DONATIONS IN THE CAN

MAZENOD College students have been busy collecting cans to help feed people suffering from homelessness and hardship.

Through its Young Vinnies program, students organised a can drive to support the work of The Shopfront in Maylands, which aims to provide practical assistance and hospitality to relieve poverty.

Mazenod College teachers Suzanne Biffin and Glenn Pabst helped co-ordinate the drive, with Year 12 students Sean Paylor and Joshua Davies assisting with the collection and transportation of the canned foods.

The Young Vinnies also pooled their money to provide a $500 donation to the organisation.
