Dear parents

Tonight we celebrate the 23rd Mazenod College Fine Art Exhibition and Sale. I wish to acknowledge and thank all of the parents, staff, students and friends of Mazenod College who have contributed to this exhibition over the years.

The Art Exhibition represents a major fund raising event conducted by the College. A small band of dedicated staff, parents, and parents of past students have worked tirelessly to ensure the ongoing success of the event. I am sure their hard work will culminate in a wonderful event tonight and over the weekend.

Over the past 22 years, the Art Exhibition has seen our community unite to organise, attend and appreciate outstanding art work and purchase fine works. Funds raised from sales during the Art Exhibition have provided many valuable facilities for our students. It is estimated that approximately $3m of art work has been sold over this period of time. This has meant an additional $550 000 in funds has been injected into the College.

In consultation with the financial management team of the College, funds raised by the P&F have been specifically directed towards the needs of our students. During 2016, air conditioning in the Year 9/10 block, additional equipment for our sporting clubs, assistance towards the memorial garden, a divider net for the gymnasium, support for an Oblate icon project and the construction of an undercover area in the pool area are projects that have been completed or are due for completion, only made possible by funds raised by the P&F.

In an all-boys educational environment, this exhibition should not be underestimated. Research indicates that exposing boys to the Arts improves literacy standards by reducing the impact of the ever narrowing curriculum. Exposing students to visual and spatial skills is very ‘boy friendly’ and assists their academic development. At Mazenod, we believe in the development of the whole person and such an exhibition creates an awareness and appreciation of the potential within each of our students to create and reflect. In providing a well-rounded education to our young men, exposing them to the arts is essential.

I would like to congratulate the students who have displayed work at this year’s exhibition. I have viewed the work on display and believe that we are truly blessed to have so many talented artists and craftsmen among our students. On behalf of the College, I wish to extend my congratulations to Mr Mike Scarfone (Head of Department - Design and Technology) and Mr Nick Allen (Head of Department - Visual and Performing Arts), and to all their staff for nurturing these students’ skills.

I also wish to thank the Art Exhibition Coordinators, Mrs Maria Pagotto and Mrs Anne Greenley for their time and effort in organising this event, Mr Nick Allen (curator of the Art Exhibition), Mrs Jane Gilbert (assistant curator) and Mrs Kate Mizerski (coordinating catering for tonight). It is an enormous task requiring attention to detail, commitment and patience. Their professional approach will ensure yet another very successful exhibition. Also essential to the success of the weekend is the role played by Mrs Jane Wallis and the Mazza Mums for the catering. Thank you to this group of generous Mums for all the work that you do for Mazenod during the year.

Community is a strategic priority of this College as our founder Eugene de Mazenod had community at the heart of his mission. The event brings together Oblates, students, staff, parents, Old Boys, past parents and friends of the College to share in the blessings to be part of this great Mazenod community. The art exhibition is another opportunity for us to remember our heritage and reflect on the charism of Eugene de Mazenod. I hope you are able to join us to enjoy the exhibition, the good company and community spirit.

OPTION SELECTIONS FOR STUDENTS IN YEAR 8, 9 and 10 - 2017

An email was sent home last week to parents of current Year 7, 8 and 9 students with an information package which contains details of the options available and processes for selections. The package also includes the Selection Form which needs to be returned to the College by the deadline indicated – this package is also available from the Downloads section of the College website.

For Year 8s and 9s this deadline is Wednesday 31 August, for Year 7s this deadline is Wednesday, 7 September. This process is important in helping our planning for next year. For any queries, please feel free to contact me or the relevant Head of Department.

Mr Peter Douthie – Deputy Principal

ONLINE LITERACY and NUMERACY ASSESSMENT (OLNA)

During Weeks 7 and 8 of Term Three, some Year 10, 11 and 12 students will sit the Online Literacy and Numeracy Assessment (OLNA) on the following dates:

- Tuesday 30th August OLNA Writing Round 2
- Monday 5th September OLNA Reading Round 2
- Tuesday 6th September OLNA Numeracy Round 2

This is a state wide test conducted by the School Curriculum and Standards Authority (SCSA). Secondary Graduation at the completion of Year 12 is recognised by the achievement of the Western Australian Certificate of Education (WACE). One requirement of the WACE is to meet minimum standards in Literacy and Numeracy. This minimum standard is measured by students achieving the required benchmark in the OLNA.

Students required to sit any of the OLNA will have received a personalised letter this week.

Ms Jenny Knox – Deputy Principal (Senior School)

ENROLMENT INFORMATION

Important Message to Parents

Applications for the Year 7, 2019 enrolment intake closes in Term 4 on MONDAY, 31 OCTOBER 2016

As Mazenod College conducts interviews two years prior to prospective students’ commencement year, it is imperative that parents make application to enrol their son/s for 2019 (currently Year 4) or beyond to avoid the disappointment of not being offered an interview.

For further enrolment enquiries, please contact Lyn McDonald on 9291 1532.

DONATE BLOOD

In Australia, a blood donation is needed every 24 seconds – that adds up to over a million donations a year. You may have noticed the letters A, O, and B going missing across the country. That’s because they represent the main blood types, which are in danger of going missing too. Australia needs 100,000 new donors in the next year. If you have never given blood before, you can pledge to donate right now and help fill the gaps. Visit http://www.donateblood.com.au/. A single blood donation can save up to 3 lives. So please if you’re not a blood donor already roll up your sleeves and donate. Your donation can be added to the 65 donations that the Mazenod Community has already donated in 2016.

DO YOU HAVE THE #MISSINGTYPE, HELP US SAVE LIVES BY GIVING BLOOD

Father's Day Mass 2016 – next Friday, 2 September

The College is holding a special Mass in celebration of all of our Mazza dads, grandfathers and special men, who are welcome to join us in celebrating Father's Day. The Mass will be held in the College Chapel at 9:45 am on Friday the 2 September, followed by morning tea in the PAC foyer.

Fathers are welcome to invite their son to mass and morning tea.

Please RSVP Mrs Lima on lima.lorraine@mazenod.wa.edu.au by the Wednesday 31 August 2016

This will allow the College to arrange for those students to be absent from class during the Mass. The RSVP will also allow us to properly cater for the morning tea.

We look forward to seeing students and their guests celebrating Father’s Day together!

Mrs Lorraine Lima – Coordinator of Campus Ministry

YEAR 10 INDUSTRY & ENTERPRISE PROGRAMME 2017

In response to the changing demands of Senior School curriculum, further education and training opportunities, and the rapidly changing employment market, Mazenod College has developed a Year 10 Industry & Enterprise Programme to assist students who experience difficulties with academic achievement in the core subject areas, and who are also interested in pursuing a trade based career.

The programme has been running for a number of years and it provides a modified curriculum that has greater relevance and practical applications than alternative courses of study that happen in Year 10.

In the next couple of weeks, students who have been identified as suitable candidates for the programme will be invited to apply for a place in the course. If as parents you feel that your son would benefit from the course and you would like him to be considered, I can be contacted via e-mail at buselich.mike@mazenod.wa.edu.au or on 9291 1447 during school hours. I am also available for any parents who would like further explanation of the course or have any questions.

Mr Mike Buselich (Industry & Enterprise Team Leader)

ENGLISH DEPARTMENT – DEBATING NEWS

In the English Department this term, we are very excited that Mazenod College has been competing once again in the AHISA Debating Competition.

The first round of the AHISA debating competition, which explored all things sport, saw our novice team make their debating debut in a very close debate against PLC. Kai Lovel, Reiley King and James Murray from Year 7 spoke convincingly and confidently about the need to ban high injury sports. They only narrowly missed out on a victory for the affirmative side against PLC. The Mazenod Junior team debated against a very polished team from Perth College. Year 9 students Kael Fisher and Michael Murray, along with Year 10 Elliott Fourie, took the affirmative side to prove that we should not ban national teams from competing based on individual cases of drug use. In this debate, the negative side were strong and they managed a win against our Junior team’s case.

In this Wednesday night’s debates, the theme was Media. The focus for all three teams was the impact of social media and technology on different aspects of our daily lives. The novice team presented compelling arguments that Pokémon Go! has done more harm than good. Year 7s, Aidan Lawrence, Reiley King and James Murray spoke convincingly and had some great rebuttals, however, couldn’t quite convince their adjudicator of the harms of the augmented reality game. In the Junior debate, Kael Fisher and Elliott Fourie spoke confidently and passionately that we should not regret the rise of Twitter, while Michael Murray worked to present some creative rebuttals! The team won their debate against St Mary’s.

The Senior team take part in impromptu debates. Unlike the Novice and Junior competition where the topics are provided in advance and students can research and develop their arguments, the Senior team is given the topic one hour before their debate begins. They have no access to electronics and are required to speak for seven minutes each. They also need to field ‘points of information’ where the opposing team can question them while they are presenting their speech. Wednesday night’s intense debate saw them arguing that employers should not be allowed to ‘hire and fire’ based on the information they find on the social media profiles of employees. Year 11 students, Will Conti, Ben Gregory and Luke Checker argued a convincing case based on keys ideas of equality, discrimination and legal implications of this and in doing so, won the debate against Hale.

The next round is focussed on Ethics and Social Justice which sees debates about the existence of zoos and the role of language in our world. They are bound to be interesting and engaging ones to watch!

The students are working well to develop their confidence in public speaking and critical thinking and should be very pleased with their efforts in the season so far.

Thank you to the English staff for their assistance in preparing the students involved for this competition.

Miss Julia Farinaccio – Head of English
ART EXHIBITION CATERING - Message from Mazza Mums

On the Saturday and Sunday of the Art Exhibition we serve morning and afternoon tea to over 500 people each day. In order to uphold our reputation of providing great food we require more food donations for Saturday and Sunday - food can be delivered to the gym kitchen over the weekend (27 and 28 August) during the exhibition hours. Many thanks for your continuing help – it is so very much appreciated.

Please remember to place your name on your containers.

ASX SHARE MARKET NEWS – SHARE OF SUCCESS

It’s been a smooth start in the ASX share market game for the Mazenod boys. Out of the entire 9,900 syndicates competing across the country, at this stage 7 Mazenod students have been able to make it into the top 100. That is a great effort from those 7 boys and hopefully they keep up the great form. Mazenod’s success throughout the ASX competition does not stop there. We are lucky enough to have 3 of our own students inside the top 4 syndicates in WA. Cian Moore 1st (Yr 10), Corey Watts 3rd (Yr 10), and Jayden Woods 4th (Yr 9) have had a blistering start to the competition. Well done boys!

The ASX share market game is a fun and realistic way for students to learn more about financial literacy and learn smart investment techniques for the future. Students are given a virtual $50,000 to invest in Australian shares through an internet account. The game features a lot of risk, strategy and luck which will sometimes go your way and sometimes not. Clearly the Mazenod boys have had their fair run of luck to start this competition.

The ASX share market game runs from the 18th Aug – 26th Oct so it is only early in the competition. The boys have had a great start and Mr. Hiatt has taught them well. In Game One this year, James White (Yr 8) came 1st Nationally and Hayden Della Franca (Yr 8) was 2nd in WA. Hopefully the boys great run of form continues but as they always say, “Don’t count your chickens before they hatch”. Ethan Carrington (Year10 Commerce and aspiring journalist)

MATHS DEPARTMENT NEWS – MATHS DAY

Tuesday was Maths Day and several events were held to celebrate all things numerical. A rather challenging Form quiz on patterns was jointly won by 11C and 11E. Ms Biffin, Ms Stone and Mr Whalley measured how long students could stretch jelly snakes. Zac Marchant won this competition for Grandin with a Mazenod record of 47 cm. Ms Nelson, Ms Overton and Mr Pavlinovich adjudicated over the pies for \( \pi \) competition and Tempier received the most points and the most pies. The ladies in the front office swapped sweet treats for mathematical symbols that had been hidden and then found around the College.

The overall house results were, from first to sixth: Grandin, Albini, Gavin, Gerard, Tempier, Cebula

Thank you to everybody for supporting Maths Day.

Mrs Lynda Godfrey – Head of Maths
Next week is the last week of the festival. It has been a busy time but our boys have done the College proud with their performances and behaviour.

Further Honorable Mentions have been awarded to:

- Ben Shelley (electric guitar) and Reilly Miltrup
- Tim Bewick (bass guitar), Tim Bewick & Ben Shelley (Duet),
- Robert Kelly, Thomas Carroll and Buster Shelley (duet)

Come and be entertained by our talented performers from the festival on Friday, 2 September in the College Gymnasium. It promises to be a great evening for all the family. Doors open at 6:30pm for a 7pm start.

Tickets are available from Administration - $10/adult and $5/concession and $25/family (2 adults and 2 children) for a table of 10, so get a group together to come and enjoy the night.

LOWER SCHOOL LEADERSHIP EXCURSION

On Friday 12 August, Year 7 students who were chosen as student leaders for Semester Two attended the annual Leadership Programme. The day is designed to provide an opportunity to develop middle school links, confidence, as well as social, team building and leadership skills.

The boys participated in a number of activities at the College followed by a session at the Rock Face in Northbridge. The experience provided the boys with an opportunity to challenge themselves and develop effective communication skills. The day was again a great success and I would like to commend the students on their exemplary behaviour.

HEALTH & PHYSICAL EDUCATION NEWS

MAZENOD GO DOWN IN THE GRAND FINAL

The campaign for the Year 8/9 Eagles Schoolboys Cup team came down to 1 game, the Grand Final of the competition played at Steel Blue Oval last Thursday. With all the preparation completed it was up to the team to put their best efforts forward in competing against a very strong, Comet Bay College. After some nervous moments early in the game with a few fumbles the team slowly started to handle the pressure and ferocity of the opposition. Players such as Jai Teale, Ashley and Dylan Brockbernd, Jayden Wood and Blake Boys were doing their best efforts around the ground. The game was evenly matched and with some large puddles on the ground made conditions very tricky. The team was battling away and there were some great movements of the ball with Josh Cotter, Liam Bradford and Blake Daff providing a handful up forward. At 3 quarter time, Mazenod were 6 points down. A real arm wrestle ensued and unfortunately the brave efforts of Brendan Garfield, Nathan O’Connor, Will Collins and Tyler Clatworthy in the defence were not able to hold Comet Bay away.

Best Players were: Jai Teale, Jayden Wood and Nathan O’Connor.

A fantastic effort from all players and everyone can be proud of everything they did over the course of the match and the season. These students were able to experience some amazing things as a group, including winning a game at Domain Stadium. These memories will last for a very long time. There are approximately 150 schools that enter this competition, to make the Grand Final is a wonderful achievement. I would like to especially thank all the parents and friends for their support as well as Mr Grabski, the PE staff, along with the entire school community for their well wishes and congratulations.

There was only one real upset in Round 21 and that was reflected in the scores for the week. Congratulations go to Michael McAlister (Class of 1983) who was the only person to pick 9 winners and picks up the $100. A further 23 people managed to pick 8 winners with four people probably feeling a little aggrieved having picked 8 winners and got the points margin spot on in the Eagles win over Hawthorn.

With only one week to go we have an outright leader but there are plenty of people who will be feeling the pressure going into the last round. Aaron Ogg (Class of 2003) is now out in front on his own on 142, Mark Addison (Class of 1983), Jake Bayley (Class of 2012) and Trent Meyers are in second place on 141 with Dom Murdaca and Anthony Brescacin sharing third place on 140. Good luck to everyone who is still in with a chance of winning a share of the end of season prizemoney. Just a reminder that if at the end of Round 23 scores are tied then the aggregate points differential (from tipping the margin in the game of the round) will be used to determine overall placings. The overall winner will receive $1,000, second place is $400 and third place $200.

Please note that as the timing of round 23 fixtures was only resolved a few weeks ago, the game where you need to pick the margin this week is Hawthorn v Collingwood, not the first game of the week as is usually the case.

The final round of the home and away season starts with Adelaide taking on the Eagles. Adelaide need to win to have a chance of finishing top two, which is looking like it will be decided by percentage. The Eagles probably played their best game of the season last week against Hawthorn and will need more of the same to be any chance of causing an upset especially with Nic Naitanui out for the next 12 months;

Geelong v Melbourne – Geelong need to win and win well to move into the top 2 as they sit 4.6% behind Adelaide in third place. Melbourne were very disappointing in their loss to Carlton last week but will want to perform well in Paul Roos last game in charge;

Essendon v Carlton – both sides will be glad that the 2016 season is almost over but will be looking forward to the 2017 season with renewed optimism;

Sydney v Richmond – Swans will be hot favourites to win and wrap up top spot;

Gold Coast v Port Adelaide – who cares? Port showed plenty of spirit last week but again both sides will be glad the season is coming to an end;

North Melbourne v GWS – GWS would like to win and hope that one of the sides above them lose so they can sneak into the top 4. North would like to win because they’ve lost their last three!!

St Kilda v Brisbane – St Kilda are likely to smash Brisbane and finish their season with a very respectable 12 wins;

Hawthorn v Collingwood – The Hawks will be looking to bounce back from a disappointing loss and Collingwood will be looking to finish a disappointing season on a good note;

Fremantle v Western Bulldogs – Mathew Pavlich’s last game will end like so many this year, in disappointment but he’s been a champion of the game. The Bulldogs need to win and hope the Eagles lose to secure a home final in week 1 of the finals series.
