Dear Parents

As you read this the 21st Annual Mazenod Fine Art Exhibition and Sale is about to open its doors. I was fortunate to be here for the first nine years of the Exhibition and it is wonderful to see how it has grown in the subsequent years through your generous support.

Over the years, the Art Exhibition has enabled the local community to celebrate the beauty of art and appreciate the artists. We welcome this. The world is a place which needs beauty. We need to celebrate it.

In an all-boys College, the Exhibition is not taken lightly. Research has shown that exposing boys to the Arts improves literacy standards by reducing the impact of a curriculum that seeks to educate boys to “do” and often neglecting their need to “be”. Exposing boys to visual and spatial skills is very “boy friendly” and can help their academic development. At Mazenod, we believe in the development of the whole person. Our Exhibition is one way we seek to help our boys reach their potential as whole people prepared to embrace the world in which they can make a difference.

The Exhibition is a major fundraising activity for the College. Over the years the funds raised have helped the Arts within the College. As we prepare our next strategic and master plan for the College, an Arts Precinct is definitely part of our future planning. Thank you for your support as we plan for our future as we move towards our Year of Jubilee in 2016.

I would like to congratulate the students who have displayed their work tonight. Keep believing your dreams. I thank their teachers and Heads of Learning Areas, Mr Michael Buselich and Mr Nick Allen for their nurture and inspiration for the boys.

I also would like to thank the Coordinators of the Exhibition, Mrs Maria Pagotto and Mrs Anne Greenley, Mr Nick Allen (Curator) and Mrs Jane Gilbert (Assistant Curator) for their time, energy and passion in presenting our Exhibition as well as the large number of staff, Parents and Friends of the College. You are valued members of our community.

I thank you for your support, and the generosity of the artists for enabling this 21st Mazenod College Art Exhibition to be launched tonight and continue for the weekend. Linger, talk and enjoy the experience.

Over the last few weeks our boys have been involved in the Catholic Schools and Colleges Performing Arts Festival. I am pleased to see that so many of our boys are involved. There have been many certificates and awards given to our boys. We will honour these boys and staff for their participation and achievements at the end of the Festival. You are invited to attend the Mazenod “Best of the Fest” Celebration on Friday evening, 5th September in the Fr Hughes Performing Art Centre at the College.

Also on the morning of that Friday, 5th September at 8.30am, following on from the Grandparents’ Mass and Mothers’ Mass, we will celebrate our inaugural Fathers’ Mass. Please take this opportunity to attend with your sons and then join us, if you can, for a ‘cuppa’ afterwards.

I have been invited to Iona College, Brisbane on the weekend for the opening of some new facilities – Art and Design and Technology buildings, as some of the new development has been erected on the land I bought when I was Rector there. They are kind to offer the invitation. I will return on Monday.

YOUNG VINNIES NEWS

MAZENOD COLLEGE WINTER SLEEP-OUT

Last Wednesday the 20th August, the Mazenod College Young Vinnie’s Conference held a Winter Sleep-Out. The purpose of this event was to raise awareness of poverty. Twenty-seven Mazenod College students across each year group participated with seven staff members.

The night started with a presentation from Br. Peter Negus. Br. Peter gave a fantastic talk about an organisation called ‘Shopfront’. Shopfront is a place which provides practical hospitality for the poor and the homeless, and it is located in Maylands. Br. Peter also shared some stories about some of the people he met and how they got into and then out of poverty. After Br. Peter talked, three members of the St Vincent de Paul Society came and ran the rest of the night; they were Patrick Wallis (ex-student, 2013), Rowan Pearce (ex-student, 2012) and Danielle Massang. They organised games and talked to us about volunteering outside of the school and then they spoke about what they do and their experiences. Then we finally had dinner - dinner being a cup of soup and a piece of bread. Following our meal, the members of the society continued on with their activities.

After all the great memories and knowledge we gained from the night, it was time to set up our cardboard beds and go to sleep. It was a very rough night sleep with the wind blowing and raining. At 2:30 in the morning, an alarm went off to tell us that we had to move on and set up camp somewhere else. This gave everyone a great awareness about how hard sleeping out was. Everyone then went back to sleep, until we woke up at 6:30am. It was the end of the ‘Mazenod College 2014 Winter Sleep-out’ and we all went to school together for a big breakfast to tell each other what we thought about the night.

This sleep-out made people more aware of poverty and how big of a problem it is in Western Australia and the world. It gave the participants a chance to be homeless for a night and it gave us really good memories to remember throughout our lives.

YEAR 7 NEWS

YEAR 7 GLOBAL ISSUES EXPO

Next Friday, 5th September, the Year 7s will be holding the annual Global Issues Expo. There will be displays created by the students exploring a range of issues surrounding resources and services, such as refugees, access to clean drinking water, health and education services and the food crisis in Africa. The Expo aims to educate and inform the school and wider community about what is causing these problems and how we as individuals and communities can be part of the solution.

Parents and families are invited to come along and see the Expo and support the Year 7s in their desire to make the world a better place for all.

What: Year 7 Global Issues Expo
Where: Mazenod College Library
When: 12:40-1:30, Friday, 5th September
The prestigious National Youth Science Forum is an annual event into which young people from all over Australia have the opportunity to attend.

Mazenod College this year nominated two students, Matthew Alexander and Matthew van Eck, both of whom have been chosen to attend. There are only 30 students from Western Australia selected from a rigorous selection process run by Rotary International.

Both students receive a scholarship from Rotary to attend the forum which is being held in Canberra, during January 2015. They will participate in an intensive 12 day course in which they will discuss and participate in many areas of science.

This is an excellent opportunity for these two fine science students and we know that they will represent the College and themselves with distinction.

Well done to Matthew Alexander and Matthew van Eck and we wish them all the best for January.

Mr Mal Johnson & Science Department

On Wednesday the 27th September, eight Year 11 students attended the 2014 Science Café at the University of Western Australia. Science Café is an annual event and is a part of the National Science Week programme. The day consisted of a combination of guest speakers and also opportunities for the students to talk one on one with scientists.

The most prominent of the guest speakers was Dr Chris Smith, a medical researcher from Cambridge University and also presenter on the world famous ‘The Naked Scientist’ podcasts. The podcasts consist of the scientists answering a variety of questions from all fields of science and can be accessed from the following website http://www.thenakedscientists.com.

At the conclusion of the guest speakers, the students moved around Winthrop Hall and eventually chose a scientist studying an area of interest with whom they would talk. This was the highlight of the session and I thank Matthew Alexander, Kieran Sanders, Alistair Ryan, Daniel Pereira, Quinn Coote, Matthew van Eck, Alessandro Paduano and Thomas Ierino for their excellent participation on the day. It is a wonderful event and we look forward to participating next year.

Mr Liam Mallon - Year 11 Science Teacher

The Entertainment Book is available and can be purchased from the College and the best part is that for only $65, you will be helping our fundraising with $13 from every book sold contributing to our school. Limited copies available from the front office. Please contact Mrs Lil Disisto on 9291 6500.
MAZENOD GOLF DAY

Thank you very much to everyone who played. What an awesome day!! It is great that we keep the spirit of our great friend and Maza legend “Ferdie” with us.

It was a very close competition this year with, for the first time, the winners of the Francis Fernando Perpetual Trophy being an all student team. The top 5 teams were:

1st  Sam Hobbs, Tom Jebb, David Olsen, Luke Henderson 68 (All Yr 10 students)
2nd  Josh Winter, Zac Vaughn, Bailey House, Bill Winter 69.5 (OCB)
3rd  Brett Reilly, Luke Reilly, Paul Reilly, Owen Curtis 69.5
4th  Peter Douthie, John Payne, Mike Paul, Ben Russell 70 (OCB)
5th  Sean Cameron, Max Farrell, Alan Ferris and Steve Glover 70

The best gross (and some great recruiting from Jayden) was a 9 under par 63 from Trevor Ballantyne, Jayden Ballantyne, Al McEvoy, Chris Thompson.

I’m sure that these results fire some people up for next year! (It’s amazing the lengths teams will go to for a pair of socks!)

- The winners of the novelty awards were
  Nearest the Pins - Darren Haslett, John Payne, Terry Filto, Mike Snadden.
  Longest drive - Jodi Parry (We might need to look at a different hole to give the males a chance of winning this one next year)!!

Thanks again to Greg Roberts (KP Financial Planning) for his generosity and support of the day.

Also to Michael and Harry Fernando, and Kevin Coghlan, thank you for your generosity.

Hope you all had an enjoyable day!!

YEAR 8 NEWS

Year 7/8 students were taught about music culture and its origins in Ghana at a Salaka Drumming incursion and experienced first-hand what it’s like to play Salaka Drums.

Mr Chris Mason – Head of Year 8
On Tuesday 19th August Mazenod took part in the Annual Oblate Cup Sports Carnival against CBC Fremantle. The carnival began in 2008 and each year offers students a chance to represent their College and display traits of team work, sportsmanship and friendship. This year’s competition was no different with all coaches and teams intent on a solid effort in all games. Close to 300 students across all year levels took part in AFL, Soccer, Hockey, Basketball and Rugby. Players in each game for each sport (Y7, Y8/9, Y10 and Y11/12) compete for an overall shield named after an Oblate Priest, and the Best on Ground in each game receive a medal named after a Christian Brother. All players represented Mazenod with pride and outstanding efforts were on display throughout the day.

As a result of good preparation, and some outstanding team efforts Mazenod managed to win 6 out of the 20 games, and draw 2. The overall shield for each sport was very close, with both schools competing well (on count back in some cases). CBC were the victors on the day taking home 4 of the 5 shields on offer.

I would like to congratulate all the players and the coaches for their efforts in the lead up and on the day of the carnival. It was great to see the two schools with similar sporting ability perform and display their skills and teamwork in front of a number of Oblate Priests and Administration members from both schools.

A special thank you to the grounds team at Trinity College, the coaches, Mr Grabski, Pauls Bus Company; the Oblate Priests, and Christian Brothers and to the Year 12 PE class for cooking the BBQ. I look forward to the competition again next year, where hopefully Mazenod can turn the results around.

Full results and Mazenod medal winners are below.

The Senior Soccer side has continued its remarkable season in recent weeks defeating Darling Range (7-0) and Mercy College (2-1). This now leaves us in the quarter finals of the state tournament facing Woodvale, who have been the champions for the last two years. This game will be played on Tuesday 2nd September at Hartfield Park at 3.40pm and the team would love to see people down to watch the match to supplement the fantastic parental support we have received so far this season.

MATCH REPORTS:

Mazenod A v Darling Range

A dominant 7-0 win for Mazenod was inspired by four goals for Thomas Jebb and a goal apiece from Thomas Pope, Dominic Daines and Blair Southcott. The boys displayed a good attitude throughout and attempted to play attractive football throughout with Jordan Fresher and Ryan Doyle also standing out.

Mazenod A v Mercy College

A very different game to the one above based around a great defensive effort and high tempo with Michael Swallow, Mitchell Barker, Will Johnson, Daniel Twamley, Nick Blackshaw and Man of the Match, Ross Carter all superb in defence. Dominic Primerano also had an excellent game with his closing down in midfield and Harry Gerhardt scored a 25 yard volley to open the scoring before linking with Thomas Jebb for the second. Mercy’s only goal of the game coming via a harshly awarded penalty for a handball at close range.
CONGRATULATIONS TO:

Michael Verran (Year 10) who has been selected to represent WA in the State Swimming Team to compete in Canberra in the Short Course State Teams Championships next month. Congratulations and good luck Michael!
