Sacramental Programme

Mazenod College has always been blessed with a number of boys each year completing the Sacraments of Initiation. 2012 was no different. Over the course of the year we had 2 students Baptised, 9 Confirmed and 6 receive their first Holy Communion.

The Coordinator of the programme, Sr. Francis Wilson RNDM, puts a great deal of effort into teaching the students the importance of each sacrament and puts a lot of time into preparing them. The students always show a great level of maturity and it is always pleasing to watch them grow in faith and love of Jesus, who they wish to be close to.

We pray that the boys who completed the Sacraments this year continue to deepen their understanding of God and who they are called to become.
