Dear Parents

Term Three has commenced with three important events. Firstly, there was the opening of the Catholic Performing Arts Festival where Year 12 students Joshua McMahon (Captain of Performing Arts) and Caleb Oorschot represented the College at the opening Mass. There will be approximately 130 students from Years 7-12 representing Mazenod in Music and Drama during the seven week festival. The best of the performances from Mazenod students will be presented to the community at the “Best of the Fest” evening in the College gymnasium, Friday 2nd September. From the initial performances, we congratulate Ben Gregory for his achievement of an honourable mention in Bible Reading and the Mazenod Drama group who achieved an honourable mention in Christian Drama.

A parent – teacher – student consultation day was held yesterday. There were approximately 1400 individual interviews held on the day and I thank staff for their professional approach in preparation and presenting to students constructive suggestions to assist them in their quest for academic growth and excellence. I trust that these interviews were beneficial for students and parents.

After a long day of interviews, we hold the athletics carnival today. It is always an enjoyable day and fantastic to see the participation of so many students. We hope that the weather will be kind to us. A full report will be in next week’s Newsletter.

**Mazenod Mission Day Fundraising and Raffle**

As communicated in last week’s Newsletter, all families received a donation envelope with the Semester One reports and we ask that each family makes a donation of $25. Some families may also wish to make a donation of goods to the stall that your son is invoiced. As an incentive to return your envelope early, there will be a draw for two tickets to the opening of the Art Exhibition worth $60 on Monday 1st August.

In addition to the family contribution, we encourage the boys to make their own contribution to the fundraising efforts by bringing $10-15 to spend at the various food and amusement stalls. MMD is on Monday 15th August. Our target this year is to raise $20 000 having raised $18 000 last year. All funds raised will be directed to Oblate work in China and India including health, education and welfare for women.

As we remember the birth date of Eugene de Mazenod on Monday (1st August), we are reminded that Saint Eugene calls us to evangelise not simply by working with the poor, but by learning from them. From his example, all members of the Mazenod Community are called to be witness to Christ’s teachings, to live as he taught us. This means that what we take from prayer and worship must be lived through how we build our relationships, how we learn from each other, and how we recognise the dignity of all people.

By providing a Catholic education with the Oblate charism, the Oblates have provided young men with the opportunity to take up the call from Christ and spread the word of mercy, particularly to the poor. Treating people grounded in a spirit of mercy is something Pope Francis also wants from us. There are many parallels in the wisdom from Pope Francis with the work done by St Eugene de Mazenod.

Finally a reflection from Pope Francis

“An evangelizing community gets involved by word and deed in people’s daily lives; it bridges distances, it is willing to abase itself if necessary, and it embraces human life, touching the suffering flesh of Christ in others. Evangelizers thus take on the “smell of the sheep” and the sheep are willing to hear their voice. An evangelizing community is also supportive, standing by people at every step of the way, no matter how difficult or lengthy this may prove to be”.

SUPERVISION REQUIRED FOR THE YEAR 12 END OF YEAR EXAMINATIONS

To assist students by creating an environment as close as possible to the WACE external exams, we have independent supervisors for the Year 12 end of year exams. The Year 12 end of year examinations commence on Thursday 29th September and conclude on Friday 7th October.

Any parents or friends of the College who may be interested in paid supervision of exams ($100 for 3 hour exams and $80 for 2½ hour exams) are asked to contact me through the administration office for further details. Morning exams operate from 9:20am to 12:30pm and afternoon exams from 2:00pm to 5:10pm.

CAREER NEWS UPDATES – Please go to pages 9 - 10
Last Thursday (21st July), the Catholic School Performing Arts Festival held its Christian Drama performance section at Mercy College Koondoola. The section required students to perform a self-devised play centered on a Christian theme. There were a number of entries from a wide range of schools which gave the students a great level of competition and anticipation. After Mazenod winning the Shield last year, the students gave their best shot to ensure back to back victories. We will await with great anticipation to hear of the results!

The play was based around a teenager trying to make the right choice with the help of angels and demons. The students involved were Thomas Carrol (Yr 10), Jordan Boase (Yr 11), Luke Del Borrello (Yr 11), Callan Wood (Yr 11), Nathan Losik (Yr 11) Samuel Jebb (Yr 10), Ben Gregory (Yr 11) and Alex Kramer (Yr 10).

YEAR 11 CHEMISTRY EXCURSION TO CURTIN UNIVERSITY

On the 21st of July, both Year 11 Chemistry classes went on an excursion to Curtin University to have a taste of Chemistry at Curtin. When we arrived at Curtin, we were greeted by Rhiannon, Jess and Emily. These women are all studying varying branches of Chemistry at Curtin, and over the course of the morning they spoke to all of us about their field of study, and the challenges they faced to get where they are today. The chat with the ladies opened some eyes for the Mazenod boys, as we all realised that you don’t have to know what you want to do straight away and also it gave us an insight as to what university life is like.

After this, we all had recess and then went into the Curtin Chemistry Laboratories, and partook in titration reactions. For myself, and I can assume all the Mazenod boys, working in the $116 million laboratories was a great experience, using top of the line equipment and just getting to walk and look at everything in these laboratories, was definitely something we wouldn’t forget. Continuing on, we had another speaker from ChemCentre, a government facility that operates from within Curtin University, speak to us. Her role is that of a Forensic Chemist and she spoke to us about the ins and outs of Forensic Science, and the opportunities that field of study has.

Young Scientists at work

Blake Mansfield taking some accurate measurements
With it nearing 12:30pm, it was time to take a lunch break. We headed over to the Engineering part of Curtin and ate at the cafeteria there. The boys had a large range of food and drinks to choose from, and it all went down a treat. There was definitely no complaining.

After we all ate, our leaders took us on a full tour of Curtin. Apart from working in the laboratories, this was the best part of the day for myself, and many of the other boys. Getting to see the architecture building, lecture theatres, the business building, the library and many other areas. It was a great experience walking around Curtin and seeing it all for the first time, as it was completely different as to what most of us were expecting.

Many thanks goes to Mrs Bulich and Mr Chan for taking us down to Curtin and to Mrs Bulich for organising the excursion.

MAZENOD 8/9 EAGLES CUP FOOTBALL TEAM WIN AT DOMAIN!

On Saturday 22nd July the 8/9 Eagles Cup football team had the opportunity to play in the curtain raiser to the WCE v Melbourne AFL match at Domain Stadium. The students had been looking forward to the match for weeks and there was some great excitement in the rooms before the first bounce. The team was taking on a strong opposition in Sacred Heart.
From the start of the match the team was winning contests all over the ground with Liam Jones and Blake Boys in the ruck feeding Ashley Brockbernd, Dylan Brockbernd and Jai Teale with Jayden Wood, Giacomo Paduano and Braeden McKeown providing great run through the midfield. The forwards of Liam Bradford, Paul Stervaggi and Josh Cotter were doing some great things and along with Jack Hamilton provided the composure to ensure the team got some reward for their effort. With Mazenod piling on the pressure it wasn’t long until the game burst open. After half time, and with each passing contest, Mazenod was able to gain control. The ball was regularly being repelled by Nathan O’Connor, Will Collins, Brendan Garfield, Vlas Kailis and Mitchell Massam. Once again, allowing the midfield and forwards great supply. Ashley and Dylan Brockbernd, Josh Galos, Jake Logan and Ryan Le Tessier were providing the energy and skill to ensure the team was never headed. Mazenod ran out winners by 62 points.

Best players on the day were: Ashley Brockbernd, Dylan Brockbernd, Jai Teale, Giacomo Paduano and Nathan O’Connor.

A big thanks to all the family, friends and staff who came along to support the team. Also to Mr Grabski for his efforts as the runner, along with the other staff who made themselves available.

We look forward to our next challenge, with details to be made aware to parents as they become available.

Week 1 of the season is already over and all teams showed great sportsmanship.

We now have a new committee so we encourage all players, managers and coaches to share their requests and ideas for improvement.

In the upcoming weeks resources will progressively be posted on the Mazenod basketball portal, such as coaching packs, so keep an eye out.

Could all players be mindful of where they are leaving their bags. All school bags and belongings need to be stored neatly away from Emergency Exits and not block wheelchair and pedestrian access.

Any team still requiring a coach please contact Mr Akmen akmens.jacob@mazenod.wa.edu.au.

A big thank you to Nathan Losik and Blake Mansfield from Year 11 for volunteering to coach the Year 7 Thunder team - the boys are looking forward to a great season.

**MAZENOD OLD BOYS FOOTY TIPPING NEWS**

Well that was an interesting round of footy that certainly had all us “experts” divided as to who the winners were going to be. As it turns out no-one picked more than 7 winners due to one upset and the number of 50:50 games. The winner of Round 18 is the President of the Mazenod Old Boys Association Leo Conti (Class of 1982) who was one of 18 people to pick 7 winners but he was closest to the margin (9 points) in the game between North Melbourne and Collingwood. Congratulations Leo.

With regard to overall standings we have three people, Jake Bayley (Class of 2012), Aaron Ogg (Class of 2003) and Trent Meyers all on 115 with Mark Addison (Class of 1983) sitting by himself in second place on 114 with a further five people just 2 back on 113. Plenty to play for with 5 weeks to go.

- This week’s fixtures start on Friday night as Geelong take on the Western Bulldogs down at Simonds Stadium. Geelong showed how hard they are to beat at home last week and the Bulldogs picked up another couple of serious injuries;
- GWS v Richmond – This game’s being played in the ACT but I don’t think that will make much difference to the result;
- Hawthorn v Carlton – This game’s being played in Tasmania but I don’t think that will make much difference to the result. To be fair to Carlton they gave Sydney a real fright on the weekend but Hawthorn just keep winning;
- Collingwood v Eagles – While the Eagles have won their last two games they have been far from convincing. Given Collingwood were poor against North Melbourne, the Eagles will probably start favourites but not sure you can pick either side with much confidence;
- Brisbane v Port – Can Brisbane string 2 wins in a row together? I doubt it, but Port aren’t very good either;
- North Melbourne v St Kilda – St Kilda has won 5 out of its last 6 games and must win if there is to be any chance of them making the top 8, which has been unchanged in terms of the teams in the 8 since round 6!! Boomer Harvey will play his 427th game, surpassing Michael Tuck as the all-time leader for games played in the competition’s history. Definitely the game to watch Saturday night;
- Melbourne v Gold Coast – How Melbourne didn’t beat the Eagles is beyond me but they should register 4 points against the Gold Coast;
- Fremantle v Sydney – Mathew Pavlich will play his 350th game a great achievement but you sense that is the only thing Fremantle fans will be celebrating; and
- Adelaide v Essendon – Essendon were insipid against Brisbane, maybe their worst performance of the year and if they repeat that effort against the Crows they’ll lose by more than 100 points.

Sean Cameron and Basil Conti - On behalf of the Mazenod Old Boys Association
