Dear Parents

This week sees the Annual Art Exhibition opening on Friday night and continuing over the weekend. An event such as this would not just happen. It involves countless hours of planning and hard work. I would like to thank Mr Nick Allen, Mrs Maria Pagotto, Mrs Anne Greenley, Mrs Jane Gilbert, Ms Sandra Wilson and the countless numbers of parents and staff members who have given so freely of their time and talent. The night will be a great event as will the rest of the weekend. Do come and take a look at the art and perhaps even buy some!

On behalf of the Oblate Community, I would like to sincerely thank those families who were able to so generously donate to our Oblate Mazenod Mission Day for 2015 and helped raise a current total of around $17,000. With some 400 families still to return their envelopes, this total is sure to rise. I encourage you to return these envelopes as soon as possible. The money raised will go directly to the poor in India and China with whom the Oblates work.

On Thursday we held the inaugural St Eugene de Mazenod Speech Competition. The boys spoke on various aspects of the life of St Eugene and how he could be a role model for all of us at the College. I thank the boys for their involvement and also thank Mr Keogh for this initiative.

Next Friday at 9.40am we will be celebrating our Father’s Day Mass for all the dads in our community. You are all welcome to join us for Mass and a cup of tea after the Mass.

I recently read an article about “energy vampires” – those people who leave you feeling drained, depleted and deflated after every interaction. While written in a humorous way, it did make me think about the way we can sometimes fall into the trap of negativity. This is especially so when we are constantly critical of others and the decisions made that affect our lives. When we go down this path we start to play the blame game and never accept responsibility for ourselves and our own actions. It is important that we teach our boys about this – to take personal responsibility for their actions. As well, we must not allow the boys to feel a sense of entitlement. Entitled people are the ones who are preoccupied with their own self-interest and find ways to rationalize that they should get everything they want.

Good luck to all of our boys who are competing in football finals in the coming weeks. Meanwhile, the Catholic Schools’ Performing Arts Festival is continuing. We will give further notification of the results thus far. I am very pleased with the number of boys who are participating in this Festival and with the enjoyment and success they have achieved. I thank the staff who help provide these opportunities for the boys.

A final thought: Let nothing disturb you,
Let nothing frighten you,
All things are passing away:
God never changes.
Patience obtains all things
Whoever has God lacks nothing;
God alone suffices.
- St. Teresa of Avila

YEAR 8, 9 and 10 2016 – OPTION SELECTIONS

The 2016 Option Selection Forms were emailed home to parents last week. If you haven’t received this email, please contact the College. The Forms are also available under the downloads section of the school website www.web.mazenod.wa.edu.au. Forms for Year 9 and 10, 2016 are due back by Wednesday 2 September. Forms for Year 8, 2016 are due back Wednesday 16 September, by which time offers for Specialist Band and Specialist Science will have been made.

If you have any queries please contact Mr Douthie douthie.peter@mazenod.wa.edu.au.

Mazenod Mission Day

The day was a great success! The students actively engaged in the stalls and activities, they were cooperative, supportive and had plenty of fun. As a result of the food stalls and activities held on the day, over $9600 was raised which is a tremendous effort from staff, students and parents.

As per previous communication, it is hoped that each family will raise at least $25 for the Oblate Missions. The donation/sponsorship envelopes that were distributed with the Semester One reports should have been returned to the College by 25 August. At this stage there are still approximately 350 families who have not returned the envelope. We must have all envelopes returned (with or without a donation) for auditing purposes. Last year over $11 000 was raised through these envelopes. At this point $8500 has been raised this year.

As an example of this, MMD fundraising activities provide monies to these extremely poor communities to assist the Oblates to build toilet and shower blocks. For every $400 raised, the Oblates are able to build a toilet and shower block for a family home, often consisting of 10 adults and children. As a result of the fundraising efforts from last year’s MMD, money has now been provided to Oblates to construct these facilities.

RAFFLE

Congratulations to the Eldridge family (Zac – Yr 11) who won the $100 hamper of Yabbies kindly donated by the Nenke family.

Father's Day Mass 2015 – Friday 4 September

The College is holding a special Mass in celebration of all of our Mazza dads, grandfathers and special men, who are welcome to join us in celebrating Father’s Day. The Mass will be held in the College Chapel at 9:50 am on Friday the 4 September, followed by morning tea in the PAC foyer.

Fathers are welcome to invite their son to Mass and morning tea.  
Please RSVP Mrs Lima on lima.lorraine@mazenod.wa.edu.au by the Wednesday 2 Sept 2015

This will allow the College to arrange for those students to be absent from class during the Mass. The RSVP will also allow us to properly cater for the morning tea.

We look forward to seeing students and their guests celebrating Father’s Day together!

Mrs Lorraine Lima – Coordinator of Campus Ministry

YEAR 11 CHEMISTRY INCURSION

Last week saw Old Boy, Steven Lowther (Class of 2013) return to the College to address the Year 11 Chemistry ATAR students. Steven is currently studying Pharmacy at Curtin University and was accompanied by Taylor Gerritzen, a third year Pharmacy student.

The Mazenod students were fortunate to hear Steven’s experience not only at university but also during his last year at the College. This included expectations of the course in Year 12, as well as some useful study tips and suggestions.

Steven spoke about what led him to choose Pharmacy at Curtin and what it was like to be a university student. Taylor enlightened the students on what the Pharmacy course entailed, as well as some useful information about other Health Science courses on offer.

Both presenters gave the students an insight into the life of a student in a Health Science University course, as well as some practical tips for managing Years 11 and 12, and for life beyond high school.

DEBATING UPDATE

Should dangerous anti-vaccine campaigners be banned from appearing in the media? Should the private lives of politicians be kept that way, or should they be splashed across the front covers of national newspapers? What about publishing political polls? Are they a threat to our democratic system or simply free advertising for our overpaid pollies?

The AHISA Debating Competition is in full swing and our teams have been hard at work to argue for and against some challenging topics.

Round 1 brought the media round where two students in our novice team made their debating debut! Angus Butler-Blaxell and Kofi Chow took on their roles in the negative team for their first ever debate. Despite a hard-fought effort and a great rebuttal from Michael Murray, the negative team were defeated by the opposition. Our Junior teams had a challenge ahead of them, especially the negative team with their topic about anti-vaccine campaigners. Ethan Losik, Luke Gibson and Elliot Fourie managed to convince the adjudicator to the affirmative side and won their debate. Unfortunately, despite impressive efforts, creative thinking, and plenty of preparation, Luke Checker, Ben Gregory and Will Conti couldn’t top the logic and science presented by the affirmative team. Their efforts, however, were definitely impressive!

Round 2 saw the students competing and discussing all things politics. Brent Pedlar, Will Conti and Luke Checker presented some fantastic, well-researched and sophisticated arguments but sadly, fell one point short of winning their debate against All Saints College. Elliot Fourie, Gregor Tooth and Luke Gibson argued fantastically but in another, very, very close debate, were defeated by only two points. The teams received some fantastic feedback and are fine-tuning their skills for the rest of the season.

Next week will see the students participating in an interesting round on gender. Will an all-boys school be able to defeat an all-girls school in a debate about feminism? They’re certainly courageous!

All of the students are to be commended on their hard-work and efforts in the season so far. Well done!

Miss Julia Farinaccio – Acting Head of English

YEAR 7 NEWS

YEAR 7 GLOBAL ISSUES EXPO

When: Friday, 4 September - 12:40-1:30pm
Where: Mazenod College Library
Details: The Year 7s have spent the last two weeks researching various global issues such as the food and water crisis, poverty, refugees and access to health and education services. At the Global Issues Expo, Year 7s will create a range of informative displays that outline not just the problems facing our world today, but also the solutions. We encourage all friends and family to come along and be informed on these issues while supporting the Year 7s and all the amazing work they do.

Miss Candice Betts
On Monday 10 August 2015, two Year 10 Geography classes were accompanied by Mrs Scanlan, Mr Delaney and Mr Kostecki to Trigg Beach. The weather was good in that it produced a vibrant active surf – unfortunately it was also accompanied by a brisk cold breeze and short sharp showers. The aim of the fieldwork was for the students to record fieldwork data of Trigg Beach and to examine the extent of human modification of the area. The students coped with the conditions very well and experienced a vital part of geographic learning where they record primary data for further investigation. The excursion is part of their Year 10 Geography assessment schedule and is a valued part of their education in Society and Environment. In term 4, the last of the Year 10 rotations will also get the opportunity to explore Trigg Beach – but hopefully the weather will be a tad more temperate.

Mr Richard Kostecki
Head of Society & Environment

ART EXHIBITION CATERING - Message from Mazza Mums

On the Saturday and Sunday of the Art Exhibition we serve morning and afternoon tea to over 500 people each day. In order to uphold our reputation of providing great food we greatly appreciate it, if parents could provide –

- We need a couple more helpers for Saturday 1-3pm and the 3-5pm slot, and for Sunday 11-1pm.
- we are still accepting food donations during Saturday and Sunday - food can be delivered to the gym kitchen over the weekend 29 and 30 September during the exhibition hours. Many thanks.

Please remember to place your name on your containers.

MAZENOD GOLF DAY 2015

This year we were again blessed with a beautiful day for our Golf Day. 83 players in 21 teams competed for the honour of their names being on the Francis Fernando perpetual trophy.

There were some very good scores carded and even more fun had. The top 5 teams were:

1st – Brett Reilly, Luke Reilly, Owen Curtis and Kieran Beard - 60
2nd – Alan Bayliss, David Bayliss, Arthur Bienkowski and Nick Ocallaghan - 63
4th – Hugh Le Tessier, Rick Littlefair, Holger Lubotski and Terry Filipo – 68 (OCB)
5th – Shane, Brook and Caleb Boyd, and Wayne Radford – 68

The best was 11 under par 61 from the Fresher Team (Lawson, Jordan, Lewis Fresher, and Simon Proud). That certainly gives us something to chase next year.

The winners of the novelty awards were:

- Nearest the pins - Gary Ferguson, Zac Vaughan, Jonathon Pemberton and Harry Fernando.
- Longest drive - Steven Edwards

Sincere thanks to **Greg Roberts (KP Financial Planning)** and the Mazenod Old Boys Association for their generosity and support on the day. Also to Michael and Harry Fernando, Kevin Coghnlan, Tim Grabski and Hayden Conti thank you for your generosity and assistance. Finally thanks to all who participated - hope you all had an enjoyable day!!

MAZENOD 8/9 EAGLES FOOTBALL TEAM THROUGH TO THE GRAND FINAL!

On Thursday 20 August the 8/9 Eagles Cup football team ventured down to Hamer Park in Mt Lawley to take on Sacred Heart in the semi-final of the competition. A win would see the team progress to the Grand Final played at Domain Stadium. From the first bounce the team was winning contests all over the ground with Alex Kramer, Luke English, Maverick Hamilton and Brock Bowron providing great run through the midfield. The forwards of Ethan Godden and Ethan Carrington were doing some great things and along with Josh Harris provided the composure to ensure the team got some reward for their effort. With Mazenod up by 2 goals at half time, and with the use of the wind in the 3rd quarter, this was an opportunity to put the result beyond doubt. Once again, led strongly by Maverick Hamilton, Luke English, Tavis Pool and Harry Edwards the team kicked 4 goals to 1 to go into 3 quarter time with a 32 point advantage. A real arm wrestle occurred in the last quarter with Leo Lambert, Ashley and Dylan Brockbernd, Cooper O’Reilly and Joel Peters providing the energy and skill to ensure the team were never headed. Mazenod ran out winners by 31 points. Best players on the day were: Maverick Hamilton, Luke English, Tavis Pool, Harry Edwards and Brock Bowron.

A big thanks to all the families, friends and staff who came along to support the team. Also to Mr Grabski for his efforts as the runner.

A reminder that the Grand Final will be played on September 5 as a curtain raiser before the Eagles v St. Kilda match at Domain Stadium. It would be great to see as much support as possible, so please if you have an Eagles membership get along for a 3pm bounce down.

Parents of players are reminded that there is an information evening on Friday from 4.30pm at Ray Owen.

**CONGRATULATIONS** to the Year 7 Blue, Year 9’s and Year 12’s who have made it through to the next round of finals in their respective groups. Good luck for this weekend!

Tickets for the MJFC Trophy Night are now available from front reception. They are $5 and include a hot roast beef roll and a can of cool drink….so organise your tables and come along.

To the teams no longer participating in the finals, I take this opportunity to thank you for being part of the MJFC community and look forward to your return in 2016.

*Eric Paini - MJFC President (0417 170 896)*
This week’s winner of the $100 is Matt Don - Class of 2004, who was one of only four people who picked 8 winners with Matt being only 9 points off the margin in Port Adelaide’s upset win over Hawthorn on Friday night, but great news for the two West Australian teams. There were a further 36 people who picked 7 winners.

With regard to overall standings, Paul Ambrose – Class of 2002 has increased his lead to three points and is now on 136 having picked 7 winners this week, Tamara Feltham has been joined in second place by Mark Addison (Class of 1983) and they are on 133 with four people one further back on 132 (Kasey Pass – Class of 2004, Michael Brajer, Suzanne Ford and Paul Van Luxemborg).

- Round 22 kicks off with Geelong v Collingwood. For Geelong to make the eight they need to win their last two games and hope Adelaide lose both theirs (Eagles at home and away to Geelong), Collingwood in the meantime would be hoping to win back some credibility after an embarrassing performance last week against Richmond;
- GWS v Carlton – You would think that GWS would bounce back after a poor performance against Sydney but could Carlton win two in a row?
- Hawthorn v Brisbane – Even without Luke Hodge (pity he didn’t get three weeks) can only see one winner here;
- North Melbourne v Western Bulldogs – One of the games of the round. How much will the trip west impact the Bulldogs? Can North beat another finals team?
- Essendon v Richmond – If Richmond is switched on they win, even if they are not it’s still difficult to see Essendon getting up in this one;
- Gold Coast v Port Adelaide – Gold Coast are a much better team at home but Port appear to have discovered some form albeit too late to save their season;
- Adelaide v Eagles – Should be an absolute belter, two teams in great form with lots to play for. Will home ground advantage be decisive?
- Saint Kilda v Sydney – Saint Kilda were tremendous in drawing with Geelong but you would think that Sydney will prevail in this one; and
- Fremantle v Melbourne – A chance for Fremantle to regain some confidence against a Melbourne team who have been insipid in recent weeks.
