Dear Parents

Each year the Catholic Bishops of Australia release a Social Justice Statement dealing with issues of concern. The title of the 2015-2016 Statement is For those who’ve come across the seas: Justice for refugees and asylum seekers. It is taken from the second verse of Australia’s National Anthem and reminds us all of how our nation has aspired to be a place of welcome and inclusion.

In this Social Justice Statement, the Australian Bishops ask us to re-examine our responses to refugees and asylum seekers. It reminds us of the nearly 60 million people around the world who are displaced from their homes and of the war and violence devastating countries in the Middle East, Africa and Asia. The Statement comes at the right time, particularly in the light of the Australian Government’s plan to admit 12000 Syrian refugees.

The image of the little boy who died in Turkey has stirred effective compassion in Europe for refugees, and has led Australia to increase the number of Syrian refugees it will take. Still the bishops’ statement is not likely to receive enthusiastic support. It advocates for people who have sought protection, not in Europe, but in Australia. Some 70 per cent of Australians, and presumably the same proportion of Catholics, agree that Australia must do what it takes to stop the boats. The Bishops are concerned with ‘what it takes’. You can access the Statement from the Australian Catholic Social Justice Council (www.socialjustice.catholic.org.au).

As you would know, we celebrate Mass every morning in the College Chapel at 8.00am. We have started to have an hour of adoration of the Blessed Sacrament after Wednesday’s Mass. You are most welcome to join us for Mass on any day and for adoration on Wednesday.

Last Friday’s Year 7 Global Expo was a wonderful presentation of the engaged learning that the boys experience at the College. Through their collaboration, they generate much excitement and a genuine learning experience. I congratulate the boys and the Staff who guides them. Meanwhile the Year 10 boys have just celebrated an engaged learning of a different kind. After five weeks of dancing lessons with girls from St Brigid’s, they ‘graduated’ at their dance on Thursday night. By all accounts the lessons were worth it.

Spare a thought for the boys on the Year 11 Leadership Camp, who began with a warm spring day which deteriorated into a cold wet day on Thursday and who knows what they encounter on Friday. Of course luck has them canoeing on the cold wet day. I thank Mr Payne, Mr Hemley, Mrs Scanlan and Mr Floyd for their hard work and dedication. I also thank Mr Vallis for driving the bus.

Next Tuesday we have our P&F meeting. Part of the agenda will focus on the College Strategic Plan which is being formulated at present. Do come along and have your say and listen to some of the ideas gleaned from other bodies in the College.

Most talk around the College, and no doubt around the State, revolves around the two big football games this weekend. I hope that your team wins.

A final thought: All grown-ups were once children … but only few of them remember it.

SCIENCE DEPARTMENT NEWS
SPECIALIST SCIENCE
The Specialist Science students have recently completed their major investigation as part of their course. The students have put a lot of time and effort into what are excellent science reports. I have been very impressed with the students’ progress and feel that the students will enjoy presenting their work. The evening will be held on Tuesday, 15 September. It will start at 6:00 pm in the Gym and conclude at around 7:30 pm. A short awards presentation will occur at 7:15 pm. All students and parents are most welcome.
Mr Mal Johnson – Head of Science

ALECIA-JANE TWIGGER VISIT
Earlier this week, the Year 11 Chemistry Students enjoyed a visit from scientist Alecia-Jane Twigger. Alecia is a PhD candidate from the Hartman Human Lactation Research Group- Stem Cell Team from the UWA School of Chemistry and Biochemistry. During the presentation, Alecia introduced a new topic to the boys and showed how knowledge of reaction rates can be applied to her research. She explained how breast milk samples had to be stored under strict conditions to control a reaction that saw the proteins degraded. Using a ‘real-world’ application to chemistry enhanced the students understanding of what they are learning and enabled them to see a glimpse of Chemistry beyond high school. The students also had an opportunity to ask Alecia any questions they had on science pathways at University, as well as gaining an insight into the life of a research scientist.

YEAR 8 VISIT TO BICKLEY CAMP

On Monday the 7 September, 8A, 8B and 8D ventured to the deep bush of the Bickley Outdoor Recreation Camp, whilst 8C and 8E went on the Tuesday. We were fortunate enough to have magnificent weather on both days. We participated in many activities including canoeing, crate climbing, vertical challenges, team building and orienteering. All of these activities tested our cooperation with our peers and how to deal with the problems that come in front of us. All in all, it was a very pleasurable day that should not be taken for granted.

_Thomas Ladham 8A presents a review of the activities that he participated in on the day:_

Vertical challenges was where we had a rope ladder, a rock climbing pole, and a net to conquer. Most boys took on the net blindfolded while getting timed. The vertical challenges were great fun and we all enjoyed it. In canoeing we teamed up with a partner and got into a canoe after receiving some safety instructions. First of all we “rafted up” (put our canoes in a parallel line) and rowed in a huge line. After that we played a game of zombies and humans where one pair got picked as zombies and touched their paddle onto other pair’s canoes to turn them into zombies, and then we had a race to the jetty to get out of our canoes.

Team building was more of a brain activity where we had to think and work in a team. From getting into height order without being able to see to arranging our birth dates without being out being able to talk. Then we had to reboot a time machine by touching numbers with many rules it was meant to test how we worked as a team.

SOCIETY & ENVIRONMENT DEPARTMENT NEWS

On Friday 4 September, the Year 7’s hosted the Global Issues Expo where a number of topics such as food and water security, poverty, refugees and access to health and education services were presented to the school community. The day started with a number of presentations from Mr Payne, Ms Bell and Year 11 Student Leaders in regards to their travels overseas to countries and places that are afflicted with problems such as poverty, access to safe drinking water and education. The students then organised their displays for the Expo which opened at lunchtime for the school community inclusive of parents and other year groups. The displays demonstrated the level of research and teamwork of the Year 7’s and they were amazing.

Among the displays were posters, pamphlets, fact sheets, business cards, PowerPoints, videos and on-line quizzes. The array and diversity of the work was tremendous and a reflection of the hard work of the students and the Year 7 Society and Environment teachers – Ms Betts, Ms Gault, Ms Settelmaier and Ms Worthington.

Thanks to all teachers and students for their preparation and participation in the Global Issues Expo event and helping to educate people of these pressing problems. A thank you to also Ms Worthington for using the Library as the venue and Mr Vallis for helping with the display boards and tables.

_Mr Richard Kostecki - Head of Society and Environment_

The next meeting for the Mazenod Parents and Friends Committee is on Tuesday, 15 September, 7:30 pm in the Boardroom. Topics will include College strategy, planning for next year’s jubilee celebrations, feedback on the Art Show, and committee succession planning. Always a good discussion, always a good time. See you there.

ENROLMENTS FOR YEAR 7 2018

_Important Message to Prospective Parents_

Applications for the Year 7, 2018 enrolment intake closes in Term 4 on **FRIDAY, 30 OCTOBER 2015**.

Enrolments are invited for students entering the College in 2018 and beyond. As Mazenod College conducts interviews two years prior to prospective students’ commencement year, it is imperative that parents make application to enrol their son/s to avoid the disappointment of not being offered an interview.

For more information, please contact Mrs Lyn McDonald on 9291 1532 or mcdonald.lyn@mazenod.wa.edu.au
YEAR 12 OUTDOOR EDUCATION EXPEDITION

During Week 7, the Year 12 Outdoor Education class took part in their final expedition of the year. The camp involved spending some time in the south west region of Western Australia undertaking the activities of caving, fishing and hiking.

The students left the College early on Wednesday 2 September and made it to Dunsborough for lunch before stepping into Ngilgi Cave in Yallingup. A fabulous experience for the students to be able to walk through a natural wonder which at times gets to be a surprising large space. Following the cave we grabbed the rods and set out for Canal Rocks. Each student was able to catch a fish which made for some rather large smiles, however there was nothing substantial to call dinner. Following fishing, the group returned to camp to cook dinner and get some sleep before an arduous hike along the Cape to Cape and Meelup trails.

On Thursday 3 September a 20+ km hike from Dunsborough to Yallingup passing the Cape Naturaliste Lighthouse was planned. The group started out at 8.45am walking along the Meelup Trail towards Eagle Bay. The group was making great time and enjoying the relatively easy track with fantastic views of Geographe Bay. After a long beach walk across Bunker Bay the group stopped for lunch at Shelly Beach, another incredible spot. After a sharp ascent to the Lighthouse, we walked on towards Yallingup, passing Sugarloaf Rock, Three Bears and Mt Duckworth along the way. It was an extremely difficult part of the trail and each of the students showed fantastic resilience and perseverance to make it to Yallingup. After 24km and 8 hours of walking the boys deserved a well-earned break and were looking forward to bed.

DEBATING UPDATE

Round 3 and 4 of the AHISA Debating Competition has seen some of our dedicated and confident public speakers take on some demanding and problematic topics.

Round 3 brought the discussion of compulsory paternity leave to the fore with Kofi Chow, Michael Murray and Vlas Kailis arguing that people should have a right to exercise choice and freewill when it comes to decisions about their family. All three students spoke with conviction and confidence and should be very proud of their efforts. Despite a hard-fought effort and some sensational rebuttals, our Junior teams were unfortunately both defeated by only one point in debates about feminists and body modifications. Elliot Fourie, Luke Gibson and Gregor Tooth argued excellently in their debate and Luke Checker, Ben Gregory and Will Conti worked creatively to argue some challenging definitions presented by the negative team.

Round 4 at Perth College saw our Novice team, comprised of Jeremiah Webb, Angus Butler-Blaxell and Vlas Kailis arguing that investing in cigarette companies should be made illegal. There was some fantastic, well-prepared and confident speaking from Jeremiah and Angus, as well as an impressive effort from Vlas in his first attempt at third speaker! The Junior teams argued that Greece’s debt should be forgiven by the EU and despite being a topic on economics, proved to be a surprisingly entertaining round. Ben Gregory, Brent Pedlar and William Leyland presented some interesting points of view in an entertaining and energetic way. Luke Gibson, Gregor Tooth and Ethan Losik worked very well to present some arguments for the affirmative but couldn’t quite sway the adjudicator their negative side.

Next week will see the students participating in the final round – topics about performance enhancing drugs in sports and reality TV are on the cards!

Well done to all the students involved! It really does take a great amount of courage and confidence and it’s fantastic to see the students discussing some challenging topics in our world. Thanks also to the English Department for their support so far this season.

BRITISH PARLIAMENTARY DEBATING

Luke Checker and William Conti of Year 10 will be taking part in the West Australian Debating League’s British Parliamentary Competition this Saturday. The competition runs at Hale School from 8.30am to 4pm on Saturday and they also attended a training session at UWA on Tuesday evening.

The competition, which is based on British Parliament, involves three impromptu debates involving four teams of two. It is a unique competition and a fantastic opportunity to be a part of. I wish both students the best of luck in the competition!

Miss Julia Farinaccio – Head of English
On Friday 4 September, the group packed up and spent the morning in Dunsborough before the long slow drive back to the College. It was a great experience for the group, and one that I am sure they will not forget for a long time. Each member was able to push through adversity and displayed some great skills which will hold them in good stead for the future. I would like to thank Mr Worth for his assistance over the 3 days.

R U OK? DAY

R U OK? Day – Thursday 10th September saw the Year 9D Rite Journey Students host an R U OK? Day breakfast consisting of bacon and egg rolls for staff and students and cups of tea and coffee for parents as they dropped their sons to school. It is hoped that the breakfast motivated students and parents to chat to people they wouldn’t normally talk to and they were inspired to ask “are you ok?” more often of mates who need some extra support.

If you ever need some tips talking to someone who might be struggling, check out these tips: ruok.org.au/how-to-ask You can also access national helplines here: ruok.org.au/find-help

Congratulations and thank you to all of those involved with the running of a successful morning – particularly the young men who promoted such a worthy cause.

Thank you again for the support. And remember: A conversation could change a life.

Mr Mike Pickford - Head of Year 9

SPORTSMAN’S DINNER

The Annual Sportsman’s Dinner will be held in the College Gymnasium on Friday, 30 October starting at 6.30pm. This evening is for the presentation of all school sport and club sport award winners for 2015, and the celebration of the year of sport and Mazenod. Please see the attached flyer for more information.

Tickets are available in the front office from Monday 14 September for $35 each.

We ask that all award winners attend on the night. A list of award winners will be published in next week’s Newsletter and will include all Champion Boys and Runner Ups from House Carnivals, School Sport competitions award winners, Mazenod sporting club award winners and recognition of sporting excellence within and out of the College. If you have represented WA or Australia in a sporting competition this year, please notify Mr Akmens via email on akmens.jacob@mazenod.wa.edu.au.

Junior (Y7-9) and Senior (Y10-12) Sportsman of the Year nomination forms are available from the HPE office. To nominate for these awards, students must have represented the College in at least three sporting teams this year, and displayed service and commitment to Mazenod College sport. Both of these awards come with a $100 sponsorship thanks to the Mazenod Old Boys Association.

MAZENOD GO DOWN IN A THRILLER!

What a game and what an experience. They are the lasting memories from the Year 8/9 Eagles Cup team that played in the Grand Final of the competition at Domain Stadium as a curtain raiser on Saturday 5 September. With all the preparation completed it was up to the team to put their best efforts forward in competing against a very strong, Comet Bay College. After some nervous moments early in the game with a few fumbles the team slowly started to handle the pressure and ferocity of the opposition. Players such as Leo Lambert, Maverick Hamilton, Luke English and Joel Peters were doing their best efforts around the ground but a few lapses in defence cost the team with Comet Bay leading at half time 6.3-39-2.4-16. There needed to be a lift from the entire Mazenod team to get ourselves back in the game. Once again, the pressure lifted around the contest led by Leo Lambert, Luke English, Ashley and Dylan Brockbernd and Tavis Pool. The momentum had swung and with Ethan Godden, Ethan Carrington, Joel Peters and Michael Garfield the team started to handle the pressure and ferocity of the opposition. Players such as Josh Harris working really well up forward, Mazenod closed to within 1 point with 5 minutes to play. A real arm wrestle ensued and unfortunately the brave efforts of Giacamo Paduano, Harry Edwards and Mitchell Price in the defence were not able to hold Comet Bay away, with a goal scored in the dying moments to ensure victory.

The final scores were: Comet Bay - 8.5- 53- Mazenod- 6.8- 44. Best Players were:Leo Lambert, Maverick Hamilton, Luke English, Ethan Godden

A fantastic effort from all players and everyone can be proud of everything they did over the course of the match and the season. It is an experience that will stay with the students for a very long time. I would like to especially thank all the parents and friends for their support as well as Mr Grabski, the PE staff, along with the entire school community for their well wishes and congratulations.

MAZENOD JUNIOR FOOTBALL CLUB

Make sure you get to Steel Blue Oval on Sunday, 13 September at 2.20pm to view the Year 12’s play their Grand Final - this should be a cracker of a game.

Year 7 Blue and the Year 9’s played brave games last weekend in their preliminary finals and unfortunately just fell short….both teams had spectacular seasons and the MJFC is very proud of their great sportsmanship. Well done!

Don’t forget to purchase your tickets ($5.00) for the MJFC Trophy Night on 19 September. The ticket entitles you to a hot roast beef roll and a can of cool drink. Talk to the ladies at the front office regarding seating arrangements. Numbers will be required for catering purposes so ideally tickets to be purchased by no later than Wednesday.

The MJFC AGM will be held in the College Board room on Wednesday, 23 September at 7.30pm. All are welcome to attend as the committee for 2016 will be elected.

Good luck to the Year 12’s on Sunday….go the mighty blue and white!

Wine, beer and soft drinks available for purchase
Well that’s it; the 2015 MOB footy tipping competition is finished for the year.

The final weekly winner of the $100 is **Sean Cameron – Class of 1982**, who was one of fourteen people who picked 7 winners and was only 4 points off the margin in Richmond’s win over North Melbourne on Friday night.

In what was an extremely competitive season, the major winners were:

**First Place** with a score of 149 – **Paul Ambrose – Class of 2002** – Congratulations Paul on winning $1,000;  
**Second Place** with a score of 145 – **Paul Van Luxemborg** - Congratulations Paul on winning $400; and  
**Third Place** with a score of 144 – **Michael Brajer** - Congratulations Michael on winning $200.

We were thrilled to have had 114 people participate in the competition this year and we look forward to everyone re-joining next year together with new participants.

We would be happy to receive any feedback that would help us improve the competition next year and will do what we can to implement suggested changes.

A quick plug for the annual Old Boys v Students footy game which is happening Friday 18 September at the school with bounce down at 4pm. It’s a wonderful opportunity for the Mazenod community to get together. Sausage in a bun and refreshments will be available – everyone is welcome.

Finally, the weekly winners throughout the season have been:
