Dear Parents

Last weekend I joined staff and 15 of our Year 12 young men for our first Kairos weekend. It was a powerful experience for us all. We are privileged to have such fine young men in our College community. I thank all involved in the preparation and presentation of the weekend. We were led by three old boys from CBC Fremantle, with two of their staff.

The Year Ten Parent Information evening was well attended. I thank Ms Knox and all involved in the evening. It is important that the boys, in selecting their subjects for Senior School, are both well-informed and realistic. The world in which they will graduate, is far different from the world when they began their schooling. This is especially so with the advances in technology. Between smartphones, tablets and personal computers, we have instant and constant access to each other and to the Internet. Superficially, this seems to be a great benefit, but in practice we can now be interrupted at any time, in any place, no matter what we are doing.

The French philosopher Jacques Ellul takes a harsh view of such technology: “Once a technology enters a culture, it takes over. It feeds on itself, assisted by eager adoption and demands for more of it…the predictable result is the loss of existing cultural traditions and the emergence of a new culture”. Perhaps food for thought?

Earlier in the year, Mazenod College joined the International Coalition of Boys’ Schools to ensure that we were continually learning from some of the best boys’ schools in the world. All Oblate Colleges in Australia are now a part of this international coalition. Founded in 1995, the International Boys’ Schools Coalition is a not-for-profit organization of schools dedicated to the education and development of boys worldwide, the professional growth of those who work with them, and the advocacy and the advancement of institutions–primarily schools for boys–that serve them. Its aim is to be the leading voice in boys’ education world-wide, committed to sharing knowledge and expertise with educators of boys everywhere. At the heart of its work together is guiding boys on the journey to manhood for lives of achievement and fulfillment, compassion and justice, and service and leadership.

Next week, I head to South Africa for the Annual Conference where guest speakers will include Bishop Desmond Tutu alongside members of Nelson Mandela’s family and entourage. The conference will look at the role of leadership, service and the incredible legacy of Nelson Mandela. The three rectors of our Oblate Colleges were given the opportunity to attend and Fr Michael Twigg OMI and I will represent the province. I believe that it is important for us to avail ourselves of any opportunity to become acquainted with best practice in the education of our boys. Conferences such as these often provide the stimulus for such practice.

The Year 12 Ball will be held next Thursday evening. I trust that it will be an enjoyable evening for all. Of course there is always the temptation to have after Ball parties. These are entirely unnecessary and unwise events and they send the wrong message to our boys.

A final thought: The best thing parents can do for their children is to love each other.

Fr Peter Daly OMI (Rector)
Semester One Reports

A document has been emailed to all families regarding reporting of the Australian Curriculum for Years 7-10 at the end of this semester.

Student reports will indicate Australian Curriculum grades for English, Maths and Science. For other subjects, grades will be based on existing measures of achievement. These grades range from A (Excellent Achievement) to E (Very Low Achievement).

In streamed courses, reports will indicate a grade (A-E), which will be based on the Australian Curriculum. These reports will also include a Course Achievement indicator (Excellent – Very Low), which shows student achievement relative to the ability stream that they are in.

Further details on this are available on the College website (click here), including videos and links to extra information about the Australian Curriculum.

Mr Bruce Derby – Deputy Principal (Teaching & Learning)

YEAR 10 SUBJECT SELECTION

Thank you to parents and students for your support of the Year 10 Subject Selection Information Evening on Wednesday night. Hopefully, the evening was informative and helpful.

As part of the Subject Selection Process, the students were part of a Careers Carousel where they heard about a range of different careers and had the opportunity to ask questions. The boys have also heard from a range of presenters from tertiary and training institutions to Heads of Departments and Year 12 students.

Thanks to Mr Frank, Mr Delaney, Mr Logan, Mr Vallis, Heads of Departments, all of our guest speakers and staff who have assisted the Year 10s in the process of choosing the right subjects in Year 11 and 12. The Subject Selection programme finishes next Wednesday.

The key dates in Year 10 Subject Selection for next term are:

- Parent Teacher Interviews (July 30)
- Initial subject selection (August 3)
- Creation of the 2016 grid (subjects that are not viable are removed from the grid)
- Students choose again from the grid specifically those who did not have all 6 choices satisfied
- Confirmation of 2016 program of study with Term 3 reports.

**FIRST 18 FOOTBALL FINAL: MAZENOD COLLEGE v CLONTARF COLLEGE**

**MAZENOD WINS!**

After finishing on top of their pool in the round robin stages, Mazenod hosted Clontarf College in the first knock out game of the finals. The Mazenod community was there in force, with parents, friends, teachers and students supporting the team.

With a few key players missing due to illness, Brenton Lucas, Harry Carpenter and Fynn Andrews stepped up to help out the team and played important roles. Kane Swithinbank (1 goal), Bradon Jupp and Lane Sedgwick (1 goal) were on fire early and Jack Amos was providing a good target. Thomas Amos was marking everything, Baylee James (1 goal) was dominating and Zac Stacey, Jake Vaughan (1 goal), Lachlan Warlow and Daniel McKay were creating excellent midfield pressure, it was game on! The defensive unit lead by Rily Tanner and Giles Dent (2 goal) repelled most attacks from the opposition, and Nick Riethmüller, Wade Southcott, Daniel Sala Tenna, Sam Hobbs and Harry Carpenter provided excellent run off half back.

It was goal for goal until Clontarf kicked a couple in a row to lead by 2 goals at half time.

The second half saw the game start to sway in Mazenod’s favour. Tristan Wasmann, Jack Trevenen, Baylee James and Braden Jupp continued to battle hard and win the contested ball. Mazenod fought back, through determination and courage and were within 1 goal with only a couple of minutes left on the clock. Giles Dent was pushed forward and marked deep in the forward pocket, 40m out, went back and nailed what turned out to be the winning goal! Mazenod won by 5 points!

**FINAL SCORE:** Mazenod 6.6.42 defeated Clontarf 5.7.37

It was an outstanding victory for the team against quality opposition. All the players worked hard together and never gave up. The team now progress to the semi-final against Darling Range Sports College next week. The game will be played here at Mazenod College at 4pm on Wednesday 1 July.

Thanks again to all the parents, friends, staff and students who supported the team, and I hope to see you all back here next week for the semi. Thanks to Jake Akmens and Beau Hemley for their help, and to Jake Delaney for goal umpiring.

*Mr Tim Grabski – Head of Health & Physical Education*
As anticipated Melville proved a tough challenge in the semi-final fixture of the All Schools Senior Basketball competition. With home court advantage Mazenod started brightly with four different scorers (Steele Flight, Cooper Lowe, Matt Alexander and Jamon Childs) in the first five minutes easing us to a slight lead, which we held for the first half. A lack of discipline saw Mazenod pick up 7 team fouls in the first 15 minutes of the game which meant Melville was sent to the free-throw line for every subsequent foul, clawing their way back into the game.

Melville came out for the second half with a much greater intensity and hit three successive three-pointers to take the lead for the first time in the game. The introduction of Ben Heyward into the point guard position saw Mazenod slowly claw back at the 7 point lead that Melville had. Ben’s composure built a platform from which Cooper and Steele could freely score, adding 12 points in the final few minutes. Frustrations came to the boil in the final minutes of a game that could have gone either way, but thankfully the Mazenod team showed the greater composure and ended up winning the game, 52-45.

**Leading scorers:** Steele 18, Cooper 15 and Matt 8.  
**MVP votes:** Cooper 3 and Steele 1.

The result sees us playing in the Grand final next Tuesday 30 June at the State Basketball Centre with a 4.30pm tip off.

**MAZENOD SENIOR B SOCCER REPORT: Mazenod v Rehoboth Christian College**

On Monday 22, Mazenod Senior B Soccer Team travelled down to Rehoboth College to play a group stage game of the **Champion School Soccer Competition**. A win would have given the team a chance to progress through to the next round of the competition.

The game started very quickly with Mazenod dominating the possession but found themselves 1 goal down after Rehoboth scored a quick breakaway goal. Mazenod continued to dominate possession and peppered the Rehoboth goal with no luck.

Mazenod went into the half time break 1 nil down.

The second half was very similar to the first with Mazenod dominating the possession but still unable to score the vital goal, eventually the game ended with Rehoboth winning 3-1. Jaxon Graham, Grant Kozma and Lachlan Leybourne were dominant throughout the game and should be commended on their performance. The loss means the B team will not progress through to the next round of the competition but will look to finish off with a win against Southern River College next week.

**FOOTYTIPPING**

Two big upsets certainly impacted scoring this week and with the Eagles also winning, 75% of the competition scored 3 or less this week.

We had only one person, **Eddie Zuin** (who has sons in Year 8 and Year 12), tip 5 winners with 28 people also doing very well to pick 4 winners.

**Tyrone Tuohy** (Class of 1991) and **Bernie O'Reilly** (Class of 1983) have been joined by **Kasey Pass** (Class of 2004) on 72. We have five people one back on 71 and a further 9 people just two back on 70.

For the second week in a row the round starts on a Thursday night, this time Fremantle are playing Collingwood. A lot of people seem to think that Fremantle were in desperate need of the week off after disappointing performances against Richmond and Gold Coast, I'm sure they’ll bounce back against a plucky Collingwood.

Sydney v Richmond – Richmond certainly seemed off their game against the Eagles (or maybe I’m just not giving the Eagles enough credit) either way they’ll need to be at their absolute best to beat Sydney.

Hawthorn v Essendon – can only see one winner here but as last week showed us, upsets do happen.

Brisbane v Adelaide – Adelaide will be looking to consolidate their place in the eight.

Saint Kilda v Bulldogs – Remember the Round 6 game when Saint Kilda came from 55 points down early in the third term to win by 7 points? Which team will prevail this time around?

Carlton v Gold Coast – 16th v 18th. Will this game mark Gary Ablett’s return? Can Carlton win 2 in a row?

This week will be the last week where the weekly prize will be $50, from Round 14 through to Round 23 the weekly prize will increase to $100. This increase in prize money is in recognition of the number of participants and also to try to encourage everyone to keep going even if they feel they can’t win the end of season prizes.
