POOL GAME

Wednesday was the final game in the Round Robin stage of the Top Tier Schoolboys Football Competition. A win would secure second spot on the ladder, and a home quarter final. With exams and workplace learning still happening, an opportunity presented itself for 12 students to make the 1ST 18 debut and push for selection in the coming final series. Mater Dei were one game behind Mazenod and also looking for a win to get second spot.

The first half was fierce and both sides were attacking the ball hard. Both teams had numbers behind the ball and scoring was difficult. Tanner Swithenbank, Luke English, Adam Disisto and Baylee James were outstanding through the midfield and Max Romaine with Jason Peebles were solid in defence. At half time Mazenod lead by 1 goal.

Mater Dei kicked the first in the second half, but Mazenod took control from then on, kicking the next 3 goals to win the game. Kyle Sermon was excellent when moved into the forward line, and Jaxon Lombardini, Maverick Hamilton and Luke Henderson worked very well together in attack.

All the players were outstanding in their sportsmanship and effort on the field. The result is a testament to the depth of football talent at the College.

It was great to see a number of parents and staff make the long journey to support the team, and I would like to personally thank Mrs Belinda Bowron for her assistance and care of one of our injured players. Another fine example of the Mazenod community working together. Thanks to staff members Mr Akmens and Mr Hemley and students Scott Ellis and Lleyton Jose for their assistance during the game.

Finals fixtures will be confirmed in the coming days, but our next game should be scheduled here at Mazenod on Wednesday next week. Please come along to watch some great football and support the team.

Debutants: Jason Peebles, Cooper Brown, Joel Curtis, Max Romaine, Austin Leaver, Adam Disisto, Thomas Bennier, Tavis Pool, Maverick Hamilton, Joel Peters, Brock Bowron.

Goals: Baylee James, Brock Bowron, Luke Henderson, Kyle Sermon, Jaxon Lombardini

MAZENOD COLLEGE INTERMEDIATE SOCCER REPORT

The Mazenod College Intermediate soccer team played their fourth game of the Champion Schools Football Cup season away against the always strong Southern River College. Both schools had been undefeated so far this tournament each having recorded strong wins in their previous games.

The game started very quickly and the Southern River side totally dominated a stunned and slow Mazenod. Southern River scored their first goal through some very neat foot work from their forward through a shot that beat goalkeeper Matthew Knight at the top corner. The goal seemed to spark a stunned Mazenod side who responded with 2 very quick well worked goals that changed the momentum of the game. Mazenod went into the half time break leading 2-1.

The second half was totally dominated by Southern River but the Mazenod defence held strong, eventually Ben Passmore caught out the napping Southern River defence placing a perfect through ball to “goal machine” Luke Della Posta who scored Mazenod’s third goal. The game ended with Mazenod College winning the game 3-1 and in doing so booking a place in the second round of the competition. Again Takunda Matikiti and Connor Hunter were outstanding in defence, while James Draper and Ben Passmore worked hard all game in the midfield. A big thank you to all the parents who came down and supported the team.

Our next game is an away fixture to Lumen Christi.

MAZENOD OLD BOYS FOOTY TIPPING NEWS

As predicted Round 12 was the most difficult round of the year to date to score well, with many of the leaders only scoring 5s and 6s. That being said there were also a number of tipsters who did very well relative to others with both Mitch Price (Year 10 student) and Trent Meyers having a great week and managing to pick 8 winners. Mitch won the weekly prize of $50 by being closest (28 points) to the margin in Hawthorn’s smashing of Essendon, congratulations Mitch. We had a further 12 people pick 7 winners meaning 88% of the competition picked 6 or less!!

With regard to overall standings, the leader board has all of a sudden become very congested. However Steve Greenwood (Class of 1982) and Jake Bayley (Class of 2012) remain out in front on 82 and while they have a two game lead the chasing pack is growing in number. Five people Edie Jennings, Adam Disisto, Luke Adams (Class of 2008), Judy Evans and Aaron Ogg (Class of 2003) all share second place on 80 with a further 8 people in equal third place on 79. So we have 15 people within 3 of the lead!!

As advised last week, the Mazenod Old Boys Association is pleased to announce that from this Round (13) onwards through to the end of the season the weekly prize money will increase to $100.

Round 13 is the first of the bye rounds with only 6 games being played for each of the next three weeks.

- The Round starts with North Melbourne taking on Hawthorn. North picked up a few injuries in their loss to Geelong and Hawthorn have had tougher training sessions than their game against Essendon. Should be a good game.
- Brisbane v Eagles – The Eagles probably won’t get a better chance than this to win away from home, Brisbane were horrible against Fremantle;
- Fremantle v Port Adelaide – Are Fremantle back in some sort of form or have they just beaten two very ordinary sides? A tough game to pick with both sides thinking they would be every chance to win;
- Western Bulldogs v Geelong – 4th v 2nd. Should be a great game. The Bulldogs will need to curb the dynamic duo of Dangerfield and Selwood to have any chance.
- Sydney v Melbourne – You would expect Sydney to bounce back from their disappointing loss to GWS but Melbourne will be keen to keep improving even if a win is unlikely.
- Essendon v GWS – A chance for GWS to rest a couple of sore players eg Stevie J and at the same time improve their percentage.

Sean Cameron and Basil Conti - On behalf of the Mazenod Old Boys Association
Dear Parents,

As part of the subject selection process for Year 11, there will be an intensive 1 week program to assist students in choosing an appropriate program of study and begin or enhance the careers exploration process. This program will begin on the 22nd June and conclude on the 30th June. Please ensure your son is able to attend each day. This program includes various guest speakers and workshops regarding tertiary education and career options. In addition, the Heads of Department will outline the specifics of all subjects that are offered in Year 11 at Mazenod.

As a part of the Subject Selection Program, students will receive a Subject Selection Information Handbook and a Workbook. They will be distributed to students in Week 9 and are very important documents for the subject selection process. As parents, you are encouraged to work through these documents with your son.

Another important aspect of the subject selection process is the Parent and Student Information Evening on Wednesday 29th June. The purpose of this evening is to provide you and your son with information relevant to assist your son in choosing a Year 11 and 12 program of study suitable for his ability, interests and aspirations. Tertiary entry, careers, workplace learning and general subject selection issues will also be explained. The information presented will be significant for assisting your son to choose the most appropriate program of study for Year 11.

The evening will provide you with an opportunity to speak to Heads of Department and teachers about specific Year 11 subjects and your son’s suitability for them. The main presentation will be limited to approximately one hour in order to provide you with more time for contact with teachers. There will also be a University, TAFE and careers expo with representatives available to answer your questions.

The evening will commence at 7.00pm and finish at 9:00pm in the College Gymnasium. Please bring the Subject Selection Information Handbook and Workbook your son will be given during Week 9 as it will be referred to during the presentation.

Parking will be available on the main oval. All students are expected to attend the evening and are required to wear full winter school uniform.

To assist with our planning, please complete the reply slip below and return to your son’s Form teacher by Friday 24th June.

Yours sincerely

Mr Michael Frank
Head of Year Ten
10th June 2016

Next week our Year 10 students will begin the process of choosing a programme of study for senior school. This process may at times, seem quite daunting. Whilst subject selection is very important in shaping future pathways students are reminded that they are choosing a subject and not a career.

To assist with the process of choosing a Senior School programme of study and career exploration, students will embark on an intensive two week programme commencing with the Careers Carousel on the 23rd June. We will also have workshops on University and TAFE entry, guest speakers from a variety of industries and staff will provide presentations outlining the specific subjects that are offered in Year 11 at Mazenod College.

Students should start to seek as much advice and information as possible in determining a realistic learning programme.
