Dowerin Field Day

The annual trek to the Dowerin Field Days was undertaken again this year on Wednesday, 29th and Thursday, 30th August. It provides the opportunity for us to showcase all that Mazenod has to offer in boarding and the learning environment. It is also a time spent catching up with boarding families, ex-students as well as chatting to potential students and their families.

On Wednesday, Mr Phil Keddie (Director of Senior Boarding), Mrs Nickie Opechowski (Director of Public Relations) and myself with Year 10 boarding students, Youle Beatty and Matthew Pettit arrived at the Field Day laden with show bags filled with lots of information on Mazenod; lollies to share with visitors (mostly eaten by Mazenod reps); and IT equipment for our Mazenod Movie. A big thank you to Mrs Opechowski for putting together a wonderful and very informative presentation on Mazenod, which ran continually throughout the two days.

This year’s presentation by Mazenod College was enhanced by our wonderful new display.

The following day, Mrs Barbara Heelan (Director of Boarding), Mr Andrew Whalley (Director of Junior Boarding) and Year 12 boarders, Brenton Wright, Aaron Capelli, Adam Miolini, Aaron Breen and Hayes Medcalf (Year 11) trekked to Dowerin in the faithful and much loved ‘transit’ to continue spreading the word why Mazenod is THE place to send their son/s.

Once again our boarders together with the College Captain, Ben Whitsed, excelled themselves as wonderful ambassadors of the College. Until next year……..

Mrs Lyn McDonald
