Dear Parents

It is good to be back after recuperating from a cochlear implant operation. It was pleasing on Wednesday to be able to have the device switched on and to be able to hear sound in my right ear, that had not been possible for the last six or so years. Now for the rehabilitation and exercises which will help in deciphering voices.

I was very fortunate to be able to attend the International Coalition of Boys’ Schools Conference in Cape Town, South Africa during the recent holidays. It was a wonderful Conference of the world’s leading Boys’ Schools and I am very pleased that Mazenod College, alongside our other Oblate Colleges, is a member of this organisation. The Conference focussed on the lessons of Nelson Mandela in how to engage with those around you in an effective and appropriate manner. Among the many educational benefits of the Conference, Mandela suggested that it was important to never forget to say thank you; it was important to be punctual; and it was important to acknowledge the roles of everyone in an activity. These are worth considering as we go about strengthening relationships within the College Community. I was also fortunate to be able to meet with some of the staff from the Oblate school in Johannesburg, St Benedict’s College, whilst at the Conference.

Our P&F recently nominated our President, Mrs Helen Keogh, for a P&F Federation of W.A. (PFFWA) Award for helping in building positive school communities. When PFFWA Council saw this particular nomination, it was decided that a special award be created for Helen as this is her last year with a child in school. Helen has been consistently engaged with her children’s education both throughout their primary school and secondary school years and in particular to the Mazenod community. She also sat on the Parents and Friends Federation Council for many years, and represented parents on the Catholic Education Commission of WA for 6 years.

Given Helen’s longevity around parent engagement and her long term commitment to parents and Catholic education, PFFWA created a ‘Lifetime Achievement’ award for her. Congratulations Helen!

Next Friday, 14 August, we celebrate our College Mass of the Assumption, and also Mazenod Mission Day. The Day provides the College community with the opportunity to become more aware of its involvement in the role in the Mission of the Oblates within the Church and world.

During the inaugural immersion experience last year to Indian communities with an Oblate presence, Mazenod staff and students experienced the extreme poverty faced by so many people and witnessed the absence of basic sanitation and education facilities. Many homes of these wonderful people do not have toilet or shower facilities meaning that these basic human needs that we may take for granted have to be done in the “privacy” of darkness. This becomes even more treacherous during the wet season, as they are now currently experiencing. All of us within the Mazenod community have an opportunity to help these families. One aspect of the MMD fundraising activities is to provide monies to these extremely poor communities to assist the Oblates to build toilet and shower blocks. For every $400 raised, the Oblates are able to build a toilet and shower block for a family home, often consisting of 10 adults and children. As a result of the fundraising efforts from last year’s MMD, money has now been provided to Oblates to construct these facilities. Currently, Fr Thomas in the village of Buttaygudem is building toilet/shower facilities for 10 families and Fr SahayaRaj (the Superior of the Tallapudi mission) is building toilets for the children at St Eugene’s Primary School. In particular the funds will be directed towards providing education and health support for children and improving the welfare of women. The focus of Oblate Missions overseas is on education in particular, as it is crucially important in breaking the cycle of poverty.

A final thought: “I have come that they may have life, and have it to the full.” — John 10:10

YEAR 11 SUBJECT SELECTION FORMS FOR 2016

Subject Selection Forms were due Monday 3 August. As we are now in the process of creating a 2016 timetable, failure to submit the form may jeopardise your son’s chances of obtaining his preferred choice of subjects. If he does not intend to return to Mazenod or is unsure if he is returning to Mazenod next year, would you please return the Subject Selection Form with the appropriate box ticked. The Subject Selection Form was posted with the Semester One report package and can also be found on the Year 10 Sharepoint portal.

LIBRARY CHAT......

During the past few weeks the library has undergone a minor face lift and installed new shelving which was generously funded by the P & F. The shelving has reinvigorated the library and we have received very favourable feedback from staff and students. The shelving is portable and can easily be reconfigured to accommodate changes in library usage. As I write this article, several bays have been rolled to one side to allow 100 chairs to be set up for a presentation by Fr. Sholto, a visiting Oblate from Zimbabwe.

The design of many shelves allows for front-facing display of books and already we are experiencing many impulse driven loans because new books are now showcased and clearly visible to students. New lighting was installed during the holidays and the library is brighter with a more ‘open’ feel. We would like to provide students with a variety of seating options for reading and study and are considering collaboration booths, small ottomans and seating ‘pods’.

We extend our sincere thanks to the P & F Association for funding McCarthy Library’s new shelves and to the maintenance team who worked tirelessly to dismantle and re-home disused shelving and install new lights and fittings.

Mrs Penny Worthington - Head of McCarthy Library

FREE PARENT WORKSHOPS

Carey Baptist College is hosting two workshops in August that are focused in giving parents a deeper and very practical understanding of how best to support your teenagers through what can sometimes be a bit of a tricky few years. The workshops are available to all parents, regardless of your children’s school and are free of charge.

Please see the attached flyer on page 9 for more details. It is anticipated that both of these workshops will be very worthwhile. Please ensure you rsvp for catering purposes!

SCIENCE DEPARTMENT NEWS

EARTH and ENVIRONMENTAL SCIENCE VISIT TO DeGRUSSA MINE

On Sunday 2 August four Mazenod students, accompanied by Ms Cahill and Mr Anderson, received an outstanding opportunity to visit the Sandfire Resources DeGrussa Mine, located 900km north-east of Perth. Jason Nalepa and Alistair Ryan of Year 12 Earth and Environmental Science, and Billy Bywaters and Curtis Altinier from Year 10 I&E program, flew out of Perth at 8am to the DeGrussa Mine. We participated in a tour of the site, including the processing plant, open pit, workers’ camp and the geology core shed. Throughout the day the students were able to network with a range of mining experts to find out what life on a remote site in the Pilbara is really like. We were then treated to an amazing lunch at the camp dining room before boarding the plane and heading back to Perth. The day was extremely enjoyable, and enabled the students to experience a working minesite.

Many thanks to Sandfire Resources for providing this opportunity, and to Earth Science WA for coordinating the trip.

MAZENOD COLLEGE 22nd ANNUAL FINE ART EXHIBITION & SALE
28 – 30 August 2015

ONLY 3 WEEKS until the opening night of the 22nd Annual Fine Art Exhibition & Sale. Thank you to the parents who have already volunteered their help but unfortunately we have not received as much help as we need. Please complete the helper forms this weekend (perhaps do it now while you are thinking about it) and return by email or drop off at the front office by Tuesday 11 August. We appreciate that everyone leads busy lives but if you can give just an hour or two over the week of the exhibition it would be greatly appreciated. While it is a busy time we have plenty of laughs and meet some great people so come and join in the fun. The support of the College community really does contribute to the success of the Exhibition.

Tickets to Opening Night, Friday 28 August, will be available for sale from the front office from Monday 10 August. Get a group of family and friends together to come and enjoy the evening.

The Mazenod Student Art Exhibition and Craftsman Competition is an annual event that runs in conjunction with the Mazenod Art Exhibition & Sale (August 28-30). The student work will be displayed in the Performing Arts Centre and will be open the same times as the major exhibition in the College Gym. Students will be encouraged to display their work and enter the Craftsman Competition. There will be a number of cash prizes on offer for students. We look forward to a great competition and would love to see visitors on their way to and from the major Art Exhibition.

Our students have been very busy designing and producing their items of work and this year there will be a large variety of good quality work to view from all Year groups and a lot of the work will be for sale. This year we will have woodworking projects such as hall tables, coffee tables, cabinets, trinket boxes, chopping boards and mirrors. Metalworking projects such as a large collection of wall art (including wall mirrors), fire pits, braziers, coat racks, coffee tables (which are priced at cost) and some Electrical Engineering projects will be on display as well.

Congratulations to all boys who have worked so hard in Design & Technology and Art this year.

Mr Mike Buselich – Head of Design & Technology

HEALTH & PHYSICAL EDUCATION NEWS and EVENTS

DOCKERS SHIELD

On Tuesday 4 August the Year 7 football team took part in the ACC Dockers Shield at Ferndale Reserve. It is a fantastic carnival and one that the team had been looking forward to.

Over the course of the day, the students played some great football and displayed some outstanding qualities. They won all 6 of their games and qualified for the Grand Final Carnival to be held next Tuesday 11 August at City Beach Oval. A great effort from all involved.

A big thank you to Mr Floyd and to Mr Mercer for their assistance over the day. It was also great to see so many parents in support.

Mr Jake Akmens – Sports Coordinator

OBLATE CUP v CBC

The 2015 Oblate Cup vs CBC Fremantle is fast approaching. The Oblate Cup is an annual event held at the Trinity Playing Fields on Manning Road in Waterford (Basketball will be played at the George Burnett Leisure Centre, across the road from the playing fields, Manning Road). This prestigious occasion runs the sports of Rugby (Touch football Year 7’s), Basketball, Football, Hockey and Soccer across Years 7-12 against CBC Fremantle. This year’s carnival is in Week 5, Tuesday 18 August. Buses will transport students to their games from Mazenod and return at the completion of their match, avoiding as much disruption to students’ normal classes. Parents and friends are encouraged to attend to show their support for the College.

The game times for each year level are as follows:

- Year 7 - Year 8/9: 9.30am - 10.30am
- Year 10: 11.00am - 12.00am
- Year 11/12: 1.00pm - 2.00pm

We are looking for any parent helpers/volunteers for the day to assist with the running of the barbeque. A very important task through the eyes of the students competing. If you are able to assist would you please forward your availability to akmens.jacob@mazenod.wa.edu.au or call 9291 1505. Thanks very much and looking forward to seeing you all there!

OBLATE CUP CRICKET

This year it is Mazenod WA’s turn to host the annual Oblate Cricket Cup. This is a cricket tournament that is unique in that each Oblate School from Australia plus a few other cricketing schools join for a week long competition. The competition this year will involve Mazenod College WA, Mazenod College Victoria, IONA College Queensland, Villanova College (QLD), Whitefriars College (Vic) and Kent Street SHS (WA). The tournament will be played from 14-17 December with Lilac Hill offering their grounds to be the base for all matches.

As organisers of the competition we are looking for parents who can offer accommodation to potential students from both of our Oblate Brother Schools (IONA College Queensland, Mazenod College VIC). If you feel you can offer your home, please contact akmens.jacob@mazenod.wa.edu.au.

It is another great opportunity for us to once again show off our wonderful school community.

**Mazenod vs AW Reds**

Last Saturday (1 August) the Mazenod 7/8B Gold team played the AW Reds. The boys were keen for another win this week following their win last week against Hale after a number of losses during the season.

In the first half of the game both teams worked hard to score and the pressure was on. There were a number of attempts and opportunities but the goalies were doing their best to defend and the first half of the game resulted in a nil all scoreboard.

Five minutes into the second half Mazenod took an opportunity and Hugo Quinn scored the first goal of the game. Aquinas stepped up to the mark and played hard to even the score and earned a goal after it came off one of our sticks. The game was even. But Mazenod was determined for another win and kept the pressure on.

Three quarters of the way into the second half Zac Henderson scored putting Mazenod in the lead.

The boys played hard to keep the lead and defeated Aquinas 2 -1. For many of the boys in this team, it is their first season of hockey. It is great to see them working together as a team and finally earning some well-deserved wins.

- Yr 12 (R14) Mazenod 11.2 (68) v Vic Park 1.2 (8)

Only two rounds of the regular season left!
Good luck to all teams for this weekend.
This week’s winner of the $100 is Mitch Allan, a Year 6 student at St Brigid’s, who picked 8 winners and was only 3 points off the margin in Richmond’s surprise win over Hawthorn on Friday night – congratulations Mitch. As you will notice from the attached picture Mitch is an avid Richmond supporter which I guess explains why he tipped Richmond.

In total we had 4 people pick 8 winners and a further 87 people pick 7 so at least on paper it was a fairly predictable round of games.

With 48 of the top 50 tipsters picking 7 winners there was no movement with regard to overall standings, Paul Ambrose – Class of 2002 remains out in front by himself on 113, two people on 112 (Kasey Pass – Class of 2004 and Tamara Feltham) with a further four people just two back on 111.

- We could be in for two decent Friday night games in a row as Round 19 kicks off with Adelaide at home to Richmond with both sides having plenty to play for;
- Collingwood v Carlton – Once upon a time this would have been described as a block buster now there is only pride on the line;
- Western Bulldogs v Port Adelaide – Port can’t afford to drop this game if they want to make the 8 but the Bulldogs have become everyone’s second team given their resurgence this year;
- Brisbane v Gold Coast – The Q clash and the battle for the wooden spoon;
- Geelong v Sydney – Will Geelong’s recent good form hold up against a Sydney side that have been a bit inconsistent of late?
- Eagles v Hawthorn – Both sides looking to bounce back after disappointing results last week. With a top 2 spot on the line, this game should be a cracker;
- Geelong v Sydney – Will Geelong’s recent good form hold up against a Sydney side that have been a bit inconsistent of late?
- Eagles v Hawthorn – Both sides looking to bounce back after disappointing results last week. With a top 2 spot on the line, this game should be a cracker;
- GWS v Essendon – Essendon continues to be woeful and desperately need to put in a competitive performance but will that be enough against a GWS side looking to play finals for the first time in their history;
- Saint Kilda v Fremantle – In the last couple of years Ross Lyon has chosen to rest players against Saint Kilda and the Dockers have lost. Will history repeat itself?

Many Hands Make LIGHT Work

I understand that it is a condition of registration and the participation of my child that I, or representative of my family, participate in a roster to score and help out at games.

If I am unable to take my turn at scoring on my rostered game, it is my responsibility to inform the team manager after arranging for another person to score on my behalf.

I accept that for practical reasons parents or caregivers of Boarders are exempt from being including into season rosters, but they will help out from time to time where possible.

I understand that this initiative has been put in place in line with the Many Hands Make Light Work Policy of the Club to enhance the family club atmosphere.

I also authorise Club officials to act on my behalf in the case of emergency situations, accidents or illness involving my child including ambulance attendance and first aid.
