Dear parents

As you receive this Newsletter, 32 students and 4 staff have just returned from an exhausting but rewarding three day Leadership Camp. Students interested in Year 12 leadership positions or who simply wish to gain experience and training in leadership formally applied to attend the camp held at Nanga Bush Camp in Dwellingup. I wish to thank Mr Liam Mallon (Head of Year 11) for his outstanding organisation of the camp and Mrs Anna Scanlan (Head of Year 12), Mr Hemley (Deputy Principal) and Mr Tom Floyd (Head of Boarding) for their attendance and facilitating the activities.

During the three days, students are taken through a series of mental, physical, problem solving and team building challenges. They learn to rely on one another to successfully complete tasks while also being challenged to develop personal initiative, proactivity and organisational skills to ensure the variety of tasks are completed successfully. They are engaged in a series of workshops where the leadership training focuses on providing opportunities for students to discover and understand their own leadership strengths, affirm that each student can be a leader in some way and encourage students to explore their leadership potential.

Leadership is certainly not the sole domain of the Year 12 students who wear a badge. We hope that through structures such as Form Representatives and House Representatives in Years 7-11, leadership training days in Years 7-8, the Rite Journey programme (Year 9), the Peer Support Programme (Year 10/11) and promotion of the Young Vinnies, students have the opportunity to learn about authentic leadership. Authentic leaders are people with vision, who are not self-serving (who don’t see the badge as a reward) but who serve others. Leadership is not about power and imposing influence but it incorporates accountability and responsibility. Leadership can be calm and unobtrusive, it can be covert and unassuming, showing initiative and providing encouragement.

Through our leadership structures we hope to instil an understanding that the easy part of leadership is to use the inherited gifts for the betterment of oneself. The difficult part of leadership is to use those gifts for the betterment of others. Leadership is not about popularity but doing what is right, and this may at times be unpopular. Strong leaders have the capacity to shape values, attitudes and behaviour appropriate to the values of the community.

On behalf of the College I would like to thank and congratulate Jordan Joseph (College Captain), Michael Verran (Vice Captain) and all of the 2016 Prefects and Houses leaders for their service to Mazenod College. They have been very clear in their intentions to foster closer relationships between the senior students and lower school students. With this aim in mind, they have been visiting Form Rooms and Year Assemblies to provide encouragement, promote school spirit and impart their wisdom on the “Mazenod way”. The Prefect body and House leaders are to be commended for the legacy they have left Mazenod College.

Finally, a reflection;

We ask for the courage to do and say what is right in our lives.
We ask for the gift of courage and the strength to become men and women of true resolution.
We ask that when we know what is right, that we might do it and say it, remembering that Jesus your Son whose life was an example of courage and trust in you.
Help us to be people who respect the strength of other’s convictions so that our love and our friendship is based on doing and saying what is good in your service.

Mr John Payne (Principal)

YEAR 9 NAPLAN - Celebrating Growth

This week, you will be receiving your son’s NAPLAN report. The information provided by NAPLAN is very useful for schools, but for families it provides just a snapshot of information. In your son’s report, you will see his performance against the national and the school average. An important measure that you are not given, however, is an indicator of your son’s growth from Year 7 to 9.

At Mazenod, we value personal excellence and urge students to constantly strive for their personal best. In that spirit, we have analysed our Year 9 NAPLAN performance in terms of growth. In the key areas of Reading, Writing and Numeracy, Mazenod’s growth was significantly above the national average with our students experiencing twice the growth of the nation in Writing. This is an indicator of our students’ commitment to their learning as well as the quality of the teaching they have received since joining Mazenod.

Our current Year 7 group has set a good foundation for growth over the next two years, achieving at or above the national average in every area.

Our analysis of all of the information reveals one crucial finding – that all students, regardless of their achievement score, are capable of amazing progress. Academic growth is not a measure of intellect; it is a measure of commitment, patience and persistence.

Mr Bruce Derby - Deputy Principal (Teaching and Learning)

GLOBAL WATER EXPO

On Friday 2nd September, the Year 7’s hosted the Global Water Expo. Students created a number of annotated visual displays, interactive IT and scientific experiments on a number of topics relating to the topic of Water. As part of their display, students also came up with suggested methods and technology to conserve water supplies and these were presented to the school community. The students organised their displays for the Expo during period 3 and then parents were cordially invited to see the Expo during period 4. The Expo was then opened at lunchtime for the school community inclusive of parents and other Year groups. The displays demonstrated the level of research and teamwork of the year 7’s and they were amazing. Among the displays were posters, pamphlets, scientific apparatus, fact sheets, business cards, PowerPoints, videos and on-line quizzes. The array and diversity of the work was informative, creative and a reflection of the hard work of the students and the Year 7 Society and Environment teachers – Ms Betts, Ms Gault, Ms Wynn and Ms Worthington. Thanks to all teachers and students for their preparation and participation in the Water Expo event and helping to educate people of these pressing problems. A thank you to Mr Hemley for covering the logistics such as the venue and relief staff and Mr Vallis for helping with the display boards and tables.

YEAR 10 GEOGRAPHY EXCURSION

The Year 10 Geography students who went to Cockburn Sound earlier this term as part of their fieldwork assessment got more than they bargained for. As Ms Scanlan was teaching the students the skills of field sketching at Mangles Bay jetty, a few boys noticed a local kayaker in trouble. In the water hanging onto his kayak with one arm, the gentleman called out to the boys for help. The students let Ms Scanlan know – which to her unease, thought she may have had to jump in (because she has a bronze medallion) and help the man to the jetty. As it turned out, 3 - 4 boys in the Geography class also had their bronze medallion – and before Ms Scanlan could say anything – in they went. As it turned out the kayaker had dislocated his shoulder and couldn’t paddle back to shore and felt a bit embarrassed when he discovered that he could have stood in the water. In his panic, he forgot the water around the jetty despite the distance from shore was pretty shallow. As for the boys – great heart and their willingness to help out someone in difficulty is commendable. Even if it meant wet underwear for the rest of the excursion!

YEAR 9 EXAMINATION

Parents and students are advised that the Society and Environment exam is on Thursday 15th September. The exam will cover work from Civics, History and Economics. The exam will be mostly on Economics - 60% and only 20% each for History and Civics. The boys can download the examination broadsheet from the Year 9 Society and Environment SharePoint page which will be referred to in the exam. A hard copy of the broadsheet will be provided on the day of the exam. The students will also be given a list of e-book chapters to which to revise their work through SharePoint. Please contact me at school if there are any concerns about the year 9 S&E exam.

Mr Richard Kostecki - Head of Society and Environment.

The AHISA debating competition wrapped up on Wednesday night at Perth College and marked the end of a term’s worth of work and preparation by some creative, confident and insightful students from Years 7 to 11.

In the Round 4 debates, topics were related to the broad category of ethics and social justice. Year 7 speakers from our novice team, Mason Houlahan, Aidan Lawrence and James Murray took the negative side in a debate which discussed the need for shutting down all zoos. Despite a confident manner and some strong arguments about conservation and the great work that zoos do, they could not quite sway the adjudicator in their favour.

In their Round 4 debate, Year 9 students, Kallen Parsons and Michael Murray, along with Year 10 student Elliott Fourie, presented some engaging arguments in the Junior debate regarding the problems of having one shared universal language. Kallen, who was making his debating debut, spoke convincingly about the difficulties of controlling such a system. Michael presented some confident rebuttals and Elliott presented a sophisticated response which opposed the other team’s arguments perfectly. As a result of their great efforts, they managed to win this debate.

Year 11 students Will Conti, Ethan Losik, Ben Gregory and Luke Checker were faced with a challenging topic regarding the ethical concerns of allowing cosmetic surgery procedures which alter an individual’s racial appearance. Despite some well-proposed definitions and a confident approach from Will and Ethan, paired with a strong speech from Luke as third speaker, they narrowly lost the debate by one point to Christ Church Grammar School.

The final round of the AHISA debating competition took place on Wednesday night. The novice team, with Year 7 speakers Rohit Raj, Mason Houlahan and Reiley King spoke passionately and convincingly about the need to teach local Indigenous language in schools. Some excellent and confident speeches from Rohit and Mason, combined with some equally confident rebuttals by Reiley as third speaker meant that they won their debate against Aquinas College. It was a great effort by the students.

Well done to the following students who took part throughout the season. The students who participated were:

- **Year 7**: Kai Lovel, Aidan Lawrence, James Murray, Reiley King, Mason Houlahan, Rohit Raj
- **Year 9**: Michael Murray, Kael Fisher, Kallen Parsons
- **Year 10**: Elliott Fourie
- **Year 11**: Luke Checker, Will Conti, Ben Gregory, Ethan Losik, Brent Pedlar

A big thank you to all the students who participated in this season. They should be proud of the way they conducted themselves and the way that they represented the College. Debating is a great opportunity to develop critical thinking skills, improve confidence in public speaking and work together with new people. I would also like to thank Miss Candice Betts, Mr Bruce Derby and Mrs Karen Griffiths for their assistance in helping to prepare the students for their debates. Your support is greatly appreciated.

**BEST OF THE FEST**

Last Friday evening the Best of the Fest was held and what a great night it was. From small drama groups to big band performances everyone was entertained by them all.

Thank you to the boys for their great performances, the result of many rehearsals and hard work. Also thank you to the members of FOPA who helped out on the night and of course to all those who came to support the boys, we are sure you went home impressed.

The Best of the Best of the Fest award went to Zac Cave who was in 11 performances in drama, music and dance over the weeks of the Performing Arts Festival.

Ben Shelley was awarded the Music Performer of the Fest and Ben Gregory won the Drama Performer of Fest.

Come along and support the boys in their Grand Final games this weekend. It would be great to see big crowds supporting the boys, I know they will greatly appreciate it.

Well done to all teams who have represented Mazenod Junior Football Club in 2016. We are proud in what you have achieved and how you have played the game.

Tickets are available at the front office for the MJFC Trophy night (17th September 2016 starting at 6.00pm and doors will be open from 5.30pm). A ticket must be purchased ($5) for entry on the night. Each ticket includes a hot beef roll and a can of cool drink. It is BYO alcohol and nibbles, so organise your tables as tickets are selling fast! There will also be an auction of football memorabilia at half time so make sure you bring your cents, dollars, cheque book and IOU’s.

The MJFC AGM will be held in the College Boardroom on the 21st September at 7.00pm. All are welcome.

Good luck to all teams this weekend. Go Mazza!

To celebrate Mazenod College’s 50th Anniversary, a range of commemorative wines are available for purchase. Pinelli winery in the Swan Valley have assisted the College in bottling and labelling a range of wines, including a fortified wine. If you haven’t been out to the winery recently a visit is definitely recommended. Pinelli Estate recently were awarded the Chairman’s Trophy for their Family Reserve Chenin Blanc 2007 as well as the ‘best Swan Valley Table wine’ and the ‘best dry white table wine’ and at last years’ Perth Royal Show, Pinelli’s Reserve Verdelho won bronze.

The wines were well received at the 50th dinner and we are now taking the final orders. The latest date for accepting orders is October 21. All monies will be processed on October 22 and the orders ready to be collected from 14 November. The order form including prices can be found below.

Please complete it and either post it to the College or email it to opechowski.nicole@mazenod.wa.edu.au.
