Dear Parents

As I sit at the computer the rain is falling and the fog has descended upon the College, I am thinking of the students and staff who took part in the Vinnies Sleep Out at the College last night. I would like to thank Ms Briffin and Mr Pabst for helping to organize the event. Pope Francis reminds us that "no one should think that he or she is not called to the work" of helping the poor. He goes on to say that, "it's part and parcel of our faith...(and) people at every level of the Church (need to) roll up their sleeves and get busy".

I would like to thank all involved in last Friday’s Mazenod Mission Day. It was a real celebration of all we stand for as a community, starting with our Assumption Mass and then the activities throughout the day. I commend the Staff who volunteered for the Dunking Machine; the ice placed in the water made their volunteering all the more noble. There were many families who donated goods to the various stalls and I thank you. As well, the following companies also donated goods and services: Liz Appleby from Bakers Delight, Kalamunda, IGA Sanderson Road, Lesmurdie - Stephen and Karen Gurney, Kalamunda Patisserie, Made Brands Pty Ltd-water, Perth Frozen Foods, Woolworths Bakery in Forrestfield, Paul and Simon Barker - Proprietors of Matteo’s Pizza Bar, Coles in Swan View, Fat Boy Slam. Hopefully the total of funds raised for the Oblate Missions will be finalised shortly.

With this Boarders’ Long Weekend, I hope that you and your sons will have a good break and it might also be a time for an assessment of how things are going with regard to commitment to study and school work.

Whilst the greatest source of variance on students’ achievement at school is the teacher, there is no doubt that it is the parents, carers and families who are by far are the most important influences on children’s lives. Combined, parents and schools have an obviously substantial influence, so it is important that schools and families collaborate to attain the best possible outcomes for students. By working together, teachers and parents can help promote a learning community in which pupils positively engage in, and progress through, the learning process. Studies have connected school-home collaboration with better learning, healthy self-esteem and more positive attitudes and behaviour in life. Where parents develop a relationship with their child’s school, there is usually effective communication that benefits students, parents and teachers.

Mrs Marian Gard, former parent, P & F President and College Board member died on Tuesday morning after a long illness. Marian and her husband David were actively involved in the College for 26 years. She was a great friend. A private funeral will take place next Tuesday morning and there will be a Memorial Service for her in the College Chapel on Tuesday night at 7.00pm. May she rest in Peace.

Don’t forget the Art Exhibition next weekend. You are all welcome to attend and tickets for the opening can be obtained from the College.

A final thought: “There is no death, daughter. People die only when we forget them,” my mother explained shortly before she left me. ‘If you can remember me, I will be with you always.” Isabel Allende, Eva Luna

EARTH and ENVIRONMENTAL SCIENCE STUDENTS DARLING RANGE EXCURSION

On Monday 18th August the Year 11 Earth and Environmental Science students, accompanied by Ms Cahill and Ms Jo Watkins from Earth Science WA, went on a field excursion to the Darling Range. The students spent a very wet day investigating igneous rock processes at a number of sites, identifying many rocks and processes including granites, dolerite intrusions, chilled margins and quartz veins. Despite the continuous rain, the excursion was very enjoyable, and provided the students with the opportunity to apply the theory they learn in class to an actual field situation.

Many thanks to Earth Science WA for supporting our field excursion.

Mrs Marion Cahill – Science Teacher
Earlier this year the Mazenod Old Boys raised $650 towards Project Compassion with our “Day at The Parky” listening to music. At our MMD day stall last Friday we made over $700 selling hot chips! You just can’t lose with boys and food! I thank the Year 12 students who assisted and Old Boys, Justin Pavlinovich and Adrian Conti for assisting on the day. We believe being involved in these school based events sets an example for the Old Boys of the future.

This week we paid the remaining school fees for a family in hardship and I thank the Kalamunda Cougars Football club for their support in raising the $3000. Add to that we found two full time jobs for recent graduates through local businesses.

We are requesting names and details of Old Boys who served in the defence forces with active service in a conflict. We are currently collating these details for two projects; an honour board and a record book that would display the details of their bravery.

Please contact logan.jeremy@mazenod.wa.edu.au if you could help in recognising the Old Boys.

Last word; I hope to see lots of Old Boys at the Art Show on the 29th August!  

Jeremy Logan - President MOBA

**Footy Tipping Report**

With round twenty-one done and dusted complete with several come from behind wins and another ten goal loss to my Pies, the race is on for the last few places in the top eight. Sadly for me it looks like my team may be in the stands for the finals – the first time in eight seasons.

One consolation with so many serious injuries at Collingwood in the last few days is it’s surely time for a call up to the seniors for Mazza’s own Corey Gault who’s been starring in the Pies VFL side. Fingers crossed.

Back to the tipping competition. Congratulations to our round twenty-one winning tipper Potluck who picked seven winners for the round with the closest margin for the Cats Friday night win. Your $60.00 weekly prize money is on its way to you.

On our competition leader board Lib has moved back into the lead on 143 points, one point clear of The Footy Champ who has dropped to second position on 142 points. Lys is still in third position on 140 points with ARab and Muffia in equal fourth position on 137 points.

In our separate KnockOut competition we’re down to only two remaining tippers with Balla’s the Pest and Vallis both surviving to make KnockOut selections again next round.

**Please remember to lodge next weekend’s tips by the round twenty-two cut-off time of 5.40pm WST Friday 22nd August.**

Have a great weekend and happy tipping. Go Pies!!

Janine Fisher - Mazza Footy Tipping Coordinator
