Dear Parents

At the commencement of Semester Two, we welcome Fr Leo Mifsud OMI to the Mazenod community replacing Fr McMahon while he is on leave. Fr Leo is the most recent past Provincial having served in this role for three years. Fr Leo is a qualified teacher specialising in the areas of Religion and Art. He has previously been a member of the Mazenod College, Victoria and Iona College, Queensland communities. His experience includes enlistment in the Army Reserve and the Regular Army as a chaplain where he was deployed to Bougainville and East Timor. He has also been the Rector of St Mary’s Seminary in Mulgrave.

At the final Semester One assembly, I challenged your sons to reflect on their report in terms of their service to the College and their involvement in College activities. All boys are challenged to make selfless contributions to the values of community and charity, engage in the service learning programme and reflect on how they respond to Eugene de Mazenod’s call to ‘leave nothing undaunted’.

We are blessed to have a student population which is so willing to bear witness to the value of compassion and charity within the community.

With this theme of community and service in mind, we have two significant events approaching that rely on parent support. Firstly, the Art Exhibition will be held August 26-28. The Art Exhibition showcases work from a variety of artists, many of whom are from the local community. The evening also showcases student work. The exhibition is a significant fundraising event for the College and its success is dependent on the support of parent volunteers. I urge parents and friends of the community to consider volunteering your time to ensure a successful event, including food preparation, bar staff, food and drinks waiters, stewards, set up and pack up. Please contact Anne Greenley or Maria Pagotto if you have any queries – a help request form will be emailed to all families very soon.

The other major community event is Mazenod Mission Day (August 15). The funds raised go directly to the Missionary Association of Mary Immaculate (MAMI) to support Oblate missionary work. This year we will request MAMI to support two projects. Firstly, we wish to support the Oblate work in Beijing where they engage with orphanages for a year. The second project we wish to support is the ongoing construction of toilets in the village of Buttayagudem in Andra Pradesh, India. This parish community is led by Fr John Thomas OMI and is visited by students and staff who travel to India for the immersion experience each December. For every $400 raised, a toilet and washing facility can be built for a family. Priority is given to widows and families with a number of female members. These facilities not only deliver improved health and sanitary conditions but importantly, dignity and safety to the families who receive them.

We ask that every family donates $25 via the envelope that was posted home with the Semester One report. As an incentive to return your envelope early, there will be a draw for two tickets to The Art Exhibition. The Art Exhibition is a significant learning event for the College and a great way to support our Missionary work.

Finally, please support the Mazenod Cookbook fundraiser. The cookbook was produced to celebrate the 50th anniversary of the College and can be purchased from the College office for $35. Titled “Family, Friends and Food”, the cookbook has a variety of recipes generously provided by members of the Mazenod community. All funds raised will support P&F projects. I thank Mrs Maria Pagotto for her tireless efforts to produce the cookbook.

As we reflect on the College’s strategic vision of compassion and charity, consider Eugene de Mazenod’s leadership; “I will strive to live in such a way that my actions will speak more loudly than my words”.

DROPPING OFF AND COLLECTING STUDENTS FROM SCHOOL

NO PARKING ON THE VERGE PLEASE

The Drop Off area in the Administration car park becomes very congested with some cars having to queue on the road waiting for access. In order to alleviate this problem, parents are asked to drive as far forward as possible in the Drop Off area, even if it means an extra 10m walk for their son (it will do them good!). Please make the drop off as quickly and safely as possible. Parents are also asked not to park in the Drop Off area if they need to visit the College Office.

Please use either Pindari or Kershaw Road when picking up in the afternoon – using the marked parking bays where possible. Your assistance will help make for a safer environment for our boys.

Mr Beau Hemley - Deputy Principal

SUPERVISION

Parents please note that supervision at the College is between 8:10am and 3:50pm. We would prefer students were NOT on the grounds outside of these hours as there is no supervision. For safety reasons, students arriving before 8:10am and still on the grounds after 3:50pm are not to play any unorganised sporting activities and are to stay in the quadrangle area.

MEDICATION

If any student needs to take medication during school hours he is required to have the medication stored in the College office. The medication should be given to the College receptionist and should be accompanied by a letter containing the following information:

1. Student’s name and Form room.
2. Name of the doctor prescribing the medication.
3. The purpose of the medication.
4. The name and dosage of the medication and time to be taken.
5. Parents’ daytime contact phone numbers.

All medication will be self-administered.

MAZENOD COLLEGE 2016 HOUSE ATHLETICS CARNIVAL

This year's Carnival is scheduled for Friday 29th July here at Mazenod College.

Students are to come to school at normal time and go to Form class for absentees to be checked and competitor numbers to be distributed. The first events get underway at 9:00am and the carnival presentations are scheduled to finish at 3.10pm.

I would like to extend an invitation to all parents to come along and watch the carnival. If you are in a position to assist in any way, please let me know. The canteen will be open for an extended morning tea time, while the carnival is running, and lunch is from 12.30-1.20pm during the carnival break.

Students will be permitted to wear their full sports uniform to and from school, including the College sports tracksuit. Please be reminded that all students are required to wear their respective house shirts, not the College white sport shirt. It is encouraged, that in the event of inclement weather, students have spare uniforms if available. If the weather is severely inclement, the Carnival will be postponed. It is therefore imperative that all students bring the necessary school equipment for classes.

Finally, this is a compulsory school event and all students are expected to attend. Students who are unable to participate will be required to act as officials. I am looking forward to a great day with students embracing the carnival, displaying their House spirit and doing their best.

NARROGIN HOCKEY TRIP

On Monday, 11 July a group of 16 boys from Years 8 to 10 participated in an all-day training session and game at the Narrogin Hockey Stadium. The day started with a 7:00am departure from Mazenod which was 2 hours earlier than most of us had been waking up over the holidays. We did not welcome the brisk morning as the training session began but with excellent coaching from Mr Mark Powell, Mr Justin Pavlinovich, Mr Peter Draper and Christian Ward (Year 12), we were well on our way to ‘Rio’ after the first hour. Lunch was very welcome by the end on the morning session prepared kindly by Mrs Steph Bewick and Mrs Steph Pavlinovich.

This then led into the afternoon session which was followed by a game against a very strong Upper Great Southern team. The end score was a 9-5 loss with goals by James Pavlinovich (Year 10), James Draper (Year 10), Jake O’Brien (Year 10). A quick stop at Mackensie D’Alton's (Year 10) house for a sausage sizzle after the game filled many hungry boys. Thank you to his family. Overall I would like to thank the many parents, teachers and friends who organised this day.

OBLATE CUP 2016

The Oblate Cup v CBC is on again for 2016. It will be held at the Trinity Playing Fields in Manning on Tuesday 16th August. This year there has been a slight change in the format with matches across the five sports of Basketball, Football, Soccer, Hockey and Rugby played within the year groups of combined 7/8, 9/10 and 11/12.

Currently coaches of each team are undertaking their selection process and if students are interested in playing they need to listen carefully to the morning notices. More information on the day can be found in the letter on page 7 of the Newsletter.

MAZENOD OLD BOYS FOOTY TIPPING NEWS

An interesting round of footy with only one person, Brendan Lyons, picking 9 winners. Congratulations Brendan…you win $100. There were however 16 people who picked 8 winners.

With regard to overall standings things have got very congested at the top of the leaderboard. We have four people, Jake Bayley (Class of 2012), Steve Greenwood (Class of 1982), Aaron Ogg (Class of 2003) and Trent Meyers, all on 108 with a further 8 people just 1 back on 107.

Thankfully we are back to Friday night being the start of the round with Collingwood taking on North Melbourne. A tough one to start with neither side in particular good form;

- Sydney v Carlton – While Carlton gave the Eagles a scare it’s hard to see them giving Sydney too much of a fright;
- Gold Coast v Fremantle – Both sides will struggle to get 22 players on the park given the extensive injury lists of both clubs, but home ground advantage could be decisive;
- Eagles v Melbourne – The only good thing about the Eagles win over Carlton was just that, they won. Melbourne were very disappointing in their loss against St Kilda and will struggle to test the Eagles at home;
- Bulldogs v St Kilda – I think St Kilda will be pretty competitive in this game, but lose;
- Geelong v Adelaide – The game of the round, Geelong has not been particularly impressive of late and Adelaide has been. A big game for the top 4 aspirations of both sides;
- Essendon v Brisbane – Brisbane are going so bad that Essendon will start favourites in this one;
- Hawthorn v Richmond – Hawthorn continue to show that they are a champion side and should prove too strong for Richmond who struggled to beat Essendon last week;
- Port Adelaide v GWS – Port are clinging to the idea that they can sneak into the 8 but despite GWS not being as good away from home they should extinguish that pipe dream.

We all learn best in different ways, whether it be visually, aurally or kinesthetically. The importance of reflecting on our learning, in particular, our results, is the key to success. Not only is this the case with schooling but with life in general.

This is the perfect time for students to reflect on the past semester’s results and look at strategies to improve. For our upper school students, it is also the perfect time to explore possible career pathways. There are a variety of open days and information sessions aimed at both students and parents, and I encourage students to take advantage of them to become aware of the options and pathways available to them.

Reflection is an integral part of the learning process. Not only does it allow you to learn more about yourself and how you learn, but it will also aid you in improving your academic skills and ultimately your career prospects.
