Dear Parents

After a busy week including a visit from the Archbishop, the Provincial, Fr Leo Mifsud and the parent teacher consultation day where more than 1400 interviews were conducted, we now direct our attention to Mazenod Mission Day (MMD). As you would be aware from recent correspondence, MMD is being held on Friday 14 August. The focus of MMD is to provide students with an understanding of the work of Oblate priests throughout the world and an opportunity to participate in Christian service. In particular we are attempting to support the work of Oblates in the provinces of India and China. The focus of the Oblate's work in these regions is to support families with education, health care and in particular, promote an environment to support the dignity for all.

During the inaugural immersion experience last year to Indian communities with an Oblate presence, Mazenod staff and students witnessed the extreme poverty faced by so many people including the absence of basic sanitation and education facilities. Many homes of these wonderful people do not have toilet or shower facilities meaning that these basic human needs that we may take for granted have to be done in the “privacy” of darkness. This becomes even more treacherous during the wet season, as they are now currently experiencing. All of us within the Mazenod community have an opportunity to help these families. One aspect of the MMD fundraising activities is to provide monies to these extremely poor communities to assist the Oblates to build toilet and shower blocks. For every $400 raised, the Oblates are able to build a toilet and shower block for a family home, often consisting of 10 adults and children. As a result of the fundraising efforts from last year’s MMD, money has now been provided to Fr Thomas’ mission in the village of Buttaygudem to build toilet/shower facilities for 10 families and Fr Sahaya Raj (the Superior of the Tallapudi mission) is building toilets for the children at St Eugene’s Primary School.

The four students who attended the Indian mission last year described the experience as a life changing one. Their immersion into the life of Oblates in extreme conditions and the opportunity to support their work, particularly in education, was enriching. While understanding and respecting that not all families and students, for a variety of valid reasons, can take advantage of this opportunity, immersion experiences are now central to the Mazenod College overseas tour policy and we hope that the visits will be enthusiastically supported in the future.

I wish to congratulate Bryce Gittos (Year 11) and Year 10 students Matthew Cranfield, Ben Gregory and Connor Lucas who have been selected to participate in the immersion trip to India during December this year. At this point in time we are only able to take four students to India. For the students who were not selected, they demonstrated a selfless understanding of wanting to help others in a less fortunate position than themselves, a sense of social justice and Christian leadership. We have committed to provide them with this opportunity to travel to China or India, along with other Year 11 students in 2016.

**MMD Fundraising and Raffle:** We encourage the boys to make their own contribution to the fundraising efforts by bringing $10-15 to spend at the various food and amusement stalls. You received a donation envelope with the Semester One reports and we ask that each family makes a donation of $25 if they haven’t made a donation of goods to the stalls. For administration purposes, all envelopes must be returned, with or without a donation.

All families who return the envelope with a donation by the due date (Tuesday 25th August) will go into draw for a gourmet hamper of yabbies, abalone and dukkah. The prize is valued at $100 and has been kindly donated by the Nenke family and their business, Cambinata Yabbies.

**Finally, a reflection:**
All members of the Oblate Family, religious and laity, are called to assist the poor and abandoned in society and to follow the principles set down by St Eugene;

"First we make them human,  
Then Christian  
Then Saints…"

MAZENOD MISSION DAY
FRIDAY 14 AUGUST
On the 14 August the College will be running the annual Mazenod Mission Day, a fundraising event that embodies the values of St Eugene de Mazenod. The event will celebrate the uniqueness of the Mazenod Oblate Community, encourage student leadership and develop ‘House Spirit’ at the College.

The aim of the campaign this year is to raise sufficient funds to assist the Oblate Missions in China to help improve access to education, health services and providing welfare and opportunities to women in their local communities.

On the day students are required to:
- Come to school in FULL Mazenod College Physical Education Uniform with their college HOUSE SHIRT.
- Bring morning tea/water bottle/hat.
- The students are encouraged to bring money to spend at the various activity and food stalls on the day. The College recommends $10 - $15 per student and should be the student’s personal contribution to the fundraising effort.

As this is a College event normal Mazenod College rules and expectations of behaviour apply. The College will look upon any breach in college rules and expectations very seriously.

Mazenod Mission Day is a COMPULSORY College event. If any student is unable to attend on the day you will need to notify your son’s Head of Year prior to the event.

We are confident that the College community will again unite and generously support this worthwhile cause.

If you have any further questions regarding the Mazenod College Mission Day please contact your son’s Head of Year.

Mr Chris Mason

**CHRISTIAN DRAMA**

On Monday (27 July), the Catholic School Performing Arts Festival held its Christian Drama performance section at Mercy College, Koondoola. The section requires students to perform a self-devised play centered on a Christian theme. There were a number of entries from a wide range of schools which gave the students a great level of competition and anticipation. This is the second time Mazenod has entered into this section and the students did a fantastic job in representing the College. They scored 4 “outstanding” ticks out of a possible 5. Special thanks to Ben Gregory for overseeing the script.

The play was based around Saints and Angels trying to help teens live according to God’s teachings.

**MAZENOD COLLEGE 22nd ANNUAL FINE ART EXHIBITION & SALE**

28 – 30 August 2015

**ONLY 4 WEEKS** until the opening night of the 22nd Annual Fine Art Exhibition & Sale. Thank you to the handful of parents who have already volunteered their help but unfortunately we have not received as much help as we need. Please complete the helper forms this weekend (perhaps do it now while you are thinking about it) and return by email or drop off at the front office by Friday 10 August. We appreciate that everyone leads busy lives but if you can give just an hour or two over the week of the exhibition it would be greatly appreciated. While it is a busy time we have plenty of laughs and meet some great people so come and join in the fun. The support of the College community really does contribute to the success of the Exhibition.

Tickets to Opening Night, Friday 28 August, will be available for sale from the front office from Monday 10 August. Get a group of family and friends together to come and enjoy the evening.

Dear parents

Email is obviously a vital communication tool between the College and you and we often assume that because we sent an email, the intended recipient has received it. This unfortunately isn’t always the case. Although we have on our records some email addresses for you, there may be times when you want to use a different address, which may cause delivery problems. If you are using an email address other than one(s) we have on our records, there is some chance it will not be delivered correctly to the intended recipient due to our email server not recognising you as the sender. If you are using email addresses other than the ones we have on our records, can you please inform our ICT support team to avoid delivery issues. Also if you find emails bouncing back to you can you please let our ICT Support team know to sort such issues out.

Invitation to Participate in Research: Adolescent well-being and family functioning

Our school has been invited to participate in a study being conducted by researchers at Curtin University and Monash University. The research aims to investigate adolescent mental health and self-injuring behaviours, using data collected from parents. This project has been approved by the Human Research Ethics Committees of Curtin University, Monash University, the Western Australian Catholic Education Office and the Western Australian Department of Education.

The aim of this study is to better understand adolescent mental health and self-injury, the impact this has on the family, and how schools and families can collaborate to prevent and treat at-risk adolescents. Outcomes of this research are likely to lead to improved interventions, reductions in high risk behaviours, and improve the quality of life of Australian youth, and those who care for them.

As part of the research, we will be inviting parents to complete an online questionnaire. The results will inform initiatives on how schools and parents can best work together to prevent and respond to adolescent mental health problems, including self-injury, and to enable optimal functioning and mental health for adolescents and their families.

Please follow the link below to access the questionnaire.

https://curtin.asia.qualtrics.com/SE/?SID=SV_bgBiw5PNhmKGTIN

It would be wonderful to have as many parents as possible take the time to contribute to this important area of research. If you have any questions, please contact Leanne Watson, School Psychologist (Lower School) or one of the Researchers whose details you will find in the link.

HEALTH & PHYSICAL EDUCATION NEWS and EVENTS

CONGRATULATIONS EXCELLENCE

Congratulations to the following students for their excellent efforts in their chosen sports:

Trigg Faulkner (Y7) competed in the Singapore International Triathlon on 25 July 2015. In his age division, there were athletes from 9 different countries as well as many local athletes from Singapore. He had a fantastic result and finished 4th in the 12 – 13 age division and 9th in the 12 - 15 age category. Well done Trigg!

Jacob Wright (Y9) won the silver medal for the Under 15 boys State Championships Cycling Road Race held on Sunday 26 July. Jacob showed great dedication and perseverance along the 38km race through Pickering Brook and Carmel. He posted an impressive average speed of over 32km/h. Congratulations, Jacob, an outstanding result.
8/9 EAGLES CUP

The Year 8/9 Eagles Cup Football team has progressed through to the knockout stages of the competition after going undefeated in their pool matches. The team is scheduled to play against Bunbury Catholic College at Steel Blue Oval in Bassendean from 11.00am on Thursday 6 August. It would be great to get as much support to the game as possible. I invite all family members and friends of the College to come along.

YEAR 9 BASKETBALL TEAM

The Year 9 domestic basketball team, Mazza Wildcats, entered the BWA championships during the holidays in Under 16s Div 2. They played 6 games, winning 3, losing 3, and made it into the semi-finals against the top team. Participation in the event was organised by Cherie Van der Merwe, their manager, and extra training during the lead up, was organised by their coach, Maria Filamor. It was a great opportunity for the boys - Francis Filamor, Lachlan Reed, Matthew Haigh, Damon Young, Ethan Godden, Joseph Charles and Connor Van der Merwe (Felix Davison absent due to injury) - to play against other domestic teams in WA, and greatly improve their gameplay.

This week's winner of the $100 is Peter Neeson who despite being 94 points of the margin in Hawthorn's demolition of Carlton was the only person to pick 9 winners this week – congratulations Peter.

We had 21 people pick 8 winners so there were a lot of people who will feel like they were close to winning last week.

With regard to overall standings, we currently have Paul Ambrose – Class of 2002 out in front by himself on 106, two people on 105 (Kasey Pass – Class of 2004 and Tamara Feltham) with a further 4 people just two back on 104.

- Round 18 kicks off on Friday night with the seemingly unbeatable Hawthorn taking on Richmond who were unlucky to lose to Fremantle last week;
- Geelong take on Brisbane down at Simmonds Stadium, Geelong appear to have found some form and should be way too strong for Brisbane;
- Collingwood v Melbourne – Surely Collingwood will snap a five game losing streak against a hapless Melbourne side;
- Sydney v Adelaide – A big game for both sides as Sydney seek to halt their slide and Adelaide look to consolidate their place in the top 8;
- Carlton v North Melbourne – Carlton will look to regain some pride and will North suffer a letdown after Boomer’s 400th game?
- Gold Coast v Eagles – Hard to see Gold Coast without Gary Ablett being too much of an obstacle for the Eagles;
- Port Adelaide v Saint Kilda – Port need to keep winning if they are any chance of making the 8 but expect Saint Kilda to make it difficult for them;
- Essendon v Western Bulldogs – Essendon produced an improved performance against Port but you would expect a Western Bulldogs side that is somewhat surprisingly sitting in 6th spot to win this;
- Fremantle v GWS – Last time GWS were in town the Eagles beat them by 87 points in Round 5, I would expect a similar result here.

Dear Parents / Guardians,

The Lesmurdie-Mazenod Junior Cricket Club is seeking to register players for the upcoming 2015/2016 cricket season.

This is a fantastic opportunity for your son/daughter to play Australia’s premier summer sport in an enjoyable environment (Mazenod students who register to play for the Club will be eligible to participate in Mazenod College representative teams such as the Oblate Cup Team). The season commences in October with fixtures yet to be finalised. Details on registration fees are provided in the attached registration form.

Please note that the Club will only recognise a player as being registered to play for the Club when the fees have been paid. It is recommended you pay the appropriate fee by electronic transfer before lodging the Registration form. See Section 13 for all payment details.

We would appreciate your prompt response to help the Club plan for the coming season. Also, as with any junior sporting team, parent help is essential, so if you are able to coach, score, umpire or manage the players it would be most appreciated. ![Many Hands Make Light Work]

I understand that it is a condition of registration and the participation of my child that I, or representative of my family, participate in a roster to score and help out at games.

If I am unable to take my turn at scoring on my rostered game, it is my responsibility to inform the team manager after arranging for another person to score on my behalf.

I accept that for practical reasons parents or caregivers of Boarders are exempt from being included into season rosters, but they will help out from time to time where possible.

I understand that this initiative has been put in place in line with the Many Hands Make Light Work Policy of the Club to enhance the family club atmosphere.

I also authorise Club officials to act on my behalf in the case of emergency situations, accidents or illness involving my child including ambulance attendance and first aid.
