Dear Parents

Welcome to the third term which starts with some important events in the life of the College. We have the Old Boys function this evening, Parent/teacher interviews next Thursday, the Interhouse Athletics Carnival next Friday and we finish the month with the Art Exhibition.

On Wednesday at a Mass for the Boarders, we held a blessing and commissioning of Mr Tom Floyd as new Head of Boarding. The staff was also blessed and special prayers were offered for all in the Boarding community.

I think that we are all shocked at the senseless terror and murders that took place in the downing of the Malaysian plane. Many at the College knew people who were killed. Archbishop Costelloe offered his reflections. I leave them with you.

"It is hard" the Archbishop stated, "to make sense of this violence, this hatred and this contempt for the sacredness of human life. How can God allow such things to happen? Why does God not intervene to prevent these tragedies?" He then spoke of how Jesus, as a "victim of hatred", asked this same question on the cross: "My God, my God, why have you forsaken me?" Reminding those present that "it was not God who had forsaken Jesus" but rather "his fellow human beings who had forsaken him. And they had forsaken him because they had forsaken themselves".

Reflecting on Flight MH17, Archbishop Costelloe said that "human beings, no matter who they are, are never inconvenient or unimportant factors to be set aside when it suits us. Every single person is loved and cherished by God. Every single person is given the opportunity, through the gift of life, to make the world in which we live a better, more humane place."

"None of this" he reiterated, "could possibly have been in the minds of those who callously fired on Malaysian Flight MH 17, causing so much death, so much anguish, so much despair."

The Archbishop then spoke of "a disease rampant... in so many parts of the world. It is the disease of hardness of heart" he said. "It is the disease of ignorance of and forgetfulness of the love of God who created all of us and who loves each of his children with a passionate love."

Finally, Archbishop Costelloe called upon people to "pray with urgency and with faith, that the hard hearts of those responsible for this terrible event might somehow be touched by the wave of mourning and sorrow which has been unleashed" in order that "a deep sense of humanity might prevail in all who must now try to lead us forward out of this tragedy".

May they all rest in peace.

DROPPING OFF AND COLLECTING STUDENTS FROM SCHOOL

NO PARKING ON THE VERGE PLEASE

The Drop Off area in the Administration car park becomes very congested with some cars having to queue on the road waiting for access. In order to alleviate this problem, parents are asked to drive as far forward as possible in the Drop Off area, even if it means an extra 10m walk for their son (it will do them good!). Please make the drop off as quickly and safely as possible. Parents are also asked not to park in the Drop Off area if they need to visit the College Office.

Please use either Pindari or Kershaw Road when picking up in the afternoon – using the marked parking bays where possible. Your assistance will help make for a safer environment for our boys.

Mr Jeff Ronan - Deputy Principal

SUPERVISION

Parents please note that supervision at the College is between 8:10am and 3:50pm.
We would prefer students were NOT on the grounds outside of these hours as there is no supervision.
For safety reasons, students arriving before 8:10am and still on the grounds after 3:50pm are not to play any unorganised sporting activities and are to stay in the quadrangle area.

MEDICATION

If any student needs to take medication during school hours he is required to have the medication stored in the College office. The medication should be given to the College receptionist and should be accompanied by a letter containing the following information:
1. Student’s name and Form room.
2. Name of the doctor prescribing the medication.
3. The purpose of the medication.
4. The name and dosage of the medication and time to be taken.
5. Parents’ daytime contact phone numbers.
All medication will be self-administered.

PARENT-TEACHER CONSULTATION DAY

Your Logon name and PIN will be included in the letter which accompanies your son/s Semester 1 Report.

YEAR 10 – SENIOR SCHOOL SUBJECT SELECTION

Subject Selection Forms were posted with the Semester One Report Package and are due back at the College by the 4th August.

Mr John Payne – Deputy Principal

CHARGING OF LAPTOPS REMINDER

We are concerned about the number of students who are coming to school without charging the battery on their laptop overnight. This is resulting in students missing class time to source a spare battery from the IT Support office. This term, students will not be given a replacement battery without express consent from their Head of Year.

In extenuating circumstances students need to see their Head of Year prior to the school day commencing (or during recess or lunch breaks) outlining the circumstances in order to get permission for a replacement battery to be issued. It would be helpful if parents could send an email to the relevant Head of Year prior to the school day commencing if they are aware of a battery issue. Students who are unable to participate in class activities as a result of not charging their laptops overnight will initially be issued with a consequence from class teachers and an organisation note recorded in their diary.

The students have been informed of this change in policy at assembly this week. Please support us in our endeavour to help ensure your son(s) take responsibility for their learning. It is also relevant that the device we are looking at for next year’s rollout (current Year 9s and 10s and incoming Year 7s) does not have an interchangeable battery!!

Mr Peter Douthie – Deputy Principal

YOUNG VINNIES – WINTER APPEAL

Our annual clothing drive will begin next week. This year we are asking students to try to keep in mind the person who will eventually wear their donation. They could be a person very similar to themselves, going through a rough time, and needing the assistance of the St Vincent de Paul Society. Just like us, they will want to have nice, warm clothing to wear this winter. Each Mazenod boy is asked to contribute one piece of good quality clothing and a gold coin donation. Donations will be collected in form classes until Wednesday 6th August.

HEALTH & PHYSICAL EDUCATION NEWS

MAZENOD COLLEGE 2014 HOUSE ATHLETICS CARNIVAL

This year’s Carnival is scheduled for next Friday 1st August here at Mazenod College. Students are to come to school at normal time and go to Form class for absentees to be checked and competitor numbers to be distributed. The first events get underway at 9:00am and the carnival presentations are scheduled to finish at 3.10pm.

I’d like to extend an invitation to all parents to come along and watch the carnival. If you are in a position to assist in any way, please let me know. The canteen will be open for an extended morning tea time (10-11am), while the carnival is running, and lunch is from 12.30-1.20pm during the carnival break.

Students will be permitted to wear their full sports uniform to and from school, including the College sports tracksuit. Please be reminded that all students are required to wear their respective house shirts, not the College white sport shirt. It is encouraged, that in the event of inclement weather, students have spare uniforms if available. If the weather is severely inclement, the Carnival will be postponed. It is therefore imperative that all students bring the necessary school equipment for classes.

Finally, this is a compulsory school event and all students are expected to attend. Students who are unable to participate will be required to act as officials. I am looking forward to a great day with students embracing the carnival, displaying their House spirit and doing their best.

Mr Tim Grabski - Head of Health and Physical Education Department

The 7 Habits of Highly Effective Teens: An engaging companion that allows teens to build on Covey's time-proven principles giving them the tools they need to improve self-esteem, build friendships, resist peer pressure, and strengthen themselves in many other areas. Also available in CD audio format. Source of review: Good Reads

The 6 Most Important Decisions You'll Ever Make: A hands-on companion workbook to Sean Covey's "New York Times" bestseller "The 6 Most Important Decisions You'll Ever Make, "showing you how to apply the lessons and insights from that book into real-world situations and put them into practice in your own life. In "The 6 Most Important Decisions You'll Ever Make," Sean showed teenagers how to make wise decisions about the biggest issues in their lives. He identified six major topics that all teens have to face on a regular basis--school, friends, parents, dating & sex, addiction, and self-worth. Teens are under incredible pressure to make good and responsible choices, but it can be difficult to decide what those choices are. Also available in CD audio format. Your Faith: a Popular Presentation of Catholic Belief: This full colour illustrated popular presentation of Catholic belief will help readers easily and intimately understand the depth, breath, and beauty of the Catholic faith. Chapters on the Sacraments, Scriptures, Jesus, Mary, the Mother of God, Church, among others, work together in helping the reader understand the Catholic faith experience. The Conscious Parent: Definitely the best "parenting" book I have read. This book gave me a ton to think about...about how I unconsciously react to my kids and how a lot of the problems we face in raising children, is because we are unconscious. If we wake up to our role as a parent and start parenting consciously...our children can become our spiritual teachers, and we can parent them in the way they deserve to be parented. I think I have more questions now than I did before I read this book...but in all honesty, I think that is good thing. I would recommend this book to everyone...seriously. I think it goes beyond just the parent/child relationship...and encompasses ALL relationships. Source of Review: Good Reads
So you’re sending your child to a Catholic school: This book is a friendly and gentle introduction to a few of the beliefs and values which make Catholics tick. It is a modest overview for people coming in touch with the Church, perhaps for the first time, or refreshing their acquaintance. You may be a Catholic parent who has had not much to do with the Church for some time, or a parent who is an active member of your local parish ... or, you may not have much idea of Catholic tradition at all, or not even be christened yourself.

If your child is already attending a Catholic school - or you intend to enquire about enrolling your child in such a school - this book has been written to help you appreciate the particular culture in which these schools exist. It has been written as plainly as possible, to give you some idea of important issues and developments within this ancient tradition.

Out of Control: “This is perhaps the most useful parenting book I have read. The title doesn’t do it justice. I would have called it something far more positive - like the content within the pages. The author teaches methods for connecting with your children by analysing the feelings behind the behaviour. And encourages parents to really consider what baggage and expectations that they are bringing to the conflict. Good for parents of all age children. I am grateful to have found it early in my boys’ development.”

Pressure: True Stories by Teens about Stress. Stress hits these teens from all angles: pressure at school, at home, and in their relationships. The writers describe their stress relief techniques, including exercise, music, writing, and more, and offer inspiring examples of perseverance. Includes tips for cooling down.

Source of Review: Good Reads

Vicious: True Stories by teens about Bullying. Essays by teens address bullying: physical, verbal, relational, and cyber. These stories will appeal to readers because the cruelty and hurt are unmistakably real—and the reactions of the writers are sometimes cringe-worthy, often admirable, and always believable.

Source of Review: Good Reads

Rage: These teens have plenty of reasons to be angry: parental abuse, street violence, peer pressure, powerlessness, and more. The writers talk honestly about anger managing as they struggle to gain control of their emotions and stop hurting others and themselves.
