Dear Parents

Year 10 students completed their exams this week and are now involved in an eight day subject selection programme. They will be engaged in a series of lectures, presentations and workshops to develop their understanding of Senior School WACE requirements, the range of subjects available and careers education. The programme will conclude with a parent information evening.

Choosing a set of subjects for Senior School does not need to be a time where definitive career decisions are made. It should be seen as a time when students are confronted with the interesting and challenging task of exploring career options as career exploration will not end once a Senior School programme of study is chosen. Achieving at a high level, no matter what type of programme of study is chosen, will allow students to keep more career options open.

In order to achieve success in Senior School subjects, students need to have demonstrated a high degree of academic ability, a thorough work ethic and commendable achievement in Year 10 courses. Without this background, students invariably have difficulty with Year 11 course content, particularly in the complex ATAR courses. It is essential that parents and students take careful note of individual course prerequisites as outlined in the subject selection book.

Importantly, students should choose subjects in which they have an active interest and have experienced engagement and success in the past. The variety of courses available gives students the opportunity to pursue their particular interests at whatever level they are able to perform.

In addition to the suite of ATAR and General Courses offered, students also have the opportunity to enrol in Vocational Education and Training (VET) Certificates. Vocational learning is delivered within the broader curriculum and includes access to practical learning delivered in real or simulated work places and the competencies completed in each VET Certificate fosters careers education. Through vocational learning, secondary students can explore the world of work, identify career options and achieve competencies that will enhance their post-school transition.

VET enables students to acquire workplace skills through nationally recognised modules described within an industry-developed training package. The achievement of a VET qualification signifies that a student has demonstrated competency against the skills and knowledge required to perform effectively in the workplace. VET is delivered to Mazenod students in the context of Construction, Engineering (Metals), Information Technology, Sport and Recreation (Physical Education) and Science.

In addition to studying VET Certificates, Senior School students can enrol in Workplace Learning. In this programme, students complete four weeks of workplace learning each year. After successful completion of this programme, students receive credit which counts towards the WACE requirements and points can be accumulated for TAFE entry.

As previously communicated, the College Board has approved the planning to build a new Design and Technology Centre. This decision will not only facilitate the growing demand for VET based courses but will provide flexibility for further course offerings in the future. The design of the new Centre is over the page. It is hoped that construction will commence next year with the Centre to be opened for the 2018 school year.

Finally, a reflection;

_Nobody said it would be easy! Many people are sentenced to mediocrity – not because they don’t have the talent but because they don’t have the willpower, desire, ambition or commitment. One thing is certain - there will need to be much time, energy and resilience expended by people in their quest for excellence._

YEAR 10 PARENT-STUDENT INFORMATION EVENING – WEDNESDAY 29 JUNE @ 7:00pm

An important aspect of the Year 11 subject selection process for 2017 is the Parent-Student Information Evening to be held on Wednesday 29 June. The purpose of this evening is to provide you with information relevant to assisting your son choose a Senior School programme of study suitable to his ability, interests and aspirations. University and TAFE entry, workplace learning, VET and general subject selection issues will also be explained.

The evening will provide you with an opportunity to speak to Heads of Departments and teachers about specific Year 11 subjects and your son’s suitability for them. The main presentation will be limited to approximately one hour in order to provide you with more time for contact with teachers. There will also be University, TAFE and career displays with representatives available to answer questions.

The main presentation will commence at 7:00pm in the Gymnasium. Your son will be given a Subject Selection Information Handbook and work booklet during Week 9. This should be brought on the information evening as it will be referred to during the presentation.

Parking will be available on the main oval. Students are expected to attend the evening and are required to wear full winter school uniform. A letter providing further details is on SharePoint.

McCARTHY LIBRARY NEWS

HOLIDAY READING

The ABC is currently broadcasting a 4 part documentary “Revolution School”. Episode 2 focuses on literacy and independent reading with literacy consultant (Dianne Snowball) emphasising that high achieving students read three times more than low achieving students. Research shows that reading is one element that can make a huge difference to everything students do and reading for 10-15 minutes each day has the potential to develop vocabulary, enable students to better understand and articulate information and to analyse complex questions. Added to these benefits are better speech, spelling and confidence.

With the school holidays only ONE week away we ask parents to encourage their son/s to visit the library and bring home some books for reading throughout the school holidays. Library staff are on hand to recommend great reads and to place into the hands of our reluctant readers that one book that might springboard them into becoming authentically interested readers.

Remember, 10 minutes reading daily during the holidays might be the impetus for your son to build reading capacity to 15-20 minutes daily and better prepare him for the learning ahead.

Mrs Penny Worthington – Head of McCarthy Library
During week 7 of this term, the Year 7 students as part of their study of History took part in Ancient Rome week, culminating in Ancient Rome Day on Friday, 10 June. The students worked together in groups on their academic assessment for Society and Environment (S&E) and also prepared for Ancient Rome Day. The students created chariots (with the help of kindly donated wheelbarrows), armour and other costume accessories. On Ancient Rome Day – students took part in a number of Form and House activities such as a Form parade, best dressed costume, chariot race, battle cries and house games. The day was a great success due to the students’ hard work and active participation, the Year 7 S&E teachers – Ms Gault, Ms Betts, Ms Worthington and Ms Wynn and also the Year 7 Form teachers.

I would like to thank Miss Betts, the Year 7 Curriculum Coordinator, and Mr Mason, the Head of Year 7, for their wonderful work and organisation in making the Ancient Rome week successful. The students did have a lot of fun, but also learnt about Ancient Roman culture, Ancient Roman history and to work together with groups of students whom were not necessarily their best friends. For some it was out of their comfort zone but nevertheless, the vast majority of boys were able to work within the situation presented to them. A final thank you to the Year 7 parents for helping with the boys’ costumes and also for providing food for the day. There were many parents who helped out in the school kitchen warming up and preparing the lunches for the students.

The next significant activity for Year 7’s will be in term 3 with the Geography Expo – we look forward to it.

Mr Kostecki - Head of Society and Environment

Grandparents Day Mass 2016- Friday 22nd July

The College is holding a special Mass in celebration of all of our Grandparents who are welcome to join us in celebrating this Day. The Mass will be held in the College Chapel at 9.50am on Friday the 22nd July, followed by morning tea in the PAC foyer.

Grandparents are welcome to invite their grandson to Mass and morning tea.

Please RSVP Mrs Lima on lima.lorraine@mazenod.wa.edu.au by the 20th July 2016

This will allow the College to arrange for those students to be absent from class during the Mass. The RSVP will also allow us to properly cater for the morning tea. We look forward to seeing students and their guests celebrating Grandparents Day together!

Saints Joachim and Anne (Feast July 26) are role models for grandparents. Happy Feast Day to all our grandparents!

Mrs Lorraine Lima – Coordinator of Campus Ministry

CHOIR CAMP 2016

It’s not too late to register to be part of this amazing week long singing camp during the holidays, held right here in Perth. The RSCM Junior Choristers Course is a 5 day residential choir camp open to all those aged 8 to 18, running from the 5th to the 10th July. Miss Bell will be the conductor at the 2016 Choir Camp, so craziness is sure to ensue! A number of Mazenod students have already signed up, so come and join us!

If you love singing, then this is the best way to spend some of your holidays. Feel free to pass this information onto anyone you think might enjoy this too.

Check out the following website for any queries you may have http://rscmaustralia.org.au/?page_id=54, and we hope to see you there.

8/9 FOOTBALL SWANS ZONE FINAL

After finishing on top of the ladder during the group stages of the competition, Mazenod hosted Governor Stirling SHS in the final of the Swan District Metro Zone. With everything on the line, the team knew they had to get off to a good start. Winning the crucial midfield contest would go a long way to impacting the result. The on-ball brigade of Jai Teale, Ashley and Dylan Brockbernd and Blake Boys were able to provide some real drive to give the forwards some terrific opportunities. Giacomo Paduano and Liam Bradford were excellent in their overhead marking and were able to get the scoreboard moving. The backline was doing their best to quell every attack with Tyler Clatworthy, Will Collins, Nathan O’Connor, Brendan Garfield and Noah Hannan, standing up under some real pressure. The team was able to keep the momentum rolling throughout the course of the match eventually running out 27 point winners. The final score: 8.5 - 53 to 4.2 - 26. Best players were: Giacomo Paduano, Ashley Brockbernd, Dylan Brockbernd, Liam Bradford, Jai Teale, Will Collins and Noah Hannan.

A fantastic team effort from everyone involved and it was great to see so many parents, friends and staff supporting the team. Thanks to Mr Grabski for his assistance and to Mr Delaney for umpiring.

Having progressed through as the Metro Central A Division winners and Swan District zone winners, the team will play their next match at Domain Stadium as a curtain raiser to the West Coast Eagles v Melbourne game. The game will be against the Subiaco zone winners. What a thrill for the team!

More information will be made available to parents and students as it comes to hand.

SENIOR BASKETBALL – SEMI-FINAL

MAZENOD COLLEGE v CORPUS CHRISTI

Mazenod reached the semi-final round of the WA All Schools Basketball Competition without having played a home game since the group stages of the competition. So playing a home semi in front of a passionate crowd was a relief and the team wanted to put on a show. Sadly, for the first game in three we didn’t open the scoring with a three pointer, but what transpired was even more promising as Mazenod scored 13 unanswered points and set the tempo for the game. Again Jamon Child led by example and scored 20 first half points. Matthew Hague also scored 10 and took numerous crucial rebounds. The other three starting players Reuben Healy, Logan Johnson and Nick Parry also had strong halves. By the half way point Mazenod held a 35 point to 19 lead.

The second half continued in much the same way, with Mazenod dominating possession and scoring freely against the Corpus defence. The subs bench all made contributions; with Jordan Herbert pushing on the scoring, Lachlan Ebsary taking some big rebounds and Mitch Fernando playing his normal high-tempo game. Jamon added a further 11 points in the second half to bring his personal tally for the match to 31 points.

The boys’ progress to the grand final next Wednesday at the State Basketball Centre at 3pm.

Mr Ross Websdale – Basketball Coach (H & PE Department)
MAZENOD BASKETBALL CLUB – MEETING WEDNESDAY 29 JUNE @ 3:30PM

On behalf of Rosie Sav and the College, if there are any parents or friends of the community that are interested in helping with the running of the Mazenod Basketball Club, there will be a meeting held in the boardroom at the College next Wednesday 29th June at 3.30pm. It would be great to have new members come along to assist the club with its growth and development over the coming years with the idea of forming a committee. Please RSVP by Monday 3.00pm if you plan on attending.

Any questions please email akmens.jacob@mazenod.wa.edu.au or call 9291 1505.

FIRST 18 FOOTBALL TEAM QUARTER FINAL AGAINST CBC FREMANTLE

After finishing second place in the North Pool of the top tier school football competition, the team earned the right to host a home quarter final, against CBC Fremantle. Playing for the perpetual Fr Sherman Cup (all 1st 18 games between Mazenod & CBC), and a place in the semi-finals, the history of the games between these two sides suggested it would be a tight contest.

The first half was very even. With Mazenod winning the centre clearance battle, thanks to Chris Hegarty, Baylee James, Kane Switchenbank and Braden Jupp. The forwards were working hard, but finding time and space proved difficult. The Mazenod team were all trying their best in the contest and the tackling pressure was excellent, highlighted by a fantastic chase and tackle by Kieran Cork. The backline led by Ryan Steers, Sam Hobbs, Nik Edmonds, Jarrod Brockbernd and Max Romaine battled hard against taller opponents and kept Mazenod in the game. At half time CBC held a 3 goal lead.

The second half was much like the first, but now Mazenod played man on man, not allowing the CBC run from defence to be as swift. Luke English, Adam Disisto and the other previously mentioned midfielders continued to provide scoring opportunities, but today the goals were not coming and things were not going Mazenod’s way. CBC ran out comfortable winners and that meant that Mazenod were knocked out of the 2016 competition.

Final Score: Mazenod 3.2.20 defeated by CBC 8.3.51
Best Players: Luke English, Baylee James, Kane Switchenbank, Ryan Steers, Nik Edmonds

A huge thank you to Mr Akmens for his support and assistance throughout the competition. And thank you to all the staff, students and families that came along to help and support the team. Thank you also to Ms Howard for taking the photos at our home games.

I would like to congratulate and thank all of the students that represented the First 18 this year. Your ability to work hard as a team, and represent the College is appreciated. I wish you all the best of luck with the remainder of your club football seasons, and look forward to working with those that represent the College in 2017. To the year 12 boys, thank you for all of your contributions to inter school football at Mazenod over the years. You have a lot of talent and have been a pleasure to coach and watch on the field. You must take some valuable lessons from this competition when you leave Mazenod. Always be humble in victory, and gracious in defeat. You will be faced with adversity throughout your life, it is how you accept and deal with these challenges that develops you in to the man you can be, both on and off the football field.

SENIOR SOCCER

On Wednesday a somewhat undermanned Senior Soccer A Team made their way down to Walter Padbury Reserve to play their second last fixture of the group stage against Thornlie Christian College. Playing with no substitutes, we knew our endurance would be tested and therefore looked to take control early on in the encounter. Mazenod started positively, implementing a high press and being camped in the Thornlie half for the majority of the first half.

After relentless pressure from starting right from the back, Mitch Fernando found the ball at his feet in the opponent’s 18 yard box and let fly, slotting home our first for the night. Jack Guy was the next to get on the scoresheet when he fired home a left footed shot from defence to be as swift. Luke English, Adam Disisto and the other previously mentioned midfielders continued to provide scoring opportunities, but today the goals were not coming and things were not going Mazenod’s way. CBC ran out comfortable winners and that meant that Mazenod were knocked out of the 2016 competition.

MAZENOD OLD BOYS FOOTY TIPPING NEWS
The first of the Bye rounds has come and gone and as a general rule people found it pretty easy with 19 people picking 6 winners and a further 53 people picking 5 winners. Of the 19 people who picked 6 winners Tyson Sherrington was closest (4 points) to the margin in Hawthorn’s narrow win over North Melbourne and is the first winner of the increased weekly prizemoney of $100, congratulations Tyson.
However with regard to overall standings we have a new leader with Jake Bayley (Class of 2012) now out in front on his own on 87, Steve Greenwood (Class of 1982) who has been leading since Round 1 drops back to second on 86 with Edie Jennings, Adam Disisto, Judy Evans, Aaron Ogg (Class of 2003) and Trent Meyers all sharing third place on 85.
- Round 14 starts on THURSDAY NIGHT with Adelaide taking on North Melbourne. Adelaide have had the week’s rest and North’s bad kicking cost them against Hawthorn. Clearly the game of the Round;
- Collingwood v Fremantle – Another game which will divide opinion. Will Michael Barlow be able to shut down one of the Pies main midfielders (Pendlebury, Sidebottom or Treloar) as he did against Robbie Gray last week?
- Richmond v Brisbane – Brisbane has been pretty ordinary all year, so hard to see anything other than a Richmond win;
- GWS v Carlton – GWS had to work surprisingly hard to beat Essendon but the coaching staff will ensure that any complacency that might have crept in has been eliminated;
- St Kilda v Geelong – Geelong are probably Premiership favourites right now but if they are not switched on, St Kilda will give them a scare;
- Hawthorn v Gold Coast – The Hawks were tough and resilient in beating North Melbourne and should be way too strong for the Gold Coast.
