Dear Parents

Each day the absentees are circulated and while we do not have numbers above the norm, I am concerned that some of our boys feel the need to have, what seems to be “rostered days off”. The study: Performance Insights: School Attendance October 2013 makes the following points which are worth considering:

Research confirms a strong link between attendance and student outcomes. While some student absences are unavoidable and understandable due to illness and the like, or enforced through school disciplinary absences, many are not. These could be unexplained or unauthorised absences. Poor school attendance can be linked to a number of related short and long-term adverse outcomes for students including lower academic outcomes, early school leaving, substance use, poverty, unemployment and negative health outcomes. However these factors may be interrelated in complex ways and factors that lead to low levels of attendance may also independently lead to some of these adverse outcomes.

A student’s regular absence from school may be a critical indicator in disengagement, leading directly to some of these adverse outcomes. Regardless of the nature of the relationship, poor school attendance, particularly with a high number of unexplained or unauthorised absences, is a readily observable warning sign for potential longer-term adverse outcomes.

Poor school attendance can be an early warning sign for future adverse outcomes.

During one of my regular walks around the College this week I couldn’t help but think that we are blessed with the people we have working here. I thought immediately of the Maintenance and Grounds Staff. Their work, dedication and pride in their tasks can be overlooked. Without them, our College would be very ordinary. So, thank you!

Friday sees the Mazenod Mission Day launch into action after our Assumption College Mass. I would like to thank all those who have put much into the preparation for the day. It is good to take time to celebrate as a College. During the week I received a lovely letter from a parent who was heavily involved in the College in the ‘70s. He has kept an interest in our community and made a kind and generous donation to the MMD and in particular the Indian mission. It makes one realize how the Mazenod spirit goes just beyond the here and now. When people ‘invest’ in the community it can have a positive effect on lives.

Father John Sherman OMI is visiting the College this week. Fr John is celebrating his 50th year as an Oblate priest. While he was involved in education for almost all of his ministry, he has also been Provincial of the Oblates and is now involved in promoting vocations to the priesthood and religious life. I thank him for his presence in the College and recall that he taught me at Iona College from Grades Seven to Twelve!

YEAR 11 SUBJECT SELECTION FORMS FOR 2016

Subject Selection Forms were due Monday 3 August. As we are now in the process of creating a 2016 timetable, failure to submit the form may jeopardise your son’s chances of obtaining his preferred choice of subjects. If he does not intend to return to Mazenod or is unsure if he is returning to Mazenod next year, would you please return the Subject Selection Form with the appropriate box ticked. The Subject Selection Form was posted with the Semester One report package and can also be found on the Year 10 Sharepoint portal.

Mr John Payne – Deputy Principal

YEAR 10 INDUSTRY & ENTERPRISE PROGRAMME 2016

In response to the changing demands of Senior School curriculum, further education and training opportunities, and the rapidly changing employment market, Mazenod College has developed a Year 10 Industry & Enterprise Programme to assist students who experience difficulties with academic achievement in the core subject areas, and who are also interested in pursuing a trade based career.

The programme has been running for a number of years and it provides a modified curriculum that has greater relevance and practical applications than alternative courses of study that happen in Year 10.

In the next couple of weeks students who have been identified as suitable candidates for the programme will be invited to apply for a place in the course. If as parents you feel that your son would benefit from the course and would like him to be considered, I can be contacted via email at scarfone.michael@mazenod.wa.edu.au or on 9291 1525 during school hours. I am also available for any parents who would like further explanation of the course or have any questions.

28 – 30 August 2015

ONLY 2 WEEKS until the opening night of the 22nd Annual Fine Art Exhibition & Sale. Please complete the helper form this weekend (perhaps do it now while you are thinking about it) and return by email or drop off at the front office as soon as possible. We appreciate that everyone leads busy lives but if you can give just an hour or two over the week of the exhibition it would be greatly appreciated. While it is a busy time we have plenty of laughs and meet some great people so come and join in the fun. The support of the College community really does contribute to the success of the Exhibition.

Tickets to Opening Night, Friday 28 August, are now available for sale from the front office. Get a group of family and friends together to come and enjoy the evening!

The Mazenod Student Art Exhibition and Craftsman Competition is an annual event that runs in conjunction with the Mazenod Art Exhibition & Sale (August 28-30).

The student work will be displayed in the Performing Arts Centre and will be open the same times as the major exhibition in the College Gym. Students will be encouraged to display their work and enter the Craftsman Competition. There will be a number of cash prizes on offer for students.

We look forward to a great competition and would love to see visitors on their way to and from the major Art Exhibition. Our students have been very busy designing and producing their items of work and this year there will be a large variety of good quality work to view from all Year groups and a lot of the work will be for sale. This year we will have woodworking projects such as hall tables, coffee tables, cabinets, trinket boxes, chopping boards and mirrors. Metalworking projects such as a large collection of wall art (including wall mirrors), fire pits, braziers, coat racks, coffee tables (which are priced at cost) and some Electrical Engineering projects will be on display as well.

Congratulations to all boys who have worked so hard in Design & Technology and Art this year.

Mr Mike Buselich – Head of Design & Technology

**CATHOLIC SCHOOLS PERFORMING ARTS FESTIVAL 2015**

For three weeks now our talented musicians and actors have been performing at various venues around Perth as part of the 2015 Performing Arts Festival. All our students have done us proud not only by the way they performed but also by the way they conducted themselves while in the audience and backstage.

So far the performances have been Christian drama, bible reading, drama groups, Flute Choir, Brass Ensemble, Jazz Band, contemporary bands and also vocal and guitar solos.

Next week is a busy week starting with the brass and woodwind solos and then the Mazenod St Brigid’s Symphonic Wind Ensemble, Year 8 band (their first public performance) and Year 9 band all perform.

If you would like to see any of the performances the details are below or book **Friday 4 September** in your diary for the **Best of the Fest** concert held in the College gym. More details regarding this entertaining evening in next week’s Newsletter.

Top L-R: Musicians **Matthew Alexander, James Pavlinovich, Timothy Bewick.**

Bottom L-R: **Caleb Oorschot, Benjamin Gregory, Callum Grice & Finn Owen**

WAYJO VISIT

Last Wednesday August 5, the West Australian Youth Jazz Orchestra (WAYJO) visited Mazenod for a workshop and concert. Our young musicians were wowed by the band’s scintillating skill and style, and the workshop provided them with many insights into the Big Band genre. Our Jazz Band learned a great deal playing alongside some of the best young jazz musicians in the state, and the experience helped them prepare for Tuesday’s fantastic performance in the Catholic Performing Arts Festival at Chisholm College.

Mazenod’s musicians always strive to play the right notes and rhythms, but jazz music is a language that must be heard to be understood. To hear a swing band of such a high calibre is worth its weight in decibels, and there was no shortage of those as WAYJO powered through its repertoire leaving jaws on the ground at the brilliance of their sound. A huge thank you to band director Marty Pervan and the WAYJO musicians for providing our students with such a fantastic opportunity.

YEAR 7 DOCKERS SHIELD GRAND FINAL

On Tuesday 11 August, the Year 7 Dockers Shield team took part in the Grand Final carnival played at City Beach Oval. It was an exciting opportunity for the team having gone undefeated at the South Metro Carnival played a week earlier. There were 2 scheduled games with the first against Sacred Heart College. The boys started really well with the team having all the running, with some ferocious attack on the ball. The game started to turn mid-way through the first half with a few of the Sacred Heart students getting first use of the ball and displaying excellent skills. The Mazenod team were unable to match their intensity and the game slowly drifted away with a defeat. However, with another match to play the Dockers Shield was still well and truly alive.

The second game against Emmanuel College pitted two very evenly matched teams. Emmanuel had first use of the breeze and used some outstanding team play. The match was scrappy and the Mazenod team knew they had to restrict the scoring to allow them their best chance in the second half. With only a couple of goals separating the teams at the half, Mazenod came out with all
On Wednesday evening, playing at Cecil Andrews Senior High School in Armadale on Wednesday 19 August at 4pm.

8/9 Eagles Cup Swans Zone Final v Bunbury CC

On Thursday 6 August the 8/9 Eagles Cup team played their Swans Zone Final against Bunbury CC at Steel Blue Oval. It was a great occasion for the team having gone undefeated through the pool. The game started with the Mazenod boys showing great desire and consistently being first to the ball. The on-ball brigade of Alex Kramer, Luke English, Brock Bowron and Maverick Hamilton was dominant around the clearances and giving the likes of Ethan Carrington and Dylan and Ashley Brockbernd a lot of chances around goal. The back line was once again marshalled by Tavis Pool, Harry Edwards and Ryan LeTessier. The team continued to push hard and the goals kept coming. The coaches threw the magnets around during the second half with at one stage a complete Year 8 group running through the centre square. An exciting proposition for the future.

Overall, a fantastic effort from all players, running out 83 point victors with the best being: Maverick Hamilton, Luke English, Ashley and Dylan Brockbernd, Brock Bowron and Jack Martin. The team have now qualified for the next stage of the competition. They will be playing against Nagle CC in Jurien Bay, Thursday 13 August starting at 11.30am.

Once again thanks to all the parents for their support and Mr Grabski for his efforts.

YR 7 Student Competes for Australia in International Baseball Tournament

Trent Daniele (Year 7) was selected into Swan Hills Charter Baseball Team in January 2015 after a seeding tournament in December. After winning the State Championships, the team qualified to compete at the Australian Little League Championships (ALLC) in Lismore NSW in June. The team again went through the pool games without a loss. They came up against Cronulla in the grand final where they were defeated 7-3.

Coming runners up at ALLC qualified the team to travel to the USA and represent Australia at the Cal Ripken World Series in Aberdeen, Maryland. They played the national teams from Canada, Mexico, Republic of Korea and New Zealand. Although the team was unsuccessful on the field against the best of the best from these countries, they did an amazing job to make it into the tournament and enjoyed the once in a lifetime opportunity of being part of the tournament and experiencing the United States culture.

Well done, Trent!

Mr Tim Grabski – Head of Health & Physical Education

Mazenod Senior Soccer A Team

The Mazenod Senior Soccer A team made the long trek down to Bunbury on Monday to take on Bunbury Senior High school in what was a must win game. Despite a tiring 2 hour drive and the loss of 5 players we still managed to string together a strong starting 11 and went on to win the game 2-0 with a goal from Jordan Fresher in the first half and Tim Phipps in the second. The boys dominated possession throughout the match with standout performances from Giles Dent, Connor Bains-Baker and man of the match being Jack Guy. The boys are now looking forward to their next game against Tramby College in the quarter finals of the state cup.

Squad for the match: Graham, Eldridge, Guy, Twamley, Johnson, Leybourne, Langham, Bains-Baker, Fresher, Gerhardy, Phipps, Rodrick-Smith, Morris, Romeo, Dent. Absent were Pope, Jebb, Primerano, Barker.

Oblate Cup Cricket

This year it is Mazenod WA’s turn to host the annual Oblate Cricket Cup. This is a cricket tournament that is unique in that each Oblate School from Australia plus a few other cricketing schools join for a week long competition. The competition this year will involve Mazenod College WA, Mazenod College Victoria, IONA College Queensland, Villanova College (QLD), Whitefriars College (Vic) and Kent Street SHS (WA). The tournament will be played from 14-17 December with Lilac Hill offering their grounds to be the base for all matches.

As organisers of the competition we are looking for parents who can offer accommodation to potential students from both of our Oblate Brother Schools (IONA College Queensland, Mazenod College VIC). If you feel you can offer your home, please contact akmens.jacob@mazenod.wa.edu.au.

It is another great opportunity for us to once again show off our wonderful school community.

Good luck to all teams in the final round of regular season.

Eric Paini - MJFC President (0417 170 896)

This week’s winner of the $100 is John Evans, who was one of only three people who picked 9 winners with John being only 17 points off the margin in Adelaide’s win over Richmond on Friday night.

There were a further 19 people who picked 8 winners.

With regard to overall standings, Paul Ambrose – Class of 2002 remains out in front by himself but has extended his lead to two points and is now on 121, two people are on 119 (Michael Brajer and Tamara Feltham) with a further four people three back on 118.

At this point of the season I think it is prudent to remind people of the overall prizemoney up for grabs at the end of the season. First place is $1,000, second place is $400 and third place is $200. To avoid any confusion, if the current standings held through to the end of the year, Michael would finish second on the basis that his point’s differential in picking the margin in the first game of each week is lower than Tamara’s.

- This week’s games start with Sydney taking on Collingwood. Neither side is in particularly good form at the moment but you would think that home ground advantage should be enough to get the Swans over the line;
- Essendon v Adelaide – With Adelaide looking to stay in contention for a spot in the finals you would think they would be too good for an Essendon side that can’t wait for the season to end;
- North Melbourne v Saint Kilda – With North pushing for a top four spot you would think that they would be too good for Saint Kilda;
- Port Adelaide v GWS – Port’s form has been terrible lately and GWS would still harbour dreams of their first finals campaign. Will home ground advantage be enough to get Port up in this one?
- Geelong v Hawthorn – There has been some classic contests between these sides in recent years. Will this be another one?
- Brisbane v Carlton – Two wooden spoon games in a row for Brisbane, can’t see their fortunes changing any time soon.
- Richmond v Gold Coast – Richmond should win this easily which means they’re a chance to lose;
- Western Bulldogs v Melbourne – While Melbourne has been competitive of late if the Bulldogs are switched on, they win;
- Fremantle v Eagles – No NicNat, no LeCras, No McGovern, No Eagles – Fremantle to virtually wrap up the Minor Premiership.
